All transfer of players, both under age and seniors are governed under the AFL National Player Transfer Regulations. The primary facility to be used to process transfers is Footyweb where applicable.

Domestic Transfers (Between League Clubs)

3.1 Any open age or under age player who desires to transfer from a club in the League (the transferor club) to another League club must obtain a Transfer from his club.

Intrastate Transfers

3.2 A player who was last registered with an AFL (NSW/ACT) affiliated club outside of the League is required to submit a Transfer application with his application for registration to the League.

Interstate Transfers

3.3 The transfer of players between interstate bodies shall be in accordance with AFL National Player Transfer Regulations.

Players Returning to the League

3.4 A player who transfers from a League club to a club in an AFL affiliated league, upon transferring back to the League, within a period of 24 months, must transfer back to the club he left or obtain a domestic Transfer from that club to the club he wishes to join.

No Transfer Required

3.5 The Transfer provisions of these By-Laws shall not apply to any player who has not been registered with an AFL affiliated league during the past two seasons.

Commencement and Closing Dates for Transfers

3.6 The commencement date for the lodgement of Transfer applications accompanying new player registrations will be 1st February each year.

The closing date for the lodgement of Transfer applications accompanying new player registrations will be 30th June each year.

Appeals Board

3.7 An Appeals Board shall be established by the Administration Committee to hear and determine all appeals relating to the refusal of Domestic Transfers.

3.8 The Appeals Board shall be appointed each year by the League and shall consist of a panel of five members, each of who shall not be an official of any club playing in the League.

3.9 The Appeals Board shall hold office for one year. Each member may be reappointed for further terms of office.

3.10 A Chairman and Deputy Chairman shall be appointed by the League.

3.11 At any sitting of the Appeals Board, a minimum of two members shall constitute a Panel and where possible, the Chairman or Deputy Chairman shall preside.

Refused Domestic Transfer

3.12 Requests for a Domestic Transfer can only be refused if the player :

3.12.1 is under contract to his former club

3.12.2 owes his former club money;

3.12.3 retains property belonging to his former club

3.12.4 no longer wishes to be cleared.

3.13 The transferor club must clearly state the reason(s) why the Transfer is refused and provide supporting documentation.

3.14 Where a transferor club refuses to transfer a player, the player may lodge in writing, together with a \$300 bond (of which \$150 is not returnable), an appeal to the league within 5 business days from receipt of refusal. Upon advice from the league that an appeal has been lodged the transferor club has 5 business days to lodge the bond to the League for the matter to be heard by the appeals board. The appeals board will hear the matter within 5 business days of both bonds being lodged. Bond monies may be forfeited at the discretion of the appeals board if they deem either the appeal or refusal to be frivolous. If the transferor club does not lodge a bond then the Transfer shall be granted by the league.

3.15 Where, since the refusal of a Transfer, the transferor club and the player have come to an agreement, the Transfer will take effect when the League receives either the original Transfer form or a second Transfer form, which has been suitably endorsed by the transferor club.

3.16 Where the Appeals Board is satisfied that the transferor club does not have reasonable grounds for refusing the player a Transfer, the Appeals Board may grant the Transfer.

3.17 The determination of the appeal shall be binding upon the player and club and an unsuccessful Transfer application shall not be renewed during the season in which the Transfer was sought. Provided always that where a material change in relevant circumstances occurs later, the player may apply to the Appeals Board for a review by way of re-hearing.

3.18 The Appeals Board shall report to the Administration Committee any circumstances of which it may become aware which tend to suggest that false or misleading information has been provided to the Appeals Board at or in connection with the hearing of any appeal.

4.1.2 The player only plays with one club on any weekend or round

4.1.3 The Footyweb permit system shall be the facility used to activate such interchanges (A match Permit)

4.1.4 Games played on match permit do not count towards finals eligibility with either club.

4.1.5 A player cannot play on interchange on a day or weekend when his club has the bye or is otherwise not playing.

The spirit of this By-Law is to allow a club with surplus player(s) on a given match day to give these player(s) a game of football with another club. It is also designed to allow a player to trial with another club which is playing in a higher grade or division.

Student Permits

4.2 Subject to 4.4 below, a player who transfers to another club to attend an educational institution on a full-time and continuous basis may, during official semester vacations / school holidays, receive a permit to play with his immediate former club subject to written endorsement from the current club, the former club and their respective leagues. The permit application is to be endorsed by those outlined above prior to 1 July in a given year. The permit period lasts until the player ceases his commitments at the educational institution and is subject to any relevant regulations of any of the parties, including participation in finals.

4.3 Students referred to in by-law 4.2 must provide a school or university calendar which sets out vacation periods.

4.4 Permits issued under by-laws 4.2 shall apply to home and away matches only. Matches played under such a permit will not be counted towards finals eligibility.

Interchange of AFL Players

4.5 As per AFL National Player Transfer Regulations.

5. Competition Arrangements

Fixture

5.1 Following receipt and acceptance of club affiliation applications, the league shall prepare a schedule of matches (fixture draw) for each grade of competition and distribute same to clubs prior to the season. Other than in exceptional circumstances as approved by the League, these fixture draws will not be varied once the season has commenced.

5.2 Each competition fixture draw shall consist of a series of home and away premiership matches followed by a finals series.

Match Times

5.3 Starting time of all matches will be advised when the fixture draw is released. The starting times may be varied at the discretion of the Administration Committee.

5.4 Matches must start and finish on time. If a start is late, or there is a lengthy delay during the match, the Ground Manager and Field Umpires will decide on the duration of the breaks at quarter, half and three quarter time and if necessary will also reduce the length of quarters to ensure that the following match can commence on time.

5.5 If for any reason a team is not ready to commence play twenty (20) minutes after the appointed time, the opposing club may claim the match as a forfeit. If however the start of a match is delayed due to unforeseen circumstances and by mutual agreement between the competing clubs the match is still played, the clubs must agree on a shortened time of play to ensure that any following matches will not be delayed.

5.5.1 For Juniors such matches where teams do not have the minimum numbers at the scheduled start time but Players are still due to arrive, the game shall commence but with

reduced Player numbers on each team. Teams must still have equal numbers on the field. No time-on will be allowed for the MINOR round matches.

5.6 If for any reason a club should not finish a match, the Field Umpire must report the matter to the Administration Committee for investigation.

Match Duration

5.7 The duration of quarters for all Home and Away matches will be as defined by the League and for matches where time on is played the following is to apply

5.7.1 To indicate the commencement of the time added period, the field umpire shall blow his/her whistle and raise one arm above his/her head. To indicate that the time added period has elapsed, the field umpire shall raise one arm above the head.

5.7.2 Where the umpire fails to signal the completion of the time added period, or the timekeepers fail to hear his/her whistle or see his/her signal, the timekeepers are to restart the clock when the ball is clearly back in play.

5.7.3 In the case of a goal or behind being scored, the time added is that which elapses between the time that the goal umpire first signals the goal or behind and the bouncing of the ball in the centre (after a goal) or the ball being brought back into play (after a behind).

5.7.4 In the event of a player being replaced under the blood rule, timekeepers are to stop the clock from the time that the blood rule signal is given by the umpire until the umpire signals time back on or the ball is clearly in play.

5.7.5 In case of a player being replaced using a stretcher, the field umpire shall signal time off and on as detailed above.

5.8 For matches where time on is not applicable the following will apply.

The clock is only to be stopped for the blood rule or when a player is replaced using the stretcher with the procedure as follows:

5.8.1 In the event of a player being replaced under the blood rule, timekeepers are to stop the clock from the time that the blood rule signal is given by the umpire until the umpire signals time back on or the ball is clearly in play.

5.8.2 In case of a player being replaced using a stretcher, the field umpire shall signal time off and on as detailed above.

Warning Sirens

5.9 Timekeepers are to sound the siren as an indicator to players and officials as follows:

5.9.2 Five minutes prior to scheduled starting time of the match and start of the third Quarter - Once

5.9.3 Two minutes prior to scheduled starting time of all quarters - Twice

5.9.4 One minute prior to scheduled starting time of all quarters -Once

5.9.5 Scheduled starting time of all quarters - Once

Ladder

5.10 A premiership ladder shall be maintained for the duration of the home and away matches as follows and as determined by the Administration Committee:

5.10.1 Even Number of Team and/or Even Number of Games Played

The teams will be positioned in accordance with total of premiership points accrued (four (4) points will be allocated for a win, two (2) points for a draw and nil (0) for a loss). Where more than one club has the same "number of premierships points accrued" those clubs will be positioned on the premiership ladder in order of percentages calculated from the points scored for and against, by such clubs.

5.10.2 Uneven Number of Teams and/or Uneven Number of Games Played

The teams will be positioned in the order of club's "Winning Percentage" or "Match Ratio" in place of total premiership points accrued. A Club's match ratio will be the percentage of wins against matches played (draws will be 0.5 of a win). Where more than one club has the same "Match Ratio" those clubs will be positioned on the premiership ladder in order of percentages calculated from the points scored for and against, by such clubs.

The premiership ladder will not count cancelled matches as matches played and thus 'Match Ratio' is only affected by the number of games played where a win, loss or draw can be affected.

Premier Team

5.11 The Premier Team for the season shall be the team which wins the Grand Final in each respective competition.

Forfeits

5.12 Any club unable to play a match for which it is drawn is to advise the opposing club and the League no later than the defined time on the Friday prior to the match concerned. The match will then be treated as a forfeit and provided a satisfactory explanation is furnished to the League, no penalty other than those specified in this by-law will be imposed.

5.13 Should a club forfeit a match without the required notice, a fine of up to \$1000 may be imposed at the discretion of the Administration Committee.

5.14 Where the League is unable to advise the appointed umpires prior to them attending a forfeited match, the League will pay the umpires and the forfeiting club will be invoiced for the full amount.

5.15 If for any reason a team is not ready to commence play 20 minutes after the appointed commencement time for a match, the opposing club may claim the match as a forfeit.

5.16 All clubs must field a senior grade team in the home and away competition unless otherwise arranged with the Administration Committee. Should a club play in a reserve grade fixture and subsequently forfeit their senior grade match in the same round, that club will not be awarded any match points for the reserve grade fixture and shall be liable to disqualification or such other penalty as the Administration Committee may determine.

5.17 A team shall forfeit a match if it is unable or fails, refuses or neglects to complete a match already commenced.

5.18 Where a forfeit occurs the result will be determined in accordance with the League requirements.

5.18.1 The team receiving the forfeit shall submit a team sheet for the purpose of player eligibility for finals

Adverse Weather

5.19 From time to time the League may vary the playing conditions due to adverse weather.

5.20 In the case where there is lightning during a match the umpire has the authority to delay the match where they believe the conditions have become unsafe.

Wet Weather Procedures

5.21 Where wet or adverse weather conditions prevail, clubs are to advise the League as early as possible of the likelihood of ground closures to enable alternative arrangements for the playing of scheduled matches to be considered.

5.22 Where a ground to which a match has been scheduled is unfit for play or has been closed, the League will, in liaison with the clubs concerned, provisionally reschedule the match to be played on the away club's ground if available.

5.23 Where a match is transferred to the opposing club's ground, that club will assume the home team responsibilities. Where practicable, the venue of the next match between the two clubs concerned will be reversed to compensate for the loss of the home ground privilege.

5.24 Where neither ground is available, the League will make every effort to move the fixture to an alternative venue. Clubs whose grounds are vacant and playable will be expected to co-operate with the League by making their ground available to minimise the likelihood of cancellations. In this situation, the home team responsibilities will be assumed by the home team as nominated in the fixture.

5.25 If a match is not played because neither ground nor an alternative venue is available, the Administration Committee will decide whether or not the match is to be rescheduled to another date or cancelled.

5.26 Should it appear likely that more than one match in a round may not be played, the Administration Committee may postpone or cancel all matches for that round.

5.27 In the event that any match is cancelled, the match does not contribute to either team's "Match Ratio" as per by-law 5.10.2 and such match shall not count towards player eligibility for finals. Where two or more of a Club's home and away matches are cancelled due to wet or adverse weather, the Administration Committee will decide on player eligibility for finals.

5.28 Each club is required to have procedures in place, which will enable them to contact their players, and officials to notify them at short notice of any changes to scheduled matches.

Other Matches

5.29 No Club shall arrange or play in any match other than the official fixture schedule without the approval of the Administration Committee.

Match wins - Juniors

5.30 In the case of a forfeit win, or where ineligible Players have been played, the forfeiting or ineligible team will be awarded the lowest points for and the highest points against scored in

the round in their age group. The non-forfeiting or eligible team will be awarded the highest points for and the lowest points against scored in the round in their age group. Ladders will be adjusted accordingly.

Code of Conduct Guidelines and Disciplinary Procedures

The League Code of Conduct (“Code of Conduct”) is in place to assist in ensuring the safety and enjoyment of all players, officials and supporters in particular it relates to their conduct and behaviour. Clubs are required to ensure that all members receive a copy of the Code of Conduct.

1. Guidelines

1.1 The Code of Conduct shall not conflict in any way with the rules governing “Reportable Offences” (19.2 of Laws of Australian Football), The League Order-Off Rule (By-Law 12)” or “Citations (By-Law 14.6 – 14.10)”. On-field offences shall be solely governed as such. A charge made for a reportable offence will take priority over a reported breach of the Code of Conduct (in the same incident). As such, an individual may not be penalised under the Tribunal/Prescribed Penalty system and the Code of Conduct, it must be one system or the other.

1.2 Any player, official or supporter bringing a club into disrepute, irrespective of the cause, shall be entitled to one warning for what would be considered a ‘Level 1’ breach. Further such indiscretions or a more serious violation that warrants a stronger response or remedy commensurate with the seriousness of the breach of the Code of Conduct shall be dealt with in the following manner:

A ‘complaint’ may be made by:

1.2.1 An authorised club official on behalf of the club and any of its members

1.2.2 The Administration Committee directly

1.2.3 Officiating umpires (on Umpire Match Report Form)

1.3 All complaints shall be referred to the Administration Committee. Complaints directly to the League will be accepted within three business days of an alleged indiscretion.

1.4 Any breach reported will be initially assessed by the Administration Committee. Where the Administration Committee is of the opinion that a person may have committed a Code of Conduct breach, whether on the basis of an investigation, video evidence or otherwise, the Administration Committee may impose a Level 1 breach; or refer the matter to the Conduct Committee for hearing and determination. The Administration Committee may also dismiss a complaint or dismiss a complaint and determine it to be frivolous.

1.5 Should the Administration Committee or Conduct Committee determine a complaint made by a club or club official to be frivolous, a fee of \$100 will be imposed upon that club.

1.6 Individuals and Clubs will be notified via their Club President in writing of any case to answer and the time and date of a convened hearing. Those requested to attend a convened hearing into the matter are compelled to attend or have a representative attend in their place.

1.7 The following is indicative of the form of response that may occur:

Breach	Description	Remedy	Referred
Level 1	Minor Indiscretion	Individuals name recorded; counselling, mediation or apology if appropriate; official warning	Usually Not
Level 2	More serious infraction or repetition (within 3 years)	Suspended sentence or loss of membership rights; possibly the assigning of the individual to a mentor program by the League; counselling, mediation or apology as necessary; suspended fine for club	Yes
Level 3	Serious Infraction or 'third strike' (third Level 1 or second Level 2 within 3 years)	Any of the above; OR potential suspension or removal of membership rights of an individual; fines and/or loss of competition points to a club/team	Yes

1.8 Indiscretions may be accounted for partly by an individual and partly by the club in which they are related to. As such penalties may potentially be apportioned to either an individual or club or shared. Clubs may be held partially responsible for the conduct of members and non-member supporters.

Promoting the Code of Conduct

1.9 All members must be given a copy of the Code of Conduct.

1.9.1 All players must be given a copy and sign (via registration form)

1.9.2 All coaches must be given a copy and sign (re-registration required each year)

1.9.3 All officials must be given a copy and sign the block 'Club Officials Code of Conduct Form' each year. Form should be submitted before Round 1. Those who cite and sign the form are to include committee, runners, team managers, match day officials and any other recognised support persons.
