Welcome & Presidents Report

WOW – WHAT A YEAR. PENNO WON ONLY ITS SECOND SYDNEY AFL PREMIER DIVISION PREMIERSHIP IN THE CLUBS 36 YEAR HISTORY, DEFEATING HOT FAVOURITES EAST COAST EAGLES (FORMERLY BAULKHAM HILLS) BY TWO POINTS. THE AFL WEBSITE SAYS THE GAME WILL GO DOWN IN HISTORY AS ONE OF THE GAME'S CLASSIC MATCHES PLAYED IN APPALLING CONDITIONS.

Although ECE were premiership favourites having gone through the season undefeated, our form during the two earlier finals games was outstanding and many of us at Penno were quietly confident of winning the big one.

Congratulations to the ECE club for an outstanding season, they were declared Club of the Year by the Sydney AFL and were undefeated minor premiers after the home and away games concluded. After the heartbreak of their grand final loss, I am sure they will be even more determined to win the flag next year and of course as premiers we will be just as determined to make it back to back premierships.

Season 2006 saw Pennant Hills field five teams for the first time, and in addition to winning the premiership our reserves and both U/18 teams were minor premiers with the "thirsty" thirds just missing the finals in fifth spot. We were a close second to ECE as the Club of the Year after winning the award in 2004 and 2005.

During the year Steve Cherrie, Tim Potter, Paul Folkard and Tim Kenny all played their 100th senior game with the club.

Alistair Richardson was appointed co-captain of the Sydney AFL representative team and together with Justin Barratt represented Sydney with distinction. Both Alistair and Justin were named in the best players with Alistair winning an award as Sydney's best player.

Congratulations to the above for their achievements and to all the players who contributed to our premiership win.

I must make special mention of our coach, Michael Cousens, who in his first year of coaching has achieved the ultimate success, a premiership.

At the time of writing our Secretary/Treasurer Alan Brawn and former Vice President and committee member Kevin Talbot will not be standing for re-election next year. Kevin and his wife Pam are moving overseas while Alan and wife Lesley hope to enjoy watching the footy from the sidelines.

It has been a pleasure to work with both Alan and Kevin and together with their wives they have contributed so much of their time and energy into helping Pennant Hills continue to be the best football club in Sydney. We would like to say a big thank you to both families from all of us at Pennant Hills.

On behalf of P.H.A.F.C, players and supporters I wish to acknowledge and thank our coaches, the committee, and all our sponsors for contributing to such a successful season for our club.

Finally I would like to pay tribute to lan Parker and his wife Sally for their invaluable service to our club during my time as President.

Secretary / Treasurers Report

At the time of writing season 2006 will be my last year as a member of the executive and committee. I will still be available to assist, if required by the committee, where necessary and on match days as a time keeper.

A regret that I have is that the redevelopment of the playing surface and facilities at Ern Holmes Oval has not progressed to finality. The development of a premier AFL oval in the Hornsby Shire is included in the list of projects in the recently adopted Hornsby Council Sports Facility Strategy. However, the project is of low priority as a result of competing projects from more popular codes of sports and funding constraints. An injection of substantial funds from the AFL would see the redevelopment jump the queue. The increasing number of players who want to play with the 'Demons' means that increased and improved facilities are urgently required.

Sydney Football enjoyed a long period of stability in its management until 2002 when Peter Hiscock resigned as Football Manager. In the ensuring four years there have 3 football managers, each with their own ideas, philosophy and policies. These changes have resulted in a period of uncertainty and instability. Hopefully any changes in the future will be minimal.

Once again we have enjoyed the cooperation of Hornsby Council and its ground staff. The Council and ground staff are to be congratulated on the ground surface especially in the current dry period and with the water restrictions.

Financially season 2006 was also a success. A small surplus was achieved. Having said that the surplus was achieved by a combination of the generosity of the Club's major sponsor and a 50% reduction in payments made to the first grade players.

Whilst the club appears to be in a sound financial position there are warning signs for the future.

Sponsorship has dropped from nearly \$74,800.00 in 2003 to \$52,200.00 this year. Our code is a poor relation behind Rugby League, Rugby Union, Netball and Soccer in popularity of winter sports. This fact coupled with uncertainty in the business community makes it hard to obtain sponsorship. In reality it is the network of the faithful which provides sponsorship or access to sponsorship funds.

The committee has introduced new fund raising activities being the golf day and the evening at Harold Park to raise much needed funds.

Decisions made by the SAFL, without consulting the clubs, being a withdrawal of a grant of funds albeit a small amount; an increase in the cost of the Fox Footy games and increases in the Umpire's fees did not help the club financially.

Whilst the efforts of the NSWAFL to develop the code at a junior level and in the Schools must be applauded the long term future of senior football, especially in Sydney, must not be ignored.

Consideration must be given to asist clubs, to enable them to recruit one or two talented players with employment opportunities within the NSWAFL for such players. The coach of Campbelltown is an example.

Junior Development Report

Late last year our club agreed to develop a formal program to ensure a pathway and transition exists for U16's to play Senior/U18's football with Pennant Hills Football Club. As part of our program we recruited a second U18's team (called the Devils) which in effect was a development & talented player squad and this team played in the Challenge Cup winning the minor premiership.

This was a fantastic achievement in the first year of the program. Many players in the Devils team progressed from the Challenge Cup and played in our other U18's (called the Demons) team which played in the Premier Cup Division. Sadly, as in the past, many of these young men playing in the Devils would have been lost to football or gone to other clubs if the second U18's team did not exist.

The program has been a very successful and a proven model providing a pathway to Senior Football. Alex Goodall (Westbrook), Josh Keen (Hornsby), Nick Campbell (Westbrook), Aaron Crisfield (Westbrook) and Tom Angel (Pennant Hills/Westbrook) have all played 1st Grade for Pennant Hills this season and we believe will all go on and have brilliant careers. What is very exciting is that all these young lads are still U17.

Our program has unearthed other players such as Bart Mill (Westbrook), Matthew Carter (Westbrook), Ranga Ediriwickrama (Westbrook), Daniel Jacob (Westbrook), Hayden Valle (Pennant Hills), Nick Lowe (Pennant Hills), Jack Schwarze (Pennant Hills), Cameron Smith (Westbrook), and Jack Hancock (Pennant Hills); all of these young men played or are current members of the Demons Premier Cup team and most have progressed through via the Devils development squad playing in the Challenge Cup.

Playing in both Under 18's teams this season were many former Westbrook, Pennant Hills and Hornsby juniors which are the future of the Pennant Hills Football Club and many of these players will go on and play senior football for Pennant Hills. It was interesting to note that our Senior Premiership team was made up of home grown juniors with only 3 players in that team not coming from a local junior competition.

I would like to thank both Hornsby and Pennant Hills junior clubs for their support over the season as we played many boys from the U16's up into the Devils to assist with their development and prepare them for U18's football next season.

Our talented player program will continue next year as will the 2nd Under 18's team and we are looking forward to seeing the next crop of youngsters come through the system.

I would like to congratulate the Club and Committee for coming up with this fantastic initiative and embracing this new concept of two Under 18 teams, also, to the Coaches particularly, Under 18's coach, Greg Barnes and Senior coach Mick Cousens who gave the Under 18's boys every opportunity to develop and play senior football.

Finally, congratulations to our senior team for a magnificent victory in the Grand Final, you are a great bunch of blokes.

Senior Grade Coaches Report

What a season it was in 2006! Not beyond our wildest dreams could we ever have envisaged the outcome that we realized on that magnificent day on September 9th. To take this opportunity to formally reflect on the last 11 months and consider the extent of what we achieved as both a playing group and a football club is a pretty challenging task but here goes!

It was eleven months ago that the interview process for the senior coaching role at the PHFC came to its conclusion. The recruitment committee that was formed to complete the abovementioned task decided to give me, a previously 'untried' coach and a very much 'unknown' individual to the club, the opportunity. I'd be the first to admit that it was a major risk but I can only trust or assume that the 'powers at be' believed that it was a calculated one. What I am sure of though is that it was a decision that I'll forever be eternally grateful for because never have I gained so much from a 'calendar' football experience in my life.

The opportunities that I saw for our football club at that particular point in time, having been involved with the club in 2004 as a player and as an occasional spectator during the season after could be best described as the following

- The senior list was a very capable list that could be developed further
- There was an amazing supply of under 18 players that constantly streamed through the club that could also be further utilized
- The club could be 'loosened' from an atmosphere point of view and finally
- The club could continue to grow in terms of establishing an even tighter internal and external community culture

In addition the objectives that I was hoping we could realize included

- To further develop both the offensive and defensive sides of our game
- To develop a list of players who were capable of playing in different positions throughout the field
- To generate a game plan that could adapt to all 'match day' circumstances regardless of the opposition, the ground size or conditions
- The bottom line was to hope to win a final in the event we reached that point of the season

The intentions during the early months (November/December) were to simply provide players a forum to commence some sort of training program acknowledging the fact that Christmas was approaching, cricket season was well and truly underway not to mention the fact that the footy season was a long way off in the distance. Our numbers fluctuated from 5 to sometimes 20 players of varying ability but if nothing else at least the opportunity existed for players and coaches to become better acquainted incrementally as opposed to on mass.

A summer training program was offered for consideration over the Christmas break (which I realistically trust very few players adopted) whilst the true pre-season commenced mid January. This was potentially the most difficult time of the year as we tried to (i). Juggle training venues as a reality of summer in Sydney but also in an attempt to implement a varying program, (ii). Recruit players as well as confirm players from season 2005 not to mention (iii). Finalize a practice match schedule which would hopefully include a trip to Wagga to take on a quality opponent from the ACT competition whilst at the same time give us an opportunity to come together and continue the evolution of coach/player relationships with a weekend away (what a blast that turned out to be!!!).

Amazingly what initially felt like a lengthy summer period of 'player management' which encompassed all of the above and a practice match program that could be best described as 'encouraging', all of a sudden the season was on proper and we were about to face the 2005 grand finalists in Western Suburbs, under lights in Round One on the Saturday night at Henson Park. The side that played that night was a very different team to the one that unfortunately dropped out of the 2005 finals race on Preliminary final day with no fewer than 7 players playing their first senior game for our club with many others embarking on their first full year of senior football. In many respects this game depicted how we were going to have to approach every game — with youth, with a running but accountable style of play and potentially above 'our playing weight' with little respect from the opposition. What a terrific night it turned out to be as all players in the chosen 22 played significantly well and our season was underway with a comprehensive victory of close to 40 points.

Between then and Round 18 there were many highlights. Between Rounds 5 and 7 we had a three week run of +100 point wins versus Balmain, Campbelltown and UNSW respectively, in Round 8 we enjoyed a 10 goal victory versus North Shore (our Achilles heal), in Round 10 we showed tremendous endeavor versus our arch rival in East Coast with only 17 players allowed on the field in the 'Back to Baulko' day, whilst during Rounds 13 and 15 our efforts in 'away' wins versus St George and Campbelltown (who'd improved incredibly over the course of the season) were first class and provided much encouragement throughout the year.

But of course with the highlights came numerous lowlights which are all a part of the roller coaster that is football over any given season. Long term injuries to Captain Max Talbot, Nick Potter, Clint Setford along with the long term suspension to assistant

coach Laine Spencer all took their toll throughout the year. Lesser performances versus the likes of East Coast in Round 2 and St George in Round 4 were inevitable but more critically the return game in Round 12 versus Western Suburbs and the mind numbing losses in Rounds 16 and 18 versus UNSW and North Shore respectively caused their own share of grovided us an opportunity to 'learn from our mistakes'. The beauty of not only football but life itself is that we typically learn more from our misfortune than we do from our victories and ironically I am certain that these 'moments' served us incredibly well come September whilst for our eventual end of year opponent East Coast they hadn't 'afforded' themselves the same 'luxuries'.

The finals were an incredible time. We went in wanting to simply win 'a' final. As history shows our 'end of season' hiccups versus UNSW and North Shore saw us loose the double chance that we'd predominantly held throughout the year and we were going to have to take on St George in the 'knock out' semi. It was this match that proved the most pivotal to our finals campaign. From the 20 minute mark of the second quarter in that game to the final siren versus Western Suburbs in the Preliminary final the following week we displayed what could only be described as 'champagne football'. We were quick, skilled, dogged, fierce and uncompromising. Our opposition didn't stand a chance and throughout this period our boys established an incredible belief and resolve that they could achieve anything. This they did by way of what we called our 3 part story on Grand final day against East Coast.

That grand final day will forever be firmly entrenched in my memory from the day it occurred until the day my life long journey ends. Even writing about it now sees me have to stop and take a breath. Our boys were nothing short of amazing. Every single player did exactly what they were encouraged to do be it generic to the group or specific to the individual. I really can't help but be incredibly proud of all of them as well as those who unfortunately missed selection for that game. Much as Round 1 was an representation of how our year was going to have to be approached the grand final rounded out that reality in so much as again we were young, few outside of our club respected us, we were playing out of our weight both physically and chronologically whilst our style, structure and attitude needed to be true. Such was the belief amongst our group on that day, not to mention the many supporters throughout our club I would confidently suggest that it eventuated in what would have to be one, if not the most incredible victories in the PHFC's history.

Might I offer the following acknowledgements (in no necessary order)

Laine Spencer – for your assistance. You were incredibly supportive and willing to help me in every instance. You should take pride in what you were instrumental in helping the club realize

DK, Yards, Doaks, Barnesy and Harry – as coaches you didn't stop 'supplying' knowing that your individual goals may have to be compromised for the sake of senior success. I hope you took pride from what you did in winning the premiership Stephen Barratt – for approaching me to consider coaching in the first place not to mention your support on the fence

lan Parker – for your tireless work and support

Leo Browne – for your quiet but impacting encouragement and guidance To the PHFC committee – for the faith shown

To the parents, wife's, girlfriends, families and friends of all of us — nothing could be achieved without your support

My final and most significant acknowledgements however need to go to the two following groups

The players — every single one of you. I have always suggested that football has never disappointed me in terms of the constant opportunity it's provided in terms of meeting people and fulfilling my life in that way. You guys have taken the cake. Be assured that you have given me so much this year that I will cherish forever. I can only hope that I might've done something for you all in return

To my family – to Relly, Joel, Zach and Tait. I measure wealth in family and the people that I call friends. As both my family and best friends I'm clearly the richest man in the world. Thank you for the freedom, support and joy that you've given me in sharing the experience that has been 2006. With much love.

In a closing, as I look back to the previously mentioned opportunities and objectives that I felt existed for our club I can't help but be extremely satisfied with the year as I feel that most of them were genuinely realized. Importantly though, I feel certain that even if we'd lost on grand final day, I don't think I'd feel any different. It was a year when a group of many people came together, worked extremely hard, shared and acknowledged the opportunity that existed and inevitably fulfilled that opportunity in a fabulous way.

A hearty congratulations should be shared by all of us as no one person achieved anything but collectively we were incredible.

Sincerely to all at the PHAFC

Reserve Grade Coaches Report

Once again the Reserves had an extremely successful year finishing Minor Premiers and Grand Finalists.

However all players and coaches couldn't help but feel we certainly didn't achieve our one and only goal of a Premiership. Losing the Grand Final by 4 goals on a windswept and rainy day was not the ending to our script we had written at the preseason launch held at PHBC.

There were many many highlights throughout our season and none more so than our comprehensive 2nd Semi Final win over eventual premiers East Coast. This was without doubt our best game for the year against a side chock full of first graders. For the first time all year our younger players (Aitken, Goodall, Porter) played to their potential and our older brigade (Yard, Kenny, Brawn, Gray, Hatherley, J Low, O'Connor) led from the front.

Other highlights include beating East Coast on their much publicised "Back to Baulko Day". In front of a large crowd we played some great footy and probably should have really run away with the game as a few late goals were kicked against us.

Hayden Benger kicking 10 goals in a game, winning the league Goal Kicking and best of all winning the league B&F Sanders Medal much to his surprise and his coaches sitting next to him at the awards dinner at Homebush.

From a development point of view it was a fantastic year.

The "older brigade" as named above and including (Gooley,
Wheatley, Cherrie) were continually called upon to pass on
knowledge and help develop the talented youngsters who have
graduated from the Under 18's in the previous years.

Aitken, Jack, Connors, Myers, Goodall, Akmens, Eddy, Fitzpatricks, Rankine, Porter etc all benefited greatly from the experienced "older brigade". Many of these guys played regular first grade throughout the year and sets the club up for a strong campaign in both Senior Grades in 2007.

Many thanks to our Skipper Blair Hatherley who had a somewhat interrupted year with injury and suspension. The club certainly hopes he comes back for "one last tilt" at the elusive 2's Premiership.

Peter Myers did another sterling job as team manager.

Everything was organised perfectly and his continued professionalism is an asset to the club and an example for other team managers.

To our physio Lauren... many thanks. Having to put up with troublesome, quick witted young fellas plus the cranky old and breaking down "older brigade" you really did deserve a premiership medal.

We must thank the lads for all the various roles taken on match day including Peter Fitzpatrick (trainer), Mick Brown (runner), Brian Peakall (runner) Dave Marscham (runner) and Danny Ryan our finals series runner

To Paul "Ging Gang" Gooley & Ian "Buckets" Wheately we thank you for your service to PHAFC and wish you all best moving forward and hope we can have you both as a celebrity runners at some point in season 2007.

Final congratulations to all other Pennant Hills sides, with 4 out of 5 sides playing in finals, 3 on grand final day, we think the year overall was very successful. The magnificent win by the first grade guys will certainly be remembered for a long time to come and removed some of the pain from the the reserve grade loss.

To the other coaches, thanks for the efforts you put in throughout the year and wisdom that you bring to the selection table.

With a great blend of young and old ready for 2007 we look forward to the ultimate success in 2007.

def UTS	6	5	41

Third Grade Coaches Report

Thirds showed significant improvement in 2006, with 7 wins from 11 games. We finished in 5th place out of 13 teams, one win out of the top four. The season commenced with the Thirds playing away against three of the stronger sides including the prior year's grand finalists. The resulting 1 win from 4 games was not an ideal start though the players did not drop their heads. They responded magnificently by playing entertaining football to win 6 of the next 7 games. Unfortunately 3 washed out games made our run in to the finals very challenging and we were one win short of finals football which was the season's goal.

The highlights of the season included a fantastic win in round 6 by 51 points over the eventual second placed side UNSW Bulldogs. Against tough and experienced opposition we played great team football and managed to shut them out of the game in the third quarter by kicking 5 goals. Star performers in this game were Hound with 5 goals, Ben Miles defending gallantly and then creating play from the back line, Joel McMullan dominating the ruck and Mathew MacDonald in the centre. It was a scintillating display and showed how the team can perform when playing for each other.

Another great result was against the UTS Green side in round 8. We faced a surprisingly strong second string UTS side away at Trumper and clinched the win in the final few minutes by 9 points. In this game the Young brothers starred for the team kicking 5 magically goals between then out of the teams tally of 10. It was also a game where Aaron Carlini proved how far he had developed his football smarts by creating a great team goal. This game showed how Thirds must be; they must always show respect no matter the opposition.

We also won a very intense game against the Uni NSW second side the Whales by 4 points in extreme wet and muddy conditions. The final few minuets were frantic as players from both sides threw themselves into the mud in an effort to win the game. Punter and Carr's 3 and 2 goals respectively and Pat Barclays running cemented a close and very satisfying win. The jumpers were so caked in mud that they required 3 washing cycles. Many thanks must go to Judy Carlini for taking this challenge on a regular basis.

Our last game against Cronulla Sutherland with a younger and enthusiastic side was a passionate occasion. While we had kicked 2 goals 15 behinds to be in front by 9 points at half time, the break inspired the team to score 15 goals 8 behinds in the second half and run out winners by 100 points. In what was a final game for Captain Craig (Harts) Hartley and VC John (Hound) Rakic, the effort and desire shown by the newer players who will be taking this team on in the future was inspiring to see.

For a season to be enjoyed by the 57 Thirds players there are many thanks you to bestow. To our fantastic team manager Shona Hartley, support staff, other game day assistants and Christie Carr for the after game sustenance of muffins held in the opposite hand to the beer. Third grade could not function without your time and efforts. Thank you to lan Parker and the committee along side Alan Brawn who are great supporters of Third grade. Alan we will all miss you. Thank you also to the other senior coaches on their finals efforts. Cousy and first grade you delivered a sensational result that we can all celebrate in and be proud of.

This year two of the founding and spiritual team members of Thirds are hanging up their boots. Harts played an outstanding 155 games with the club and Hound finished with 164 games. Harts has been our Captain for the last 4 years and a strong inspirational leader. Hound has been one of our vice captains and has also displayed strong leadership and much needed toughness. Their expertise and experience will be greatly missed. Thirds have given them some wonderful memories and friendships. Congratulations on outstanding careers. We know we'll be seeing you around the club or even in the 4ths or the over 35's teams.

Third grade had many new players including Matthew MacDonald, Brian Peakall, Paul Smith, Patrick McBriarty and Reece Eckersley who joined us from the Parramatta Goannas. They along with Chris Marathakis, Chris Pearce and Nathan McClean added significant depth and experience to our side. These players along side a couple of players returning to the Demons and a few graduating through the ranks from the u18's side provided a wealth of talent. The competition for individual honours was tough and the following players provided stand out performances.

Best & Fairest. Joel McMullan decided to give AFL another go in an effort to get fit, after a two year absence. In his first season with Thirds he dominated the ruck and gave us first use of the ball on almost every occasion. When he was not winning the tap he was running around being mobile, tackling, yelling encouragement or taking marks. He played 9 games kicked 4 goals and was our highest scoring player for the division's Best and Fairest award — the Armstrong Medal. Congratulations Joel, Thirds are looking forward to another outstanding season next year.

Runner Up: Ben Miles was a well deserved Best and Fairest runner up this year. Thirds welcome Benny back after a year's break and he quickly got back in the action. His pace and hardness for the ball was one of our strengths and he promptly gained the team's respect. He is a great talent and with further senior experience he can challenge for a reserves spot next year. On the several times that he was moved to play on the ball he confidently took the opportunities in both hands to dominate the opposition and give his team mates first use of the ball.

Most Consistent: Chris Marathakis was a new player to Pennant Hills this year and he delivered a strong and result influencing game at fullback every week. He was the first player picked each week and led by example, repelling countless opposition attacks and turning them into opportunities for his team mates. His strength and dominance of the fullback position limited his opportunities up field but he put the team before his own game and some of the tight wins where a direct result of his efforts.

Best Team Man: Brain Peakall was an enthusiastic addition to the Thirsties. He was always at training and helping out around the club. His effort to immediately bounce back up off the ground after running with the flight of the ball and being on the receiving end of a suspect hip and shoulder was incredible. The inspirational incident was during the tight game against UTS Green and his courage was a significant motivating factor in the teams close win. He was the ultimate team and club man.

Most Improved: Karl Liang in his first year displayed fantastic improvement starting with a couple of intra club games before playing in two club games. He was dedicated to training and this paid off as his understanding of the skills and fundamentals of the game significantly improved over the season. He now has a great foundation to build on next year.

Coaches Award: Joel Richardson is a second year player for the Thirds. He has taken all the opportunities that have come his way in the 5 games that he played this year. He is a staunch defender in the backline with surprising pace. He lays very tough tackles on the opposition players but also takes their hits without a blink of an eye and is always trying to improve his game.

Players Player: Matthew MacDonald was another new recruit that added plenty of experience and character to the side. His assistance and input at training sessions with drills was greatly appreciated. He played defining games in our very important wins against the Balmain, UNSW Bulldogs, UNSW Whales and UTS Green.

Others to have a fantastic season were Michael White, Chris Hillard, Ben Young, Michael Sullivan, Chris Pearce and Tim Young. It was also great to see the eagerness and improvement in the rest of the team especially Pat Barclay, Dougal Barraclough, Dean Lestal and Tristan Smith. These players where supported by Jaons Carr, Warwick Jackson, Rob Green, Alex Atkinson and players from the reserves who came down for game time.

Its time Thirds made the finals again so there will be a concerted effort to match the successful performance of the other teams in the club. Next year there will be changes to the second division so with further improvement and commitment to the cause Thirds will be looking forward to being back in finals action.

Demons in Action - Grand Final Day Magic!

I would firstly like to say thanks for having me involved with the club, in this my 7th year. Chicken assures me that when I make it to 10 years he will replace my year 2000 issue tracksuit! On a personal note this year has been a particularly difficult one, and early in the season when some bad news arrived I considered giving it away and devoting the whole weekend to the family. The club does provide an enormous amount of enjoyment, friendship and support, and I knew this would be too hard to give up. Thank you to my wonderful wife Debbie who has supported my continued Demons involvement 100%. To see the club do so well in all grades and win a second 1st grade premiership was something very uplifting indeed. Thank you to all the managers and coaches, especially Chicken, Cuz, DK and Yardy, for being so easy to work with all year.

I would also like to thank my excellent posse of physio co-workers, that being Lauren Cain (Reserves/18's premier) Hannah Rhook (a very popular choice in 3rds), Lauren Russell and Jessica Goldacre (18's challenge). The feedback I got back from players and coaches on these wonderful girls was excellent (on their physio work that is). In her second season with the Demons, Lauren C did an excellent job, and she deserves a special thank you for looking after first grade on numerous occasions when due to personal reasons, I was unable to attend games. Word has it that Hannah was much loved in the 3rd's, and never before has the volume of tape been used in this grade. Somehow I think this had something to do with the popularity of the physio. Rumour has it that Rooster was responsible for using most of it. Hannah also did particularly well to deflect some reported persistent requests by a certain player to go out on a date.

In previous years I have kept the detailed injury statistics on senior and reserve grade. For a few reasons, I did not do it this year, so rather than bore you with injury statistics, I will leave you with a few stories and notes from what was such a memorable year. I do know that 2006 was a good year in relation to the number and extent of injuries sustained, and this often made the job a little harder for the coaches with selections. It was disappointing to see a few players missing out at finals time due to injury, most notably Tim Potter (finger/knee), Ben Akmens (AC joint) and Paul Folkard (hamstring). I would like to nominate a few players for a few physio awards for the 2006 season. These awards are namely:

The Optimism Award: Alex Huggins – for declaring himself fit to play in the grand final just 8 weeks after an ACL knee reconstruction. Unfortunately, the same optimism wasn't shared by medical and coaching staff.

The Frank Sinatra Award: Without a doubt this must go to Clint Setford. If you're not sure why, just ask him on what his approach was to managing his rather serious mid season knee injury and he will tell you, "I did it my way". (Other players who also polled well here were Jason Clarke, Alistair Richardson and Shaun Jones).

The Silk Award: Must go to the silky smooth Jono Moraitis. Young Jono broke his nose early in the season and had an unprecedented 3 months off it seemed. To his credit he came back stronger than ever, and when he came off during the final series with a bloody nose he must of said "is it broken, is it broken?" ten times in the space of 5 seconds.

The Mafia Award: Goes to Michael Cousens for taking an extended ride in the boot of someone's car on mad Monday and living to tell the story. Fortunately still had mobile reception in there, so safety was assured Narelle.

The High Maintenance Award: Nick Potter.... for his fussy taping requests. Could be a warning to all the girls out there....might be a high maintenance bloke all round. Worth mentioning he also had the comeback of the year award for bouncing back from doing his posterior cruciate ligament in his knee in the first few minutes of his first game with Penno this season.

The Elasto Award: Michael Talbot managed to again take the award for the most tape used this season, despite only playing half the games due to a fractured wrist. This enabled the club to post a small profit this year, which was very pleasing to lan Parker and Alan Brawn.

The MBF Award: goes to Laine Spencer for using a dodgy health fund card at the mighty Westmead Physio establishment. Tamara had forgot to tell him she'd cut off the physio coverage. Will now be using the Setto rehab approach.

The "it's worse than it looks" Award: Must go to Lloyd Shepherd for his now famous lower leg corky than saw him miss possibly half the season. If only Lauren had been rubbing the correct area he might have been back in half the time.

Finally I would like to take the opportunity to thank those who supported the Best Breast Ball fundraiser. We had 50+ Demons there in what was a great night. Looking forward to seeing you all for the 2007 season.

Yours in sport,

GREG CASTLE (The Phantom)

Club Sponsorship

It is with sincere thanks and appreciation we acknowledge the support our club has received from all our sponsors. It is no secret that all Sporting Associations depend heavily on the support and good will of the Business Community to cope with mounting operating costs.

This year we have been fortunate to have 2 "stand out" sponsors who I especially wish to acknowledge.

The ARA Group has, as in previous years, been exceedingly generous making our viability possible. The ARA Group is our major sponsor and as such the players and supporters at Pennant Hills Australian Football Club says thanks again to the Management and Directors of ARA.

A decision was made at the beginning of the year to relocate the social side our Club to the Pennant Hills Bowling Club. This move allowed us to include the under 18's to participate in, after training, post home game and our club social events. The Pennant Hills Bowling Club has been a pleasure to work with and has sponsored us generously on a pro rata basis on purchases made by our Club and members. History shows that, the last time we won the Senior Grand Final (2000) we were using the Pennant Hills Bowling Club as our social venue!

To all current and prospective Sponsors, Advertisers and Supporters, we can always use any financial support available. Our Club is growing yearly thus offering a bigger prospective customer base to advertisers, give it some thought!

Be it a minor or major commitment, Pennant Hills Australian Football Club is indebted to those who provide sponsorship assistance. Please support those who support us by considering our sponsor's products or services.

Many Thanks,

PAUL LAING
