## 2018 Player Auction - Rules & Regulations

7. Following the introduction of each grouping, bids will be taken until, in the opinion of the auctioneer, there are no more bids. The highest bids on the night are then posted on the club web site [www.phafl.com.au](http://www.phafl.com.au) and further bids may be made by referring to the website or by contacting Ian Parker Mobile - 0428 261 984 or send email to [parkeri@bigpond.com](mailto:parkeri@bigpond.com) until 9.00pm on Friday the 6<sup>th</sup> April 2018.

8. All dividends will be paid according to the percentages shown in the breakdown of payments (the breakdown of payments will be made available once final auction bids have been accepted and confirmed at the close of bidding, and the total prize \$\$ pool has been established).

9. If a player is bought and then misses any matches through injury, suspension or unavailability, no portion of the investment is refundable.

10. The weekly payments in the Player Auction will run for all the home and away matches played by the Club in the respective Divisions. There will be no payments for any finals matches. In the event of any ties in the Best & Fairest standings at the end of the season the money will be pooled (for the positions tied) and split amongst the owners of those players.

11. The amounts of the weekly payments will be rounded to \$5.00 multiples.

12. Should a match not be played for any reason the weekly amounts will be held over for when the match is played? If the game is abandoned altogether the amount will be added to the end of year Best & Fairest pool and split as per the percentages shown on the breakdown of payments.

13. The final decision on any rules, or any matter that may have been overlooked, will be made by Ian Parker after consultation with the Club Committee.
