

Opportunities @ McDonald's Australia

<p>NEW! Assistant Accountant Level 7 Thornleigh, NSW Full time Applications close Monday 27 May</p>	<p>Due to an exciting internal promotion (tune into the People Moves comms); we have an AA role available in the Corporate Accounting team. This role is responsible for processes including asset management, month end close, reconciliations and McOpCo rents. We are ideally seeking someone with a CA or CPA, however will consider relevant experience or drive for future finance career.</p>
<p>NEW! Reporting Manager (Finance) Level 4 Thornleigh, NSW Full time Applications close Friday 31 May</p>	<p>This is a brand NEW role @ McD as Reporting Manager. The purpose will be to drive a more efficient reporting process through managing the day-to-day reporting function and to build management dashboards/reports/models. This is a senior appointment and will call for 8 years' experience in a similar role, with prior exposure to managing teams and complex stakeholders. We are also seeking a BA in Finance/Business/IS, with experience in process improvement highly desirable. (A great role to refer to your wider external network!)</p>
<p>NEW! Senior Consumer Insights Manager Level 4 Thornleigh, NSW Parental leave contract Applications close Friday 24 May</p>	<p>This is a niche skill role, in the space of Business Insights/Consumer Research. It is to cover 12 months parental leave and will involve leading the development for our consumer insights and resulting actions/recommendations. You will deliver insight, drive understanding and conduct research trials. For this one it's essential that applicants have prior knowledge in a similar role and relevant qualifications in marketing/research.</p>
<p>NEW! HR Contractor – Enjoyment Index Level 8 Thornleigh, NSW Part time casual/contract 3 days/week Timing: July – August & September</p>	<p>Every year we run an Enjoyment Index in our restaurants and as a part of the 2019 project, we are looking for a part-time contractor to jump in and support throughout intermittent periods in June through to September. This role will see you entering and extracting data in Survey Monkey so to set up, implement and deliver the survey successfully. You will also liaise with stakeholders AND support with the results when they are available in September. Project Management skills are ideal, but we are mainly seeking someone who is diligent, thorough and able to commit to the entire project timeline. Due to the nature of this role it unfortunately cannot be offered as a secondment for any employees who are employed full-time.</p>
<p>NEW! Development Manager (Design) Level 5 Thornleigh, NSW Full time Applications close Friday 31 May</p>	<p>Accountable for the Design and Documentation Australia-wide, this national role is a crucial part of the NDG design team. It is very niche, requiring a minimum of 4 years' experience in the architectural/design industry and skills in Revit/AutoCAD and/or SketchUp. You will liaise with a whole bunch of stakeholders including McD staff, licensees, our design company and suppliers.</p>
<p>NEW! Assistant Brand Manager Level 6 Thornleigh, NSW Full time Applications close Friday 31 May</p>	<p>An exciting and rare opportunity has become available in the National Marketing team as the assistant Brand Manager! We are ideally seeking someone who has studied marketing/brand management at uni (and to get us really excited, you'll have 1-2 years' experience up your belt). However, we are very open to entry level/junior candidates either from the restaurants, a previous internship or your external networks.</p>
<p>NEW! State Marketing Consultant Level 5 Thornleigh, NSW Full time Applications close Friday 31 May</p>	<p>A brand NEW role has been created in the State Marketing team as a L5 Marketing Consultant. Reporting to the State Marketing Manager, and working closely with the Marketing Assistant; this is a meaty role for someone with a hunger for promotional campaigns. Franchisee facing, this position involves lots of stakeholder management and will see you managing the agency relationships and working closely on local operational activities. Marketing experience preferred, but not essential. Tertiary studies will push you ahead of the crowd.</p>

<p>NEW! Refrigeration Technician (Year 4 +) Level 6 Thornleigh, NSW Full time Applications close Friday 31 May</p>	<p>Reporting to the Technical Services Manager, this technician role will see you providing professional, courteous and technical support to each of our restaurants. This is a specific trade role, and so we are seeking someone with a refrigeration qualification. Ideally we are seeking someone who has finished their trade, however we are open to accepting anyone in their 4th year of apprenticeship. Previous restaurant crew experience will get us really excited, but this is not essential!</p>
<p>NEW! S. Equipment Development Manager Level 4 Thornleigh, NSW Full time Applications close Friday 31 May</p>	<p>Sitting in the RSG/Operations team and reporting to the ANZ equipment lead, this senior specialist role will see you strategically planning and executing a process for developing and delivering an effective “next generation” kitchen equipment platform. You will be responsible for sourcing, developing and approving all equipment released into the system with a focus on performance. This is a senior specialist role, and leadership skills are essential. Also desired is exposure/study in the area of equipment. To get us <i>really excited</i> you will also have crew experience; however external applications will still be considered.</p>
<p>GLOBAL ROLE: Project Manager Thornleigh Based 12 month max term contract</p>	<p>This PM role in global will see you delivering innovation for restaurant based technology to a large number of markets. A great opportunity for a driven individual to provide their wealth of experience to drive quality outcomes. We are ideally seeking a PM who has demonstrated success in delivering technology outcomes.</p>
<p>GLOBAL ROLE: Deployment Lead Level 4 Thornleigh Based Full time</p>	<p>This is a fantastic role in global for a good communicator with excellent project management skills who is looking to further their Global Technology career. The role collaborates with both supplier and global team engineers, product leads, project leads, product trainers, PMO, managers and employees to deliver & support 3PO integration services for markets within the major market segments.</p>
<p>S. Development Manager (Construction) Level 4 Thornleigh, NSW Full time Currently interviewing, applications considered</p>	<p>Reporting to the National Head of Design/Construction, this senior development role will see you managing new restaurants and reinvestment projects in NSW/ACT. The role involves coordinating site investigation reports, managing the development and coordinating the handover process. We are seeking strong PM and construction acumen and someone who with leadership skills/potential.</p>
<p>Senior Case Worker – Injury Management Level 4 Thornleigh, NSW Full time Applications close Friday 31 May</p>	<p>Sitting in the National Workplace Safety team, this Injury Management role will see you looking after injury cases for McOpCo restaurants in NSW/ACT. It is a level 4 role, so involves senior capability and calls for an individual with leadership skills. You will ensure all claims handling is in accordance with state legislative requirements and provide professional advice on the development of strategic plans. We are ideally seeking someone who has development skills in injury management, and exposure to a self-insurer environment.</p>
<p>National HR Manager Level 3 Thornleigh, NSW Referrals considered</p>	<p>This role is officially closed for applications, however referrals <u>will still be considered</u> for the Corporate HR Manager role. It is a department head (Senior HR/ Head of HR equivalent) position that will see you managing the ER/Engagement/Policy/Rewards projects and generalist HR duties.</p>
<p>National Marketing Manager Level 3 Thornleigh, NSW Full time Referrals considered</p>	<p>The National Marketing team has an exciting senior vacancy as National Marketing Manager. This leadership role covers a large national remit and calls for an experienced professional to join the team in Department Head capacity. This role is advertised on LinkedIn if you would like to share with your network: https://www.linkedin.com/jobs/view/1273685467/.</p>
