JA & Ranga

Pennant Hills has been privileged, as a club, with regular Grand Final victories across our teams in recent seasons. While the 2019 did not see any Grand Final victories, it was undoubtedly an incredibly successful season. As club we pride ourselves on the motto “club, team and self” and across these three areas 2019 was an outstanding success.

In 2019 we fielded an incredible 9 teams, comprising 5 men's teams, 3 women's teams and an under 19s men's team. We registered the highest number ever of 359 players and coaches to support these teams.

With two Grand final appearances (Premier Division Reserves, and Men's Division 1), two preliminary final losses (Premier Division Men by 4 points and Women's Division 1 by 1 point) we played deep into the finals series and a note of congratulations to all players and coaches for these achievements in 2019. A special note of thanks and congratulations must go to our Premier Division coach in Chris Yard, who continues to bring the best out of our playing group at the right time of the year. While we were only a kick off another Grand Final in 2019 we have a young playing group who have the foundation for not only success in 2020 but in the years beyond.

2019 was also a year with significant individual success at a Sydney AFL level with Ranga Ediriwickrama winning the Phelan medal as the best player in the men's Premier Division, Harry Maguire winning the Rising Star Award and Allen Abbott being awarded the Sydney AFL Volunteer of the Year Award. This combined with Jessie Donovan winning the “Boy O Boy Wowee” award for her after game surprise engagement proposal had 2019 as one of our most successful years for individual awards and recognition.

At a club level, with a large number of teams, we recognise numerous players and coaches for their outstanding years. In 2019 I would like to specifically recognise Theo Moraitis and Mikaela Mahony as our Premier Division and Women's Division 1 Best and Fairest winners along with Alastair Hey receiving the President's Award and Regan Pinker the Club Person of the Year Award. Along with Regan a note of thanks must go to the overall Pinker family for the role of running the canteen not only through the home and away series, but also through the finals series. Led by the “Superstar” Jack Pinker and the Rene family (Jacques and Judy) we exceeded all expectations and cleared nearly \$45,000 in profit from the 2019 canteen finals series.

As a growing club we recognised the need for an expanded volunteer base and committee in 2019. This resulted in a number of players stepping up this year to join the committee and we thank and acknowledge the work of Matt Carey, Tom Edmonds, Nick Hey and Eleanor Rugg who joined the committee in 2019. We also made the significant appointment of Melissa Adams as first ever Player Welfare Manager. Not only has Melissa championed mental health across the club but lead our inaugural Mental Health round where in excess of \$5,000 was raised for Beyond Blue.

From our strong base of 2019, 2020 promises to be a special year for the club. Our Women's Division 1 team has been promoted to the Women's Premier Division. This is an outstanding result for our women's program who after only a short 4 year timeframe now play in the highest level of women's AFL in NSW. Our women's program led by Mark Carroll and Daniel Fielder have built a foundation for long term success and while 2020 will be a major step for the women's program we now have a pathway for local young girls to compete alongside the NSW AFLW players. Well done to all involved in the outstanding success over an incredible short time frame.

In 2020 we aim to expand to 4 women's teams, and importantly add an additional second under 19s team. 2020 will also see our inaugural Men's Masters Team, led by Peter Carey.

To support this continued team growth, we will also have some of the best facilities in Sydney AFL. In 2020 we see the finalisation of the upgrade of the top oval surface and completion of our new clubrooms. The ability to have our “Club Thursday” in an indoor space, watch games from a covered balcony and rooms and move to the clubrooms after home games will be a “game changer” for the club in 2020.

Finally, while 2020 is an exciting opportunity for the club a final note of thanks must go to all those who have laid the base for 2020 these include all coaches, team managers and importantly our club sponsors. Thank you to Steve Taylor at Total Constructions, Leo Browne (and the Browne) family from Ritera Electrical, Dave and Natalie Pinker at Forum Group, Phillip and Kate Moraitis at National Weighing and Instruments, Sam and Dianne Dell'Aquila at Mobilemec Mechanics, Tom Angel at TCA Electrical, Kerry James at Bankstown Locksmiths and the West Pennant Hills Sports club as both a sponsor and a “home” for our club. Without the support of our sponsors we would not have been able to grow the number of teams and provide the positive environment on offer to our players, members and friends. We look forward to your continued support in 2020.

Pennant Hills AFL Club

With some trepidation we entered into the 2019 season with 9 teams, one more than previous season's Club record of 8 teams. The Club has come a long way in the last few years and is a different animal to that of the past, over 350 players and coaches requiring a massive number of volunteers to get those teams on the field each week.

With many new players, the challenge was to ensure the Club continued its successful on-field results of recent years whilst still retaining its unique culture. How do you instil in all the new comers the Club's motto "Club then team then self"? It appears this was generally able to be achieved.

The Club's on-field efforts were commendable although we lacked the ultimate premiership successes achieved in the previous couple of years. The improvement in the standard of our women's teams has resulted in recognition by Sydney AFL in granting women's premier division status for our top team in 2020. Who would have thought after the initial meeting to try and put a women's team together a little over 4 years ago would see this part of the Club where it is now?

On the field there was some outstanding efforts none greater than the Phelan Medal win by Ranga Ediriwickrama and the Sydney AFL Rising Star win by Harry Maguire. A wonderfully deserved Sydney AFL Volunteer of the Year Award to Allen Abbott was received with the appropriate rapturous applause on the night.

Our Under 19 team struggled manfully all season but it is evident the Club needs to support this group and their coaches more than it has and more needs to be done to attract and retain players from our junior feeder clubs. This will be a focus in 2020 as we work with the junior clubs to develop players and make their transition to the senior club seamless and something to look forward to.

The financial challenges faced by the Club each year continue to remain due to a combination of growth of player numbers and also the escalating cost of almost every facet of the Club's operating expenses. Financially we pulled a rabbit out of the hat with the incredibly successful outcome with the Blacktown Sydney AFL Final Series canteen and bar, a once in a decade opportunity granted by the Sydney AFL taken to new level due to the huge effort by many people at the Club. Particular mention needs to be made of Jack Pinker and the Pinker Family, Judy and Jacques Rene with the canteen as well as Phil Hare with overall planning, and Allen Abbott and Steph Tate with the bar.

What would have been a financial loss for the season was turned into a healthy profit thanks to the efforts of the above special group supported by the many volunteers too many to mention. This should however be a salutary lesson for the Club going forward as our expenses will continue to increase but a windfall like this will not come along every year and we will need to work very hard to breakeven let alone turn a profit.

The Treasurers Report commented on the increasing challenges in generating sponsorship and other income and we will need a concerted effort by all at the Club to support Club events, be mindful of the importance of paying registration early and in full and generally contributing to the Club (what can I do for the Club to make it better?).

A major break through this year was the appointment of Melissa Adams as our Club Welfare Manager and through Melissa a programme that enables Club people to have a confidential consultation with Melissa, a qualified Counsellor with the cost of the first consultation packed up by the Club.

The Club looks forward to an exciting future. The new clubrooms whilst delayed due to the necessary planning approvals taking longer than expected, should see the rooms in use during the 2020 season. This will be a real milestone for the Club and a fantastic thing for the Club socially. The increased volunteer base in 2019 helped the Club to achieve many things in 2019 but we need more and more of the same in 2020. Everyone in the Club has responsibility to find a way to help without being asked.

The results of those efforts will enable the Club to become even bigger and better in every way than it is now.

Season 2019 will not be remembered for Pennant Hills' premiership glory, but as we reflect on the season past, we have many reasons to celebrate success with both team and individual highlights.

Nine teams participating, 4 teams in finals, 2 grand finals and 2 prelim finals and mostly competitive across all grades will record season 2019 as a reasonable year, but we have probably fallen short of our own high expectations as a power club within Sydney AFL.

This year we bolstered up our coaching ranks by adding 3 new line coaches to support Chris Yard (Senior Premier Div Coach), with Damian Dell'Aquila, Lloyd Shepherd and Donny Ollington. In addition, we created the new role of Head of Coaching and appointed Trent Roddan, and welcomed new coaches in Drew Maddock (u/19's), Nick De Gorter (Women's Div 2) and Nigel Blow (Men's Div 3).

Our Women's program took another massive step forward with the addition of a third team lining up in Division 3. In just 4 short years, Penno have become one of the largest women's clubs in Australia, and next year we have been promoted into the Women's Premier Division competition. I'm really proud of how we have established our women's program so quickly and massive thanks to Mark Carroll (Head of Women's Football), Daniel Fiedler (Senior Coach) and Allen Abbott (Team Manager across wherever team needs him each year and week). A special mention of thanks must go to foundation player, Steph Tate who coached our Div 3 team, worked on the committee again this year, assisted AI with the bar, and also took the lead in presenting our successful submission for a Premier Division Team next year. Well done Steph, an exciting season ahead for our 2020 Women!

Under 19's football faced a major challenge this season again with lack of player numbers which resulted in 2 forfeits for the season, but on the positive also a few exciting wins against much stronger teams. On reflection, new Coach Drew Maddock was a standout appointment for season 2019. Drew spent most of the season either driving from work in Dubbo 4-5 hours each Tuesday and Thursday nights to make training or all Friday trying to rustle up enough players to participate in Saturdays games. I must also recognise the core band of players, who trained and played each week with restricted numbers yet never "gave in" when that seemed an easier option. Thank boys, it speaks highly of your character and aligns with the Penno culture of Club/Team/Self. Thanks also to Tom Edmonds, Nick Hey, Aaron Crisfield and Trent Roddan for significantly helping out Drew this season.

On the senior men's front, Div 3 coach Nigel Blow was fantastic this year and whilst the team missed finals footy, we were competitive in all games and if all players return finals footy is not far off.

Div 2 missed the finals in the last round of the season when a win was all we needed, but faced higher placed Sydney Uni and played out a draw. Coach Tim Wolnizer (T-Bone), had to do it all this year, play, coach, team manager along with being the Boardman. However, I must call out a thank you to Adam Nixon for his regular appearance of helping out T-Bone most weeks turning up early to assist before playing in later games.

Div 1 premiers from season 2018, the team again started the season off slowly and then built momentum as the year unfolded. Coaches Todd Williams, Brendan Gregor and Nathan Breen (Boxy) probably had the toughest decisions to make at the selection table every week across all teams, disadvantaged when higher grades were short on players and needed to steal a few, and then other weeks as players returned, created the challenge of squeezing down to just 22 players. It's the toughest job when coaching, but against this background, again making the grand final was an unbelievable effort.

Our Reserve Grade were awesome during the home and away rounds losing just 2 games and finishing clear minor premiers. Coach Jason Clarke indicated confidentially to the club that this would be his final year and a grand final appearance was a fitting finale. What a wonderful contribution Clarke has made to our club! After 30+ years as a player at Pennant Hills, he started his coaching career reluctantly as a fill-in to help out and then coached this team for 8 consecutive years, 1 premiership and 3 grand finals and has really left his mark on Demon history. Well done Jason, and we can only hope to secure your continued involvement in whatever capacity next season and beyond.

Our Premier Division team scraped our way into finals again this year and with 2 impressive finals games we looked the most likely challenger to the strong UNSW team for premiership glory, but for a 4 point loss to Sydney Uni in the preliminary final eliminating the opportunity. As mentioned earlier, our coaching panel evolved this year and my thanks for the contribution of Yardy, Shep, Damo and Donny who together formed a very strong coaching combination, along with the wonderful support again from Team Manager Michael Trenaman.

We celebrated many individual performances and milestone games this year, highlighted by:

- Ranga Ediriwickrama had an outstanding year winning the Phelan Medal
- Harry Maguire winning AFL's Rising Star award
- Four Rising Star Nominations. Brayden Campbell, Marc Sheather, Harry Maguire and Mitchell Blow
- Sydney AFL Team of the Year players: Stephen Wray, Ranga Ediriwickrama, Jackson Preedy and Theo Moraitis
- 250 games Kieran Wright
- 200 games Sam Widmer

Finally, big thanks to the many who help put our players on the field each week and work tirelessly for our club and the football department.

- Henri De Gorter as umpires coordinator was magnificent again this season
- Thanks to the band of club umpires (too many to mention), and Team Managers (too many to mention)
- Our Assistant Coaches across all grades
- Thank you Runners, Goal Umpires and Water Carriers (mainly players volunteering their time to help other teams)
- Ian Parker, Col Huggins, Alan Brawn, Rod Miles for timekeeping duties.
- John Acheson for player milestone stories, Rising Star submissions and outstanding contribution to Demon News updates. Inspirational JA!
- Lauren Wright and her team of physio's from Carlingford Active Health who again provided us with the most professional team of trainers across Sydney AFL.
- Adrian Browne- Junior Liaison Manager
- Trent Roddan- Head of Coaching.
- Sam Zikman for pre-season game scheduling
- Thank you to our Captains. Their leadership in all aspects has been first class.

Your efforts are truly appreciated and my sincere thanks to you all. Our football department will again evolve for next season so bring on 2020.

After missing out on the finals in 2018 for the first time in 16 years, the Premier Division group was committed to return to finals actions and that was achieved by finishing 5th in the home and away rounds. We finished on 10 wins and 8 losses in what I would describe a season of inconsistency. Some good, vs East Coast away and Syd Uni away, some poor vs Wests – losing by a total of 103 points over the 2 games, fair amount of average.

Our last 4 games comprised of 3 losses and I was somewhat concerned. I adapted my coaching approach through this period to be super positive regardless of the results as I was confident, we'd turn things around, although fast running out of time. We finally found some form in a solid win over Syd Uni in the last round. This saw us finish in 5th place.

The elimination final was against arch rivals in East Coast. That small amount of momentum gained, was critical, and we really played a fantastic 4 quarter game of finals footy. We physically and mentally destroyed East Coast, having 29 scoring shots to 11, winning by 48 points. We progressed quickly onto the Semi Final, against another rival – North Shore. North Shore had beaten us twice in the minor rounds and were certainly earlier on, a team to beat. Our plan was executed well by all, our pressure at levels that would have concerned other finals teams. Norths were, and we knew that if we could apply this pressure for an extended period, the game was ours. We did that to win again by 29 points, with a huge 30 scoring shots to 16.

Another preliminary final for premier division vs Sydney Uni. To put into context, some of our guys have played in 30 plus finals over their careers – an outstanding achievement. We knew what was required as we moved deep into the campaign. Unfortunately, we were really disappointing for 3 quarters. In tricky conditions, we were flat, and we played into Sydney Unis hands. This saw us down by 50 points at ¾ time after kicking 2 goals. We needed to take the game on and see what we could do. After conceding the first goal in the first minute we then went on a rampage, 13 scoring shots, 8 goals to lose by 4 points. To see the disappointment on many of the boys faces that our 2109 campaign was gut wrenching. We know that you need to turn up for 4 quarters deep into finals.

Another huge year with a record number of debutants 8 in all being Braedon Campbell, Brett Thompson, Charles Allison, Jonathan Moran, Marc Sheather, Mitchell Blow, Oliver Williams and Sam Eynaud

A personal thank you too many people have provided assistance to me over the season;

Assistant Coaches - Lloyd Shepherd, Damian Dell'Aquila, Don Ollington. We evolved our structure further, through the introduction of line coaches. These guys provided their line groups valuable feedback, took group sessions to hone skills and supported myself and the overall goals of Premier Division. Thanks lads

Coaches – To Jason Clarke, Todd Williams, Tim Wolnizer, Nigel Blow, Drew Maddock, Daniel Fielder, Nick de Gorter and Steph Tate. Whilst we failed to bring home a premiership, we've achieved plenty - grown the player base, developed and managed a diverse group without too many issues.

Michael Trenaman Team manager. Michael stepped in post JA health concerns. Huge thanks to Michael, who bear in mind, missed out on watching large amounts of Mitch's games due to his commitments to prems. Well done Michael, everything you did was done without issue and highest quality

Glenn Gunstone. Does so much off field work for the football department, and a massive sounding board for myself. I enjoy his honesty and general football knowledge and is someone I genuinely respect. Great work Gunner.

My leadership group – Led by Captain Tom Angel along with Matt Carey, Aaron Crisfield, Matt Thomas, Nick Hey, Tom Edmonds and new member Stephen Wray. What a diverse group, what a challenging group. A great group of men and leaders who continue to grow and lead our group

Dan and club physios – Across the club our physio play a huge role with all teams represented, Well done to all, be that communication, getting players up for games, it's always done so professionally.

President Josh Mott, Phil Hare and Committee – The abilities required to run one of Sydney's biggest clubs requires dedication and effort and this was once again uncompromising.

Playing Group – A group I enjoy, and I admire. We know that we all need to be better, as we all want that ultimate success. We can improve with the appropriate desire, so let's not talk about, lets action it.

2019 GRAND FINAL

Blacktown ISP, 14 September 2019

Pennant Hills Demons	5	9	39
lost to St George Dragons	10	7	67

Well what a difference a year makes. Let's talk about that elephant sitting in the corner. No not Evan Danilo. THE GF. So we lost. Had a chance to go back to back and blew it. Blew it cold. We collectively (both the Players and coaching staff) left our worst game for the biggest stage and were comprehensively beaten by the better team on the day. They're not wrong when they say GF's are hard to win, no matter how good you have been throughout the year.

Now that's out of the way let's celebrate what was otherwise a truly remarkable season. This year we surpassed even the lofty heights that we had managed set in our Premiership season. Not only did we finish top of the ladder with 16 wins and (only) 2 losses, but we led the competition in scoring, had far and away the best defence and finished with a whopping percentage in excess of 300!!

We defeated every side in the League, most notable wins include coming back from a 4 goal deficit against St George at Olds Park (with Brawny nailing a 40m bomb to wrest the lead in the dying seconds), a 30 goal drubbing of Manly (for those who suffered similar defeats against the Wolves in the 2012 season it was particularly satisfying) but most definitely the most spectacular/memorable was the win in the Qualifying Final.

In what was an epic match we trailed for most of the day to a rampant Bulldogs side. Behind by 2 goals in the last break we managed to kick 2 goals to nil and hit the front by the barest possible margin with minutes left on the clock, only to hold our collective breaths as a Bulldogs player had a shot after the siren to win the game. The shot went wide and with the scores level the Final went into extra time. Momentum was with us and we kicked the only 2 goals for the extra time period and went straight into the Grand Final. Alas that would be our last win for the year.

The Award Winners:

Best & Fairest – Matthew Preen - Stepping back from Premis due to study commitments BOP dominated the forward line, kicking goals at will. A sensational mark and kick he was all but unstoppable and was a deserved winner of the B&F.

Runners Up Best & Fairest – Damian Dell'Aquila - Was great having him run around in the Ressies, his skills stood him head and shoulders above the rest of the competition and he gave us that cool head and direction in the middle.

Most Consistent – Nate Mace - Finally got had a full preseason and played an injury free season. Was duly rewarded with his best season to date. Had he not played a large chunk of Premis could very well have given the B&F a real shake.

Best Team Man – Jake Gunstone - I do love this guy. He is Penno through and through and as reliable AF.

Most Improved – Charlie Allison - The Rugby convert started the season in Div 1 and finished starring in the Premis Division Finals series. Not only is he an absolute beast of a ruckman who loves the contest.

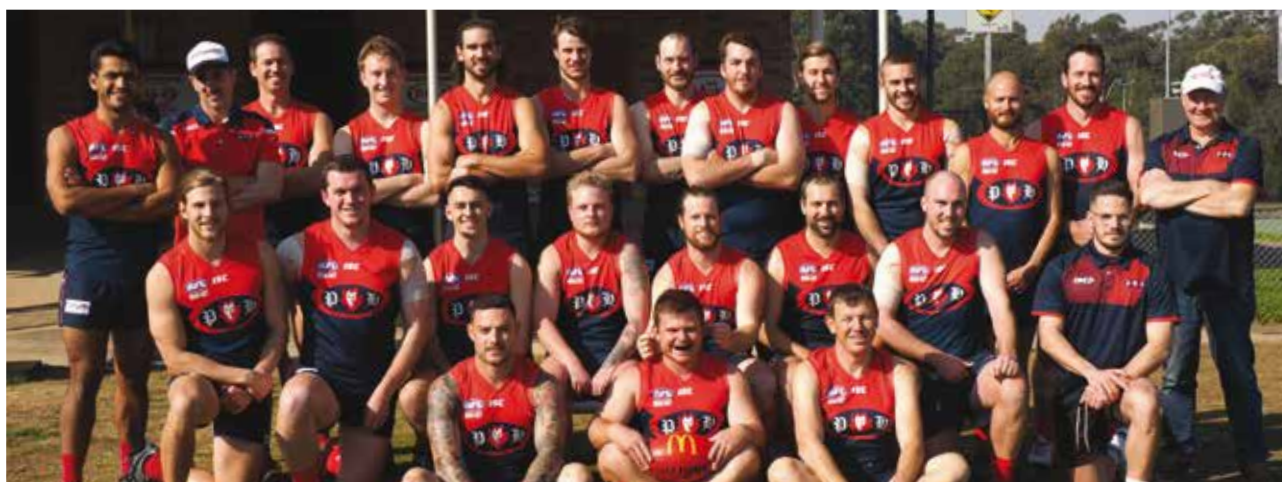

Coaches Award – Sam Zikman - Thankyou Ziks. Apart from being a bloody good footballer your boundless energy, positivity and overall enthusiasm for the team and what we could achieve inspired me.

Thank you's - As always this all wouldn't have been possible without the helping hands of many, but a few special thanks goes out the following:
Wayno – We have been doing this for 8 years now and I have loved every minute. Thank you for your input, without you it would have been impossible. **Scarlo** – Missing it so much you commuted every weekend from Goulburn to help out, and the group loved you for it. And thanks for the eggs.

Michael Trenaman – Your quiet work in the background didn't go unnoticed. Thanks for getting us on the park. **Loz & The Physios** – Once again a sterling job for getting the boys out on the paddock every week. **The Coaching Staff** – It's been awesome working with you all. Yes even you Chris. **The Committee** – Especially Phil, Gunner, & Josh. Without all your thankless efforts we simply wouldn't be here. **JA** – We have bounced off each other for the last few years now sharing a love for the history and quirky stats that come about in a footy Club. Love your work and much strength to you.

After retiring from Premis at the end of the 2011 season, I said if required I'd be happy to help out with whomever would be Coaching the (then cellar dwelling) Reserve Grade side. In January the next year I returned from holidays and was thrown the whiteboard. 8 seasons later, with Wayne and Scarlo at my side we have seen the 2's team return to the upper parts of the table, win a flag, lose a couple but most importantly along that journey the entire group has had a heap of fun along the way. Now that I've hung up that whiteboard I can safely say I am so much richer for the experience. To all the Players I say thankyou. Yes, even you Evan. You have widened my view of the (football) world, challenged me, enriched me, filled me with pride and enjoyment, made me laugh (and cry) but most importantly given me a whole new perspective not only of football, but of myself.

-------------------	---	---	----

The one that got away. It was again a privilege to be involved with the Division 1 men's team this season and to go all the way to a Grand Final. Unfortunately, this year we were unable to bring home the Cup. The feeling at the end of the Grand Final was gutting. I hope we all use this to drive us the one more step required next season.

The outcome however, as they usually do, reflected reality. This season there was a Premiership hangover amongst the group. We started slowly, training attendance was poor, never got to where it should be all season, and the team was not gelling as well as it could have. As a coaching group it required dedication to get everyone up each week to perform as needed. For this I am again ever grateful for Brendan Gregor as assistant coach. Brendan makes game day run like clockwork and is a fantastic listening post, adviser, confidant and support. Brendan, thank you. I know this year would not have been as successful without you.

At the mid-season review we sat in the same position as the previous year, at the end of round 8, 4 wins and 4 losses and sitting 4th on the ladder. At the end of round 12, when we all got together to discuss "the state of play", we were at 8 wins and 4 losses and still sitting in 4th place. We had shown some beautiful team football and knew that if we played "our game" the competition was ours to lose.

Leaving the mid-season review we all agreed and set ourselves the following goals:

1. Play in the Grand Final;
2. Win at least one, should win both, of the North Shore and Sydney Uni home and away games;
3. More cemented mid group;
4. Tuesday we train with Reserve Grade, on Thursday as a Div 1 squad. If the Reserves/Div 1 squad gets too large we will train as a Div 1 Squad.
5. Commit to getting to training;
6. Clearly communicate with coach re training attendance and game day availabilities.

I must also point out that it was great to have the support of Jason Clarke, as Reserve Grade Coach, for this and throughout the season.

Thank you mate it was a pleasure this season. Lots of communication and your assistance with player management helped our season immensely.

From the mid-season review this squad did not drop another game. For our run into the Grand Final we won 12 games straight. This included beating Sydney Uni (1st on ladder) twice at their home ground and North Shore (2nd on ladder) on their home ground. Very pleasing from the coaching group perspective was that, during this period, we played our best football and other team coaches stated to us that we were the best they had played against all season and were an excellent "TEAM". Unfortunately, item 5 above never really improved as it was thought that lifting item 6 would suffice. As coach I believe that this was the main contributing factor to not going back to back this season. My plea at season end, leading into next season, is to please lift the commitment to greater attendance at training. The effort the club puts into each of you deserves this, as a minimum, and your team definitely requires it. There was one exception to this, who set the standard this year, and that was Zac Baglin. Zac deserves special mention as he let being dropped from last year's Grand Final team drive him to prove the coach wrong. Zac, this is a credit to yourself mate, well done. I am sorry we couldn't take it all the way as you deserved it.

To Henri De Gorter, thank you again for your excellent management of this team. Your organisation is a blessing. Not only do you aid in getting a coordinated squad on the park each week but we would not play at all without you also having organised the club umpires for our home and away season. I also appreciate your input and feedback.

In closing, I want to thank the other hard working member of the group that aided in getting the team up to the challenge each week, is a fantastic football brain and leads from the front by example, Nathan (Boxy) Breen our Captain. Thank you mate, it has been a pleasure again to work with you. You make me a better coach and this team a better one. In a tough tussle we couldn't break through Sydney Uni's press in the Grand Final and went down with a fighting 2.8 - 20 to 7.3 - 45. Let's let this year's loss drive us to be bigger and better next season.

Todd Williams.

Division Two Coach's Report

A season of 'what ifs' was the unfortunate fate for Div 2 this year. After a direct approach to form a core and stable group of players, in an attempt to minimise the amount of player movement experienced in previous years, we were confident we could build towards another finals tilt. Sadly, after a year of ups and downs a draw to Sydney University in the final round would ultimately prove not quite enough to make the final five.

Round 1 we played the eventual premiers and competition titans UNSW. A very rude and quick wake up to footy in 2019. Most pleasing was the core group of players and new co-captains Dicko and Watto got straight into training on Thursday and ensured we were pumped for a big game against UTS. And, this will be one of the few games that would define our season. So, indulge me a little and I will go through what I think are our defining games and why I am optimistic that once again we can have a real crack in 2020.

UTS have been close rivals in recent seasons with a see-sawing set of results spanning recent history. After an embarrassing pantsing at the hands of UNSW the boys set out to reaffirm our own expectations of what the season could produce and from the second quarter it was obvious this would be the Demons day. Club president Mott was on form tasting chest marks on the lead, Dicko moved to Centre Half Back (a move that would define his season) and some of the young pups fresh from 19s showed they were ready made for the bigger bodies. This was the standard we would hold ourselves to and we would often return conversation during training and between quarters in future games to look back at what worked well against UTS

Return to the Ern (Round 4) is a favourite for the few old boys in Div 2 and we enjoy being the first team to play and kick off the day the right way - good, scrappy, hard footy. It also saw the return from a 'shorter than Karmichael Hunt stint' in Rugby Union for the flying concussion machine McB (A week earlier than was predicted by all and sundry). For the majority of this game we had St George under wraps but a last quarter full of running was too much for our boys. We wrestled back control in the middle with seconds remaining for a crisp clearance and delivery to the prodigal son McB - a shot after the siren ultimately sailing just wide. A gutting loss.

Manly are always stronger on home turf and this year was no different, on a slippery morning in Round 7 we played a switched on Manly outfit boosted with the inclusion of an A. Robertson fresh off a standout season in Premier Division he proved the difference. Another game we should have been won, three missed goals in the final quarter ultimately hurting

the red and blue. This loss also highlighted the importance of having a support team to the coaching and playing group as the 8:30 start away left us without a sideline coach, water or runner.

On a far happier note we were able to beat East Coast twice this year. This year we fought out a low scoring end to end battle with plenty of feeling in the game from the first bounce when their 'hard man' tried to run straight through every Penno player in the centre square. I couldn't have been prouder of how the boys ignored the niggles and got on with winning the hard ball, being physical but making sure we played footy first. This game was won on a final three minutes of pure, scrappy, relentless football stuck in the East Coasts forward 50. This was the game we saw Natoli, Arciuli, Dicko, Veitch and Rashleigh rip in and refuse to lose a close game. The score will show a two point win but the scoreboard showed a one point advantage for the majority of the last quarter. To back this up with a comprehensive 96 to 8 win on an icy and windy morning at Cherrybrook was icing on the cake.

Coming into the final round we knew the equation was as simple as win - play finals, lose - rely on results. An extremely tight game from start to finish ended in a draw. Mid-season recruit Hookey hit the behind post with 90 seconds remaining and Bluey took a mark on 50 as the siren sounded (apparently early). What was expected to be a kick after the siren was instead ruled a free kick to Sydney Uni (we won't say by which club umpire) and we ended the season without a win or a loss. I said in the rooms afterwards that 'if that is our last game of the year - what a game to finish on' and I stand by that. We played fiercely and showed we can take it to any team on any weekend. Sadly, the unlikely UTS win at North Shore meant we missed playing finals but I hope the hurt will push the core group to greater things next year.

A massive thanks needs to go to my wife Megan and my boys who get dragged all over Sydney and put up with me ranting. To Phil Hare and Glenn Gunstone - thank you for helping run the board when you could and always having my back and assisting in any way you can. You already to a mountain of work for the club and so I (we) appreciate even more. To the club umpires you were amazing, to those who ran or did water thank you. It takes a certain type of person to identify a need and selflessly put their hand up to help out - Adam Nixon is that type of person, coming to early games to umpire, run the board or be our runner he just turned up and helped. Our biggest thanks from the entire team you immense human!

Alexander Huggins - Best & Fairest Winner

You can measure success in a multitude of ways, and for 2019 I think our division 3 team ticked many boxes. As a group we agreed our targets and every weekend we aimed to play with a spirit and belief which would help us achieve those goals. The numbers: 53 proud players represented division 3 in 2019. We played 15 games, won 3, lost 12, forfeited 1 (and 1 forfeit against us), points for 575, points against 1089, kicking 50 goals and 93 behinds (I blame this on pre-season where we were shooting at rugby goals, so no prizes for guessing what we will be focusing on during pre-season!). And to top it off, our largest recorded spectator attendance was 12. Our 3 wins may not sound significant, but when you consider those wins were against Sydney University (twice!) and North Shore, those wins felt like double when we belted out "Every Heat Beats True".

To put our win/loss ratio in context, by a quirk of an unfavorable draw, we played every team above us twice, and only played 2 of the 3 teams below us once. Our squad brought together old heads and bodies including Alex Huggins, Jarrod Myers, Rod Vowell, Mike Baglin, Stix Hardman and Danny Strange to name but a few, backed up by some bright youngsters including Cam Akhurst, Jack Thorncraft and Ben Reidy. Throw into the mix guys who have never played the game such as Mitch Campbell and Andy Meikle, you can see we had a great spread of talent, ability and, shall we say, development opportunities.

Ominously, round 1 was played in-between a rifle range and Long Bay Prison, so either way we were surrounded by threats and opportunities, with the escapees from our opposition Randwick eager to direct us to cell block H or the target boards. Cracking performances from our new goal sneak Caleb Chavez and big Mike Baldry in the ruck put us in the mix, but ultimately we fell short. This was to be a familiar tale and a blueprint for the season ahead.

By the luck of the draw (sic), we were granted 2 cracks at the table topping boys from Gore Hill, and therefore 2 attempts to master playing on their shiny, new plastic pitch. We were in it right up until the first bounce (we may have warmed up a little early and were completely knackered by the time we started!), but did we give in? Hell no. North Shore eventually won the flag this season and have set the benchmark for us in 2020 in terms of on-field performances, but in terms of spirit and enjoyment, our opposition have a mountain to climb to match us.

New man Brad Hill typified our endeavor and commitment, and what this club stands for. Brad came to our club early on at pre-season having last played many moons ago. He lapped our new training ground at Headon Park with his new squad with an aim to 'play a few games and meet a few new mates'. Brad did more than that and ended up making 12 appearances and had a great season. Special thanks to his ever-present dad Jeff who was always around to watch his lad or help out with water or goal umpiring.

Special mention needs to go to the 4 musketeers of Cooper, Dylan, Gully and Creany. All this mob wanted to do was run amuck, kick some goals and have a blast playing a new sport together. They were inseparable and brought many memorable moments to the team ranging from Josh's persistence to take every mark one-handed, Dylan just trying not to get hurt, Gully still working out what his tattoos mean, and Cooper fertilizing the bottom oval at Greenway after a particularly heavy night out. Seriously though, they trained hard, played hard, partied harder and I really hope they all have another crack in 2020.

With the help of Todd Williams and T-Bone, we managed to develop a few hopefuls including Nick Shiel, Zac Cuffe, Seamus Linehan, Nick Whittle, Nic Donohue and Jack Doheny. Continuity was a huge positive for this team and we could always rely upon some regulars to put in a shift every Saturday. We were able to set the attack-dog Alex Turner onto the opposition midfield with his side-kick Lachy Quigley bursting down the wing creating havoc, along with Matt Elliot down back repealing wave after wave of relentless attacks. In the forward line, Brendan Wray has one of the most natural and accurate set-shots in the division and will have benefited from a great season, and his partnership with Oskar Raue is sure to develop.

We had several U19 players filled in for us this season and our club relies upon the young pups and it was great to give them an opportunity in our team. Also backing up for us on more than one occasion were senior players Matty Miles and Anthony Johnston who added a touch of class to our squad.

Many people made this season possible with their hard work and application both on and off the field. Al Abbott managed our team and was selfless in juggling that task along with his countless hours around the club just getting things done. Trent Roddan played 7 games for us in a season where he helped just about every team from a coaching and administrative perspective – a huge effort. Thank you to all the coaches for your continued support and advice in my rookie season, to Phil Hare, Bob Wray and Glenn Gunstone for the opportunity to coach at our great club, and all the support teams around us who make this the best club in Sydney.

Last but not least, special thanks to my wife Sue and my kids Mitch and Jasmine for putting up with the constant chat around the house about this crazy game we love and for being there to watch me and my team week after week.

Under 19 Division One Coach's Report

Upon reflection of not just this year but also last year where I joined the Pennant Hills football club I have quickly enjoyed the great highs and lows that are reflective of any passionate sporting supporter. Being involved with the Div 1 winning Grand Final team of 2018 as runner to coaching unfortunately some hard losses in the U19 this year. But that is what football is about, whilst we can have an attitude that expects to win every weekend we cannot expect to have a Grand final winning team every year. But hopefully along the way we create bonds and relationships through shared experience both in elation and hardship that make Pennant hills our one and only club.

Whilst we had some exceptional talent throughout our team we were certainly a team that probably lacked experience and often depth to our list when it came to a few injuries and school commitments etc.

In the first third of the season we had some very tough losses being beaten by the eventual Grand Final teams UNSW and Syd Uni both by over a 100 points which clearly took a lot of confidence away. We had a handful of boys playing really good footy and when it came to Back to the Ern round the Team put in a great effort in front of an energized loyal crowd. Harry Inshaw popped up and kicked 3 goals which was a great return for a guy who was coming back from a shoulder recon. And Jonathan Moran and Mathew Hall were also playing excellent footy. Unfortunately on the day we dominated play but couldn't get on the score board efficiently and went down. 2 weeks later though we came away with our first win for the season against old foes North Shore. This is a club that has two U19 teams so for the boys to stand up and come away with an exceptional first win really was a great return for a lot of hard work put in previously. A mention must go to Oliver Browne who kicked 6 in an amazing effort and was an absolute star on the day which we won by 10 points.

Unfortunately the middle portion of the season had quite a few low lights with a forfeit against St George in round 11 and some hard losses against the likes of Syd Uni again. It must be mentioned though that almost all of these games we unfortunately could not field a full bench and a proud moment for me was against East Coast where we started with 17 and ended up with only 16 players but despite this not one of the boys gave in and fought out to the very end.

The final chapter of the 2019 Season for the U19 this year had of course some challenges in but also had some pretty special moments as well. As previously mentioned, we had prior forfeited a game which did not sit well with me or any of the club administrators nor do I imagine anyone involved with the pennant hills football club. To the clubs credit though the surrounding U17's clubs rallied behind us and made sure the next

week we had a full team of players. So thanks to Alexander Vink, Nick Sparks, Isaac Protogeros, Xavier McConaghie and Noah Hoyle. Not only did we beat the eventual Premiers but 5 new players played for the first time in U19's and stood out with Nick Sparks and Isaac getting in the bests for that game. Perhaps the greatest victory for the day though was the excitement and the gratitude on each players face as they were cheered off the field and showered with admiration and Powerade as they sung "Every Heart Beats True" as loud as I have heard it.

The very next week We got our third win for the season against Manly with again a great showing from the U17's that played but also another rewarding game for the U19's who had been working very hard. Unfortunately the end of the season ended on a sad note with a forfeit in the final round and a few major injuries to guys like Harry Inshaw and Oliver Browne but also some high lights like seeing Max Grooms a guy who loves his footy and without doubt was our strongest improver for the year chase down and tackle an opponent's trying to create forward line pressure.

I would like to say a few very important thanks as anyone who has volunteered their time would know it is a labour of love and made all the easier by the people who step in and help. Firstly to the leadership group, I did make mention this year to all the guys that I wanted all players to stand up in their own way from a leadership perspective but for the Captain this year Jonathan Dickson and the two Vice Captains Ollie Nockles and Darcy Carnahan were a great help. To Mike Crompton who was the manager most game days I really appreciate your help as well as Adrian Browne who filled in from time to time. Without support from people like these two it makes it hard for any team to get on the park. Tom Edmonds and Nick Hey thank you very much for your support all year. For two young guys to step up and help whilst they were injured meant a lot to the team and to see you help out even after you were back playing footy was even better. Finally to the footy club administration in particular Trent Roddan. I would definitely not have made the year out if it wasn't for you guys. Trent is a wealth of knowledge when it comes to Sydney AFL and also has a lot experience with U19's so he was my go-to for all things important.

Unfortunately I will be stepping down from the coaching role in 2020 as I have work and family commitments that will leave me limited for time but I will certainly enjoy a role in the U19's next year whatever that will look like as I refer back to my initial statements of Pennant Hills being a great club and one I wish to be involved with for many years to come.

Women's Division One Coach's Report

In the fourth season for the Penno Women's Division One team, we continued to build on our playing style from the prior year, and added more depth and intensity during trainings to help build our squad to be potential grand final winners for the season. We had again gained another team this year bringing up the total amount in the entire women's squad to 96 players registered. With this new depth we knew we had the team to get far in the competition this year, and we had set the grand final as the benchmark for our success at the beginning of the season. We had 9 brand new places flow through our team this season and it was great to see these new players being able to step up and keep up with some of the players who had been around since the very first season. We had 44 unique players step on the field for us throughout the season for Division One, and finished with our best season yet.

After ending our 2018 season in 4th after being knocked out in the first finals round, it was a tough pill to swallow but one we needed to further develop our attacking style which we revamped soon into the season with a completely new formation up forward. At the end of round 11 we were coming 1st on the ladder with 9 wins and 2 losses, only losing to the teams coming 2nd (Manly) and 3rd (Wollongong) in the process. This is the first time we were coming 1st on the ladder in our history and our team morale and playing style were highlighting this result. Unfortunately, we again did not win a game in July, with injuries and travelling again being a factor in these losses, combined with playing the rest of the top 4. We knew we had to really turn our season around if we were going to be any chance at regaining our earlier momentum to win the grand final. We ended up winning our next 4 games, including Rounds 16, 17, and 18 against teams vying for finals positions, and we knew we had our groove back.

Our defence throughout the season was excellent, led by our captain Eleanor Rugg who always led from the centre-half back role and made it her own. Our centres were filled with players from our previous seasons, and we took what we had learnt last year with centre taps to a whole new level this season. Our centres worked so well together and they were excellent in not just attacking positions but also getting back to help the defence and setting up a defensive position when the ball was in our forward 50. Our forwards were the best they had ever been this year, with a newly made structure soon into the season, we began scoring more goals per game than we ever have any other season. Both Bri Wade and Ellie Davis tied first in the goal scoring this season with a whopping 28 goals each.

Our first finals match was against North Shore, who we got a chance to use our best team against and it showed with a 62-9 flogging. This was the best game our team played all season, and it showed with the unity

all of the girls displayed throughout not just the game, but throughout the prior month. To come back from 3 losses and put 4 big wins heading into the preliminary final was huge. We finished 3rd on the ladder with 12 wins (our most to date in a season) and 5 losses with a percentage of 189.85.

Our last and most devastating loss of the season came against Manly in the preliminary final, losing 19-18, with more scoring shots than the other team. It was an extremely windy day and we did not adapt to the conditions at hand, however we did mount a fightback at the end that saw us hit the post once that could've seen us win this game and put us into the grand final. This season meant so much to everyone part of the squad, and you could see it on everyone's face as we lost by just one point, but the passion that this squad has is the best I've ever seen. While the feeling in the squad was feeling down, we knew that ultimately we did come 3rd at the end of the season. As a result of everyone's hard efforts including the players, the coaching staff and the volunteers, we have been included in the Premier Division competition for 2020 and the future of our women's squad seems bright. It will be a tough few years, but the last four years have shown me that our team always rises to the occasion, and gets better every season, and that will be the case next year as well.

Out of everything we learnt this year, I think that while some things don't always go our way, it's our duty to keep believing and working hard so that when we finally win the big one, it will just feel that much sweeter.

A few special mentions:

Mark Carroll – he does so much work during the week and behind the scenes. Thanks Mark.

Terry Donohoe, will take any job he's asked and make sure it's done with 110% effort. Thanks Terrence!

Valerie Wade and Julie Rugg, who shared the managing duties this year. Paris Preedy, who decided to "retire" this season in favour of volunteering as our goal umpire each week.

In conclusion and finishing the season in 3rd place, we will be successful in Premier Division, more than the girls actually think. After a successful start from the Division Two girls as well, we can further build on the foundation of this entire squad. With only more success to come, this is a team that Premier Division will be underestimating next season. See you all next year to further develop all of our skills for this great game we play!

This year saw another giant leap for Women's footy at Penno, and no I'm not referring to my establishment as the Division 2 Women's Coach, but in the number of women we had rock up to the club as fresh new players and the subsequent establishment of a 3rd women's team. I think it's been a huge accomplishment for the club to extend itself so quickly in the space of 2 years - to add 2 women's teams and retain the culture that makes Penno such a great club. I wasn't sure what to expect this year, given my previous coaching experience was limited to fantasy football. I had only really watched the women's teams sporadically over the previous two seasons whilst umpiring. I was immediately welcomed into the squad and was given lots of support to coach the way that I wanted to coach, to which I can't thank the club enough.

As a team we had a total of 54 players come through the Division 2 team, including 21 first year players which was really pleasing to see. Our team had made finals the previous year, and there were high hopes that we would again accomplish the feat. Our overwhelming pre-season presence converted to a strong start to the season, we won 5 of our first 7 games and we were sitting comfortably towards the top of the ladder. Unfortunately, our form dropped, and we went on to lose 7 of the following 10 games, on several occasions by less than a kick.

If we are to look introspectively on the season, we would recognise that the drop in form coincided with a reduction in attendance at training from our regular players. The club has noted from previous seasons that the June/July period is a challenging time when a large contingent of players tend to chase the summer rays over in Europe. We conducted some mid-season reviews where I attempted to give a little feedback and get a little feedback to the people at training. Most of the feedback was focussed around the drills we do and why we do them; however, my personal favourite feedback was that I needed to be a "harsher/meaner" coach. I will look to improve on that during the off season.

Our lowest point of the season came in round 9 where we were beaten comprehensively by East Coast at Kanebridge Oval. Credit to the girls who showed their resilience the following week when we played Macquarie University who went on to win the Minor Premiership. It was easily one of our most complete outings as a team, we lost the game in the end however we played the game we wanted to play it and came very close to toppling the best team in the comp.

As a team it was clear that we showed a great improvement on last year – our skills and fitness were matching with the best teams in the competition, especially early in the season. We were able to promote a few players throughout the year who played several games with the team after beginning with the Division 3 team. Similarly, we have had some players start the season in Division 2 to be promoted to the Division 1 team which is also very pleasing to see. I think moving forward into the next season, if we want to be a feature of finals footy, and if we want to be a prominent feature in that period, we will need to commit to footy and to attendance at training. We have the potential to go all the way, and the first 7 weeks of this season is testament to that, however we will need persistence to reach this goal.

I would like to give thanks to the various people who helped me throughout the season, because without your help we wouldn't have had a functioning team, especially in the absence of having a team manager. Mark, Fids and Steph – thanks for helping me in this endeavour, it's much easier to coach when you have a team of people supporting you. You helped me out each training sessions and filled in the gaps when I was away. Allen Abbott – Management Pinch Hitter, Club Legend and Volunteer of the Year, thanks for everything that you did for not just my team but for all the teams that you assisted throughout the year. The club would be a much worse place without your continued involvement.

To my team Captain – JD, thanks for being the rock of the team, you bring so much energy to every game and I think the girls have really enjoyed your experience and leadership throughout the year. Boy oh Boy Wowee – special mention to your fiancé Jack, for providing us with the highlight of the year! To the girls – thanks for making it such an enjoyable year, you all made me feel welcome and your enthusiasm for the game and your commitment to training create a hugely positive environment for the club. Next year I think we can move forward with a bit more confidence, we might even expand our 3 golden game day rules to 4, but I don't want to get too ahead of myself. I feel very privileged to have had the opportunity to coach this group and look forward to what the future brings.

Women's Division Three Coach's Report

Who would have thought back in 2016 that we would eventually have three women's teams at Penno? Clearly the word had spread about Women's footy at Penno. By March, there was over 90 female players registered. With the creation of the AFL Sydney Women's Division Three competition, it would have been rude not to field a side.

Returning players, new players, friends of players, girlfriends/sisters/cousins of existing players; everyone was welcome in Division Three. Training nights were crowded, but everyone was keen, with lots of players eager to learn the sport and hone their craft. Everyone showed potential and enthusiasm, the atmosphere at Headen Oval was buzzing.

At Round One, out of the 21 selected, 17 girls were new to AFL. We started strong with a nice win over Newtown Breakaways. Most didn't know the words to the team song, but it was still sung with the right amount of gusto and pride. Despite a shaky year there was a lot to like about this season. This year for the first time, we were given the opportunity to play St George Dragons at 'Back to the Ern' round. The encore match for Men's Premier Division, despite a loss to St George, we enjoyed playing under lights to a large home crowd.

The improvement across the season from all players was outstanding. We had some players miss pre-season or join the team halfway through the season yet dominate on the field. Watching players take an awesome mark, take down a player with a solid tackle or kick their first goal, is amazing.

Last year I wrote that the Division Two competition was a mixed bag. Turns out I was wrong. We suffered some close defeats and some very very big losses. The season was tough, but the team turned out each week regardless. Our spirits were lifted with a win against UTS in Round 10, and again in Round 17 against Newtown. We ended up finishing in eighth place on the ladder. The girls did well to match up against more experienced players. The support provided by senior players when available was valuable to our side and well received by the group.

I would like to acknowledge and thank the following people for their help and support over the season: Mark Carroll for leading the Women's Program, Fids and Nick, Brendan Wray, Todd Williams and Bob Wray, Ray Witt, the physios and all the umpires. As usual, a big thank you to Al Abbott who filled in as manager when he wasn't managing Men's Division three or working the bar. Your passion and enthusiasm is what drives the Women's Program. Without your help we would not have got this team on the field each week. To anyone and everyone who supported us this year, no matter how small, your involvement is appreciated.

To the girls, I hope to see you all next year. This is only the beginning and there is so much more to learn and achieve as individuals and playing group. The success of the Women's program can't just be measured by wins. There is a lot to look forward to next year, with a Premier Division side and the continued development of our Women's Program.

OPERATING SURPLUS	\$345,871	\$316,028	\$29,843	\$4,068
TOTAL MEMBERS FUNDS @ 30.9.19			\$126,694	\$96,851

The above numbers demonstrate an outstanding outcome in 2019, despite all the expense that goes with fielding Club record 9 teams. This result was against a backdrop of –

- A reduction in sponsorship income from \$56,881 to \$47,773.
- An increase in registration fees from \$73,573 to \$92,322 which was expected due to higher player numbers.
- Generally increased costs for AFL Affiliation, Umpires and Other Costs associated with getting teams on the ground.

Thankfully the once in a decade license from Sydney AFL to run the Blacktown Final Series canteen and bar was an enormously successful outcome and saviour due to a profit of \$47k which enabled what would have been a deficit to turn into a healthy profit.

The efforts of Phil Hare in the volunteer planning, Jack Pinker and the Pinker Family together with Judy and Jacques Rene in the canteen and Allen Abbot and Steph Tate in the bar with the Blacktown effort cannot be understated. On top of that the general support by Club Members and Players provided the critical numbers on the ground covering the canteen and bar shifts and other functions required under the license.

Therefore Season 2020 will require an even greater effort with a likely further increase in team numbers and players, with expenses continuing to rise, sponsorship challenges and no one-off Blacktown “bonus” income.

The ongoing support of our sponsors must be recognised, without their assistance the Club would simply cease to function. Our sponsors are outlined in this book and it is important all Club Members, Players and Supporters support these sponsors at every opportunity.

The 2020 Season also creates opportunities for increased income through the use of the new clubrooms that are expected to be constructed during the first half of 2020.

It is important the Club doesn't take 2019 result for granted and there will be a greater reliance than ever on all Club Members to support income raising functions and assist the Club in whatever way they can.

Physiotherapist's Report

2019 has yet again shown to be quite an exciting season of footy and our on-field Physiotherapy staff and my colleagues within the clinic at Carlingford Active Health have once again enjoyed the opportunity to work with and support the PHAFC this year.

We were once again posed with the exciting challenge of another team to the Demon's family. The expansion to 9 teams saw over 20 Physiotherapists and Trainers work tirelessly to continue to provide the high professional standards we strive to achieve. Extra numbers means more last minute changes to the game times, game locations and allocations. So to everyone who formed our army this year – thank you! We could not have done it without you all. Daniel, Lauren, Dan P, Caitlin, Hannha, Bec, Alli, Ange, Carly, Maddi, Ryan, Jackson, James, Jess, Jessica, Jess T, Bek, Rohit, David, Sirina, Stephen and Annabel – you have all been amazing!

The ever-growing number of teams this year meant we were busier than ever on the sidelines and in the clinic, making sure we did our utmost best to ensure all players received the best quality of care and giving them every chance possible to return back to play ASAP. From those lingering tight hammies and annoying corksies to ACL tears and shoulder dislocations, we were definitely kept busy all year round.

It was a fantastic achievement to witness 4 out of the 9 teams making finals footy including 2 Grand Finals! Despite the losses during the finals

campaign, it was great to see so many players who sustained injuries leading up to the finals period still persist with their management and commitment to their rehabilitation, which saw the majority of injured players being available for selection during the Preliminary Finals and Grand Finals including Matt Preen, Jesse Hare, Matt Browne, Adam Nixon and Harri Gregor. Thanks also to Trent for making our lives that little bit easier with the introduction to the Athlete Tracker – recording game day injuries and generating a weekly report made the administration side of things smoother and seamless.

Thank you to the PHAFC Committee, Coaches, Managers and Lauren for entrusting me with the position of Head Physiotherapist for the 2019 season. It was another exciting year of footy coverage and a privilege for the second year in a row to look after the Premier Division team as well as running the Injury Clinic on Monday evenings within the clinic.

Thank you once again for allowing our growing team to part of the Demons this year. We are looking forward to what looks to be another big and exciting season of footy in 2020! Enjoy your well-deserved off-season.

Player Welfare Manager Report

In 2019 PHAFL took the initiative to take care of their member's mental health by the appointment of a Player Welfare Manager. In addition the club agreed to underwrite the cost of any members first counselling session. Throughout the season a number of players took this opportunity and attended for an initial session. A number of these players have continued to attend for ongoing sessions to address issues pertaining to their mental health. This is significant as many of these members may not have sought out support if the club had not seen member's mental health as a priority.

Saturday 10th August saw the inaugural Mental Health Round. We had eight teams playing at home and saw this as a great opportunity to raise awareness of mental health and raise some funds for Beyond Blue. Bing Lee kindly donated a TV for us to auction along with The Burrow, Oakhill

Gourmet Meats, Gorgeous Skin and Beauty who all donated vouchers to be raffled. As a result of people's generous donations and the success of the TV auction and raffle the club raised \$4052.07. It was a fantastic achievement and a big thankyou to Josh Mott, Eleanor Rugg and Nick Hey who all provided support and assistance for the day to run smoothly.

Hopefully throughout the year the importance of mental health has been raised and that club members see the value in seeking help and supporting one another. 2020 will see the continuation of this important initiative and continue to ensure that member's mental health and wellbeing issues are addressed.

Melissa Adams
Player Welfare Manager 2019

Where does the season go? It only feels like yesterday that we were all rejoicing that the goal posts were going back up at Ern Holmes to signify footy is back. One would argue they should permanently stay up.

Goal posts or no goal posts – one thing is for sure, it's the people that make our great club what it is and yet again our people ensured we had another amazing year. From our first year Auskickers through to our grandparents there to support their grandkids – Thank you!

There were so many highlights this year, including:

- Playing numbers are at an all-time high with a total of 24 teams fielded in 2019
- Our Auskick numbers have never been stronger
- Girls Football continues to grow at a rapid rate
- A total of 7 teams made it through to semi-finals with 4 teams making it all the way to the Grand Final
- Our u10s being crowned North West Gala Day Premiers
- Inducted a new and very worthy Life Member for services to our club
- Our pre-season AFL9s day continues to be a great success
- A brilliant evening was had by all at our Pop Trivia Night
- Indigenous Round – How brilliant was that! One of THE highlights of the year
- New Indigenous guernseys introduced
- Simon Gillard delivering an inspirational talk during RUOK round
- Introduced new sponsors as well as strengthening existing relationships
- And best of all – seeing our kids develop new friendships, laugh and have fun playing our great game

Season Results

Of our 24 teams a total of 15 play under a competition structure (u11 and up). A total of 7 teams made it through to finals. Congratulations to u11-3, u13-2, u15-2, u17-1, u17-3, YG14 & YG16-2's. Our u13-2, u15-2, YG14 & u17-3 managed to get all the way to a Grand Final showdown but unfortunately fell agonisingly short of an elusive premiership. Nevertheless, a brilliant achievement.

At the end of season North West gala day our u9s and u10s took on the rest of the North West clubs over two weekends in a series of round robin games. Our u9s performed strongly and won their fair share of games. In the u10 age group I am very pleased to say, we went undefeated and were crowned North West Premiers. Well done, **Rob** and **Anthony**.

Auskick (Rookies and u8s)

Our Auskick numbers are at a record high and what a great sight it is to see so many kids out there kicking the sherrin. There is one thing you can count on with this emerging group of superstars – they never fail to excite. Our rookies had plenty of season highlights – an appearance at the SCG during HT of a Swans game, they were the main attraction at the Return to Ern day playing in front of a big crowd and who can forget the countless performances in front of the clubrooms on Sunday mornings. Thank you to all coaches and parents for contributing to such a brilliant year for this group.

Junior Boys

Our u9s is another age group with very healthy numbers (upwards of 35 to 40 players) and we have some amazing talent in this group. All three teams were, at times, quite dominant against their North West opposition. Most of these boys got to play under 'Friday Night Lights' at Ern Holmes this year and they always turned on a great show. Well done to the coaches, managers and parents on a great year.

Unlike the u9s, the u10s entered the year with skinny numbers for two teams, but we persevered knowing we had plenty of keen kids happy to play multiple games as well as the support of our u9s. Our two teams proved to be two of the stronger teams in the North West and they were another group that dominated more times than not. What was impressive was the way everyone came together to not only train as one group but also help out each other on game day when needed. Competition footy awaits next year and mark my words finals footy will be on the agenda for this group.

Our two under 11 teams had mixed results. Our 11-1s had a great year without getting the results they deserved. They tested the very top teams, which shows once we put it together for four quarters we are going to be a force to be reckoned with. I think Bernie is planning pre-season training to start in October! The 11-3s had an amazing year, led by one of Penno's all-time legends, in Leonard, they just got better and better and better. Played with great spirit both on and off the field every single week...almost made it to a Prelim Final, ultimately going down by 5 points in the semi-final – hitting the post twice in the last quarter.

Our u12s were the quiet achievers, after a slow start to the season they really hit their straps in the second half, pushing all of the top teams to close games and racking up a number of comprehensive wins. Full field awaits this group next year which will only help our strong running game.

Youth Football (u13-u17)

Our u13 age group fielded two teams (Div 2 & Div 3) but they trained and developed as one. The Div 3 team got hit hard with injuries early on in the season and got dealt quite a hard draw but they made a late run for finals and only just missed out. Our Div2 team just got into the knack of winning...and winning well. It's a Grand Old Flag got sung repeatedly. They progressed all the way to the Grand Final but came unstuck (no pun intended) by the wet conditions on Grand Final day. One result doesn't define a season though, they along with the D3 team, played some great footy throughout the year and most importantly always did it whilst having fun.

Our two u15 teams (Div 2 & Div 3) were made up of a total of 23 x u15 boys and 15 x u14 boys, so not only did we have skinny numbers to support two teams, we were also on the younger side when compared to our opposition. The 15-2s were quite breathtaking at times racking up win after win and most weeks the mercy rule was applied, however, like the 13s fell just short on Grand Final day. The 15-3s were largely made up of underage players so did really well to be competitive for so long, next year will be a different story when they revert back to their true age.

In the u17 age group Pennant Hills entered the start of the year with a total of 31 players, too many for one team and not enough for two, so we formed a joint venture with Northern Lights and North Ryde to create three teams – Div1, Div2 & Div3. All three teams had strong Penno representation. Our Div 1 team matched it with the best of them despite being the youngest team in the competition, but ultimately bowed out after week one of the finals. The Div 2 team was also one of the youngest teams and they endured mixed fortunes. At times pushing the best teams, however, finals was a bridge too far this year. Our Div 3 team had a super year and ended the Home & Away season in a clear 2nd place on the ladder. They navigated their way into a Grand Final decider against the undefeated Willoughby/Mosman, however, they proved too hard to topple. Regardless of the Grand Final loss – they should be very proud of their efforts.

Girl's Football

Our girl's teams play under the name of North-West Lightning, which is a 3-way joint venture between Pennant Hills, Westbrook and Hornsby. This season we fielded a total of 6 teams, and it won't be too long before we hit double figures given the success and fun that our girls continue to have.

Our u10s provided us with many highlights. You could clearly see their development as each week went by and did so with beaming smiles. Our YG12s almost made it through to the finals, only finishing one win outside of the top 4. The way they finished 2019 means finals is very much on the agenda in 2020!

When you look up football development in the dictionary you will see a picture of our YG14s. What a season they had; at the midway point of the season they had only recorded two wins but were showing real signs that it was about to click. From then on, they won 8 in a row to storm into a Grand Final! Unfortunately, they couldn't quite complete the Grand Final fairy-tale and give us our first girl's premiership...but it's not too far away judging by the way these girls developed.

Our 16s continued to have strong numbers and we fielded two teams (Div 1 & Div 2). Injuries and general unavailability hindered our Div 1 team, so finals proved to be beyond reach this year. Importantly they still had plenty of highlights throughout the year that they can look back on. The Div 2 team produced some remarkable results – none more so than their semi-final win over Balgowlah at the Ern. They lost a close game the following week in the Prelim Final but that result didn't tarnish the positive year had by all players.

Our top age group (YG18s) finally had some strong playing numbers to allow us to compete each week, or so we thought. The girls played some great footy this year and tested all teams and won their fair share of games. Unfortunately, injuries cruelled us towards the backend of the season and we ended up 5th on the ladder, just missing out on a spot in the finals.

Awards

Club Best & Fairest

The Junior Club Best and Fairest is **Will Deverson** and the Runner up Best & Fairest is **Benjamin Lawrence**.

The Youth Best & Fairest Award is **Benjamin Liu** and the Runner up Best & Fairest is **Emma Dunn**.

Kieren Jack Awards Night

Pennant Hills was well represented at the Kieren Jack Sydney Harbour Awards Night held in late August and we took home a stack of awards.

Congratulations to the following players who performed strongly in the League Best and Fairest Awards:

- **Jake Protogeros** won the Under 15 Division 2 Best and Fairest Award
- **Ben Liu** was runner up for Under 13 Division 2 Best and Fairest Award
- **Ayan Arora** was 3rd in the Under 13 Division 3 Best and Fairest Award
- **Anna Stewart** was 3rd in the YG16 Division 2 Best and Fairest Award

The following players excelled at the mid-year representative carnival and as a result made the All-Star Representative Team:

- **Emma Richards** and **Taylah Canobie** in the YG16s Team
- **Ryan Pascoe** was awarded the most improved umpire award from the North West umpires group.

And finally, our superstar volunteer, **Jenni Stewart**, took out the 'Trev Byrne' Volunteer of the Year Award. This is one of the major awards of the night/year and it was great to see Jenni getting the competition wide recognition that she so thoroughly deserves.

Umpires

Ern Holmes Oval was again home to the umpires of the North West and Pennant Hills supplied a total of 12 junior umpires this year. They all performed strongly with many earning finals appointments. I would like to thank **Tom Smith** and his team for everything that you do to grow our game. Your professionalism and passion is infectious and it's no wonder the North West umpire group is considered the best in Sydney!

Junior and Senior Club Person (Family) of the Year

Congratulations to our Club Person (Family) of the Year, the **Oldfield family** - **Marc, Kelly, Ollie, Roary** and **Lillie**. What an amazing family that gives so much to our club. Well done Kelly, Marc, Ollie, Roary and Lillie!

Life Membership – Players

This year two players have achieved Life Membership for their commitment to our club. Congratulations to **Lachlan Whyte** and **Ben Francis** who have both been part of our club for 10 consecutive years.

Life Membership – Volunteer Service

Congratulation **Justin Kerley**. A most deserving award for someone who typifies everything Pennant Hills. Your devotion to our club and the way you make everyone feel welcome is outstanding. Thankyou for everything you have done and continue to do.

Coach of the Year

This years Junior Coach of the Year is awarded to **Leonard Regan**. As

mentioned previously, Leonard is one of Pennant Hills true legends of the club. His work with the u11-3 team both on and off the field was nothing short of sensational.

Our Youth Coach of the Year is awarded to **Dan Frahn**. Dan was amazing with our u14 girls. He built a team environment that was inclusive and fun. Great work, Dan.

Canteen

A huge thankyou to **Kelly** (and **Marc**) for all of your hard work in making our canteen run so smoothly. Our canteen is such an important income stream and this year was no different. Sundays are long days with 6:30am starts and 4:00-5:00pm finishes and throw in the occasional Friday Night Footy action. A big thankyou to our super canteen staff as well – **Sylvie, Natalie, Emily** and **Isabella**.

Game Day /Ground Management

Everything just works from set up to pack up, adherence to bylaws through to the management of the crowd and it's all coordinated by one amazing volunteer. Thank you, **Joe Stewart**. Thank you also to our regular Ground Manager volunteers – **Graeme de Vallance, Janet Lawrence, Dean Moran** and **Matt Barry**.

Coaches and Managers

On behalf of everyone at the club (parents, players and the committee) we thank our coaches, managers and team officials who gave up so much of their time to give the best experience possible for our kids.

Committee

Quite simply we have the best Committee. I feel privileged to work alongside this group. Your collective commitment to our club is extraordinary.

Redevelopment

2019 has been a big year for our ongoing Clubroom Redevelopment project. Through the hard work of our sub-committee, most notably **Graeme de Vallance, Matt Barry, Joe Stewart** and **Dean Moran**, we have secured substantial financial commitment from **Julian Leeser MP, Matt Kean MP** and AFL NSW/ACT to fund the redevelopment of our clubrooms to the value of \$1.6M.

Sponsors

Thank you to our wonderful sponsors who provide us with valuable funding and support. In particular our Gold Sponsors, Pennant Hills Toyota. As well as our Bronze and Community Sponsors Soames Real Estate, Hillcrest Dental, West Pennant Hills Sports Club, Tailor Made Physiotherapy, McDonalds Thornleigh, Hotel Pennant Hills, Thornleigh Veterinary Hospital and Manser Tierney & Johnston Chartered Accountants. Please support these local businesses who directly support your local community.

Events

Our club events were nothing short of spectacular. Starting with our season opener, our Family Fun Day followed by another successful pre-season AFL9s. Indigenous Round was an absolute highlight, our new 'clash' Guernseys look amazing, but the day itself was everything we had hoped and more. Towards the end of July we held our first mid-year fundraising event for a few years – Pop Trivia Night. In round 14 we threw our support behind AFL NSW/ACT's state-wide initiative to support Mental Health awareness via the RUOK round. There were many more events – Pie Night, Return to Ern, Volunteer Round, Try AFL Days, Swans and Giants Training Nights, Player Visits, Pizza Nights. All delivered by our amazing volunteers. Our club is more than a platform to play footy, it gives us so many great memories – thanks for the year that was!

Steve Protogeros

Club President 2019

Running a football club and getting teams onto the field each week is no small task. A task that is made possible by parents coming together and helping week in, week out. While the committee is there behind the scenes managing the operation, each and every one of us plays our part!

Westbrook prides itself on offering a club that is welcoming to all. We believe that participation and fairness is equal to results and we aim to be the club of choice in our region. Thank you to all the Coaches, Managers and support staff for the commitment you made this season. To all of the parents and carers — thank you for the time you spend getting the players to and from training and games each week. To our volunteers and helpers — thank you for the time commitment each week, especially at home games. Without your support we are unable to run such a smooth and successful operation.

The 2019 season saw Westbrook and our Alliance nominate a record 22 teams across U8s, Junior and Youth Football. We also achieved a record of around 310 player registrations between Auskick and Juniors/Youth this season. Growth among our intake group and broader age groups sets the club up well going into the coming season/s.

Girls Auskick

Westbrook also hosted a mid-week 'Girls Only' Auskick program in conjunction with AFL Sydney. The program was the first of its kind for our area and ran for 8 weeks on a Tuesday afternoon. Each Tuesday there was upwards of 20 girls learning the basics and making new friends along the way. If the disappointment at the program's ending is anything to go by, we should have plenty of new registrations from this group. My thanks to Mark, Chloe and Laura from the AFL for their efforts in organising and running this program.

Measures of Success

We pride ourselves as a club on retention and loyalty. This season we boast a growing number of players achieving personal milestones: 2 players reaching 150 games; 10 reaching 100; 14 reaching 50 and a further 7 have reached 10 years' service. We have enhanced our player experience by having 69% of our competition teams play in finals, with 30% making the Grand Final across a range of divisions. We also encourage players to extend themselves by participating in representative football and seeking selection in the various Academies while still enjoying the mateship of club football. It is through this environment that we have nurtured recent players to excel at the highest level and at the same time allowed enjoyment for our broader playing group.

Mike Kenny Oval

The #upgradegreenway Federal Government grant has been partially completed. The top oval was resurfaced but will still need a little more work over the off-season to complete the drainage. The new facility is waiting for DA approval from council and is expected to be ready for the start of the 2020 season — fingers crossed. This will be a fantastic facility for our club and the local community for many years to come.

Off the field

This year we welcomed *DreamBuild* as our new major sponsor to the club. A huge thank you to Steve and Pieta for their generosity. We look forward to welcoming you back in 2020. We would like to thank all of our sponsors for your ongoing support and contribution.

Because of the uncertainty of the ground re-development, we were unable to run our Pink Ribbon Mother's Day round in 2019, but rest assured we plan on being back for that Saturday evening in 2020!

Alliances

Our Alliance teams in Youth football remained strong in 2019. **Northern Lights** (Westbrook & Hornsby-Berowra) and **North West Lightning** (Westbrook, Hornsby-Berowra, Pennant Hills). In the U17 boys we also had Pennant Hills and North Ryde join us. My thanks to Paul Stafford (Hornsby-Berowra), Steve Protogeros (Pennant Hills) and Doug Whiteford (North Ryde) for the support and commitment to the Alliances this year.

Towards 2020

We say goodbye to a couple of families who have given many years of service to Westbrook. To the Sparks and Vink families: we acknowledge all that you have offered to Westbrook over the years. The legacy that you leave will stand strong for many years to come. On behalf of the club and from me personally — thank you for your contributions, they are truly appreciated.

This departure and change presents new opportunities for other families to step up and pitch in. There are roles on the committee to be filled along with game-day ground management support among other things. If this is something that you can offer, the club will be better off with your support.

We will continue to reinvest funds into Canteen Management, Ground Management, Administration & Volunteer Management to allow our key personnel to spend their valuable time on strategy and seeing their own kids play a little more often.

To the committee members: thank you for your support and dedication in getting us through another successful year! And finally, to our 2019 major club award winners and life members: a very big thank you to each of you for your tireless contributions. The club as a whole thanks you for all that you have done!

Mark Lean-Fore
President Westbrook JAFL 2019

In 2019 The Hornsby Berowra Eagles continued on our pathway of creating a competitive club culture whilst maintaining our clubs core values of inclusion, community and family at the heart of everything we do. Season 2019 saw our numbers continue to grow through Auskick, Juniors, Youth Boys and Youth Girls. We continued to build on our Club visibility through Game Day execution and Representative and Development Day carnivals, with record numbers of kids playing in all formats of our game.

This season we have also started to plan the redevelopment of our club house and have engaged with a developer to assist with our submissions. We have sought funding across multiple levels of government and have been successful in securing funding across a number of these platforms. The off season will see the club finalise our submission to Council, whilst formalising the funding across State and Federal Government and aiming to secure funding from the AFL.

Whilst we are in the infancy stages we will be looking to create a multi-purpose facility that not only benefits the club but also the local community and our sports partners across Barker College in the Independent School Competition and the Rangers Baseball club. The upgrade to the facility will include: 4 full size change rooms (catering for continued growth of Girls Football), expanded storage, custom built canteen/kitchen facilities and a second story that includes club rooms and a viewing deck overlooking Rofe Park.

Season 2019 saw the Eagles continue to grow our base of players in the Auskick arena. A changing of the Guard saw Brendan Limbrey take over as the Auskick Coordinator and our nursery continued to flourish with growth of 10% vs. 2018 with 70 kids. Our Club over indexes within the Auskick format and we are now the largest Auskick centre across the North West region!

This season we have continued our growth from previous seasons and have grown ahead of AFL in NSW. Our numbers hit 138 players this season, growth of 16% vs. last season. Grade football is made of: Boys: U9 – U17 and Girls: U10 – U18

Youth alliances broaden: Our partnership with our neighbouring clubs is working well to ensure that the objectives of participation and development are available for all players. We had 7 Northern Lights teams play in the youth age groups, with Westbrook Bulldogs our partner in all age groups, and Pennant Hills Demons in our Under 17s age group, helping to build a bridge to senior football.

Girls getting stronger: We now have 6 teams under the North West Lightning brand, an alliance between Hornsby, Westbrook and Pennant Hills. We continued with the format of U10/12/14/16/18 this year, with 2 teams in the U16s. Hornsby continued to grow in the girl's format with representation across all teams, with our Under 18 making up more than half of the squad. In a series of firsts, we had our first girl, Mikayla Hain reach 50 games and 2 teams playing in the finals series with our Under 14s progressing to the Grand Final.

The Representative and Development day carnival was held across the June long weekend at the South West Tigers club at West Hoxton. The carnival is broken into 2 parts; Development for U9 and U10 and Representative for U11 – U17 for the boys and U12 – U18 for the Girls. Hornsby featured strongly again this year with 18 players representing the club. Well done to all players who represented the club and thanks to the parents for making the trip to West Hoxton over the long weekend.

Our club simply cannot operate without the generous support of our club Sponsors. We have been able to continue our partnerships with our sponsors through 2019 and look to continue through to 2020. A huge thank you to Dynamic Motion Physiotherapy, Hornsby RSL, Bakers Delight Berowra and Bendigo Bank Berowra Heights.

Club Administration and Running: As our Club continues to grow, we need additional resources from our Member base. We are well aware that the time invested needs to be a balance between work and family time and as such we are looking for new people to continue to support the current base that we have. We will be asking for support across all teams as part of the club running and ask for your support and willingness to help.

Facilities Upgrade: As mentioned we will be looking to get the club facilities upgraded over the course of the next 2 seasons, this will need to be supported by a small team in a subcommittee format. If you have some time and/or have experience please reach out to myself.

Thanks again for your support through season 2019, I am looking forward to further success in the 2020 season.
