OUR STORY

The Pennant Hills 'Demons' Australian Football Club was formed in 1971 and has since become one of the largest community football clubs in Australia, competing in the AFL Sydney competition.

As of 2020, the club will field ten teams - including five senior men's teams, three women's teams, an under 19's team and a master's team.

The Demon's catchment area is Sydney's North West region, inclusive of suburbs located in the Hills Shire, Hornsby Shire and City of Ryde.

"Local and loyal" is one of the club's guiding principles, we are proud of our club and our local community. We appreciate the support we get from those in it and want to return that support.
