# Welcome & Presidents Report

---

Goodbye to season 2001. Congratulations to the 'THIRSTY THIRDS' for bringing another Premiership to the Pennant Hills Club. Our 1st Grade Team finished in 3rd position at the end of the home and away games, but were unable to repeat the success of the previous year and lost to St. George in the 1st Semi.

Our Reserve Grade side also finished in 3rd place, defeated Campbelltown in the Semi, but lost to St. George in the Preliminary Final.

Our U18 side missed the Finals, finishing in Fifth place. It has to be said that our on field performances did not meet our expectations following the Club's most successful year ever during season 2000. Certainly the task of matching last year's results – four teams playing in Grand Finals, a 1st Grade Premiership and Club Champions – was always going to be tough, but we believed we had the playing talent to win back to back 1st Grade Flags together with Reserve Grade and Third Grade Flags.

At different times during the Season, our Players performed at Premiership level, however we were not able to perform at our best when it counted and the Season finished on a disappointing note for our 1st and Reserve Grade Teams.

The task for all of us at Penno, is to regroup and make Season 2002 our best ever. We are off to a good start as our performance off the field was much better than Season 2000 and we have returned the Club to a sound financial position. Our current position is the result of significant contributions from a few volunteers, great support from our Sponsors, our Supporters and most of our Players.

During the year, we enjoyed good relationships with the NSW/ACT AFL and thank them for their support. We wish to congratulate them on their presentation of the Phelan Medal Night. A very successful evening and well staged by the NSW/ACT AFL. Our own John Rakic won the Armstrong Medal for the Best and Fairest player in his division. John also won this award for being leading Goalkicker in his division. Barnaby Howarth finished only one vote away from winning the Phelan Medal. Congratulations to both John and Barnaby from all of us at Penno.

On a less pleasing note, the NSW/ACT Regional Board has indicated that Ern Holmes Oval does not meet their criteria for Senior Football games and we may have to play our home games at another ground next year. Your committee is looking at other options and we will give more details at our AGM.

I wish to thank your Committee, our Coaching Staff, our Sponsors, Supporters and Players for an enjoyable Season and urge you all to stay with us next year when we hope to improve on this year's results.

# Senior Coaches Report

---

After taking the reins from the much vaunted and Premiership Coach Peter Bennett in early February, I was given an opportunity by the club to Coach the Senior Team. This was something I had always aspired to do since my retirement from the playing ranks, I was just expecting it to be a little later on!

But you never know when opportunity will knock, so you best be ready and I took up the challenge of maintaining the standard previously set by Peter with optimism. Many thanks to Peter and the PHAFC committee in the smoothness of the handover process. The club had also gained the services of Craig Burnett from Victoria, via Killarney Vale as an Assistant Coach replacing Kim Beasland who had moved down to Victoria. We welcomed Craig and set about getting the ball rolling.

Due to the early finish of last years season, some off-field dramas and an exuberance of celebration from last years GF victory, I think we started our pre-season well behind the eight ball. Indeed, I would argue it was one of the worst pre-seasons in a long time at Penno, with reference to attendance especially. Add to that many players had increased work commitments and dare I say decreased motivation levels to get to training and put in the hard work required before the season. Despite that our numbers were reasonable, with many of last years Reserves pushing hard for a spot in the Senior Team. As per usual at Pennant Hills we took the opportunity to look at several of these players and some of our new players during the Vilis Cup pre-season competition. Some were impressive and despite recording two losses (ECE and UNSW-ES) and only one win (West Subs) I was confident that once the 'real' stuff came around we would be ready to go. After all, they don't hand out the premiership pennant in April...

We finally made it to the first H&A game against Campbelltown, at Ern Holmes Oval for one of the rare occasions in the first half of the year and we went into the game with close to our best team - albeit some of them a bit underdone. After controlling the ball for most of the first quarter, we went into the first break without a goal and 4 goals down - our wheels were spinning but we weren't going anywhere! The second quarter was more of the same; after a rethink during the half time break, we emerged to play much better in the second half, the kind of running, attacking football Pennant Hills is capable of playing, ultimately we fell short by a solitary goal. I only talk in depth about that game in that, for me, it represents a snap-shot of how our year eventually panned out.

Out of the Campbelltown game came the start of a horror run of injuries to our playing ranks which put a huge strain on both the Reserve and Third grades - at one stage in the first half of the year we had 19 players injured or unavailable, the majority of these Senior players. A big thank-you to Gary Brown, Craig Telfer and Rod Miles for their assistance in coping with the drain of players from their respective teams. Having said that, it allowed us to 'blood' several players into the Senior team and I know that they will be better players in the future for that experience.

During the first half of the season, we then lost a couple of very winnable games, as well as another two we did not realistically expect to win, considering our playing personnel at the time. At the half way mark we were 3-5 and firmly planted down the bottom of the ladder. Through every discussion with the Coaching Staff and the senior players, I never lost faith in the players ability - I was extremely confident we would play finals football, it was all a matter of making it happen.

After a most forgettable trip to Campbelltown for the first game of the second half of the season - we had a team meeting with all the players that then became a regular feature. We addressed several issues and then went to St.George and recorded a great win at a traditionally tough venue for Pennant Hills. Prior to the St.George game, Gary Brown, Craig Burnett and myself had spent several days in Melbourne as guests of the MelbFC. During that visit we had many discussions with their coaching staff and several of our initiatives emanated from those. Special thanks to Neale Daniher and his staff for their time. Our season kick-started from there and after a nerve-wracking win at Balmain we went on to win 6 from 8 in the second half, including a very tough week where the players played 3 games in six days - for three very good wins. At the seasons end we found ourselves in Third on the Ladder and very much in winning form.

Needless to say that form did not carry through into our finals campaign where once again injuries and unavailability conspired against us somewhat. Despite that, on the day we were simple not good enough to progress, the most disappointing thing being that we ARE good enough. When we are switched-on, both mentally and physically we are as good as any team in the SydneyAFL. I hope we all learn from our early exit this year, just how hard we all need to work, just to give ourselves a shot at doing justice to the ability we indeed do have. That means putting in right from day 1 - pre-season 2002. Not thinking that we can play a half a season of football and expect to win the premiership?! Any achievement takes hard work, commitment and a great deal of sacrifice - I'm sure we will bounce back in 2002 with a renewed hunger to prove ourselves.

I would like to say 'thank-you' to every player that pulled on the Senior jumper for the club this year - all 44 of you! In my first year in charge your support as players has been invaluable. Also to the coaching staff of: Gary Brown, Craig Burnett, Craig Telfer & Rod Miles - thank you for your assistance. Ian Parker and Adrian Apostolatos were fantastic in their managerial roles for the Senior team. A huge thanks must go to our physio, Greg Castle in what was his busiest year at the club yet. Thanks to both Mal Waldock and Seb Parker who performed the running duties throughout the year, also many thanks to every 'waterboy' who ran water for the Senior team in 2001, your efforts are appreciated. Many thanks to Cherie Brown who is an absolute trooper, Cherie was always first to training, opening up the rooms and then last to leave. Lastly, a huge thanks to Mandy for putting up with me (or without me) for the season duration.

Congratulations to all Trophy Winners this year, well done on your individual efforts. To all members of the victorious Third Grade premiership team, enjoy your moment, you worked hard and you deserve it, your achievement is what we all aspire to.

All PHAFC Senior players must now start to think of next season - we must be HARDER, SMARTER and HUNGRIER if we are to learn from and erase the memory of what was ultimately an unfruitful year - the challenge is ours.

# Reserve Coaches Report

---

I was looking forward to the challenge of coaching the Reserve grade this year after 4 years with the under 18's. It took me a little while to understand the differences and the particular needs for the Reserves so that we could ensure the team was set up to play the same style of play that we had in the first grade.

The season got off to a pretty slow start and with the many injuries in both grades it gave opportunity to the under 18's and Thirds players to have a go at a higher level of footy and show their skills off. I have to say that I was very pleased to see that every player given the opportunity to play up did not let them selves or the team down.

We introduced a specific game plan and set plays but we were having difficulty getting every one to execute. The crunch game and I think the turning point of our season, came when we went to Newcastle and had to play a rep side from Hunter rather than one of the local Diamond Cup sides. We had eleven changes to the previous week's side due mainly to injury and promotion of players to first grade and 3 no-shows. We asked a couple of under 18's to play a second game and the boys knew we were up against it. I decided to drop some of the set plays etc to make the game a bit simpler. We had not been getting it right but the guys had a mid-field chat prior to the start of the game and came in to get changed and said they wanted to committ to the game plan and set plays. Well, it was not a pretty game but every player stood tall and with the help of the under 18 players we came away with a memorable win and the catalyst to build our season.

The guys started to play some pretty good football from then on and I was starting to feel good about our prospects in fact we only lost two more games after that. We started to get a good running game going and managed to keep a pretty consistent side with payers still be promoted to first grade on a regular basis.

Our philosophy over the past 3 years has been to change the reserves to be the feeder for the first grade and to develop our younger players. We often named our team with 14 or 15 under 23 players which all goes well for the future. It has been great to see the more senior players in the teamwork with the younger guys and show strong leadership out on the ground. The fact we got as far as we did is a credit to guys like Robbo, AB, Kerls, Brownny, Civil, BOM, Benny Rouveray, Cam Colville and Adam Howarth.

Our back line was fantastic all year with Paul Brown, Jimmy Fullton, Robbo, Lachlan Howarth, A.B. Cameron Colville and Kerls holding it together. Our on ballers led by Robbie Mayak, Scotty Howell, Luke Driver, Matt McCamey and Leigh Mortimer were fantastic considering they are all under 22!!

The wings and centers were also good particularly in the second half of the year with Civil and Anthony Hillier kicking long and Chris Reidy's running. A special mention to BOM who held down the centre for most of the year until coaching duties took over. He was great with the young guys and really added experience. The forwards were very good in the later part of the year with Michael Holgate holding it together at the start and then we started to get more goal kickers with Nugget, Paul Folkard (when not injured), Adam Howarth, Civil and right at the end Matty Hayman.

There were many younger guys that played for us and I am sure that when they come up to reserve grade next year players of the Calibre of James Leggott, Steve Hodgson, Sean Martin, Jason Lyles and Trent Whalan will have major contributions to make. I would like to mention a couple of guys that missed out on the finals due to injury and would have made a significant impact if they were fit. To Nugget, Cam Colville, Scotty Howell and Benny Rouvray, keep the fire burning and get back on the track for next year so we can have another tilt at the flag.

I would like to thank Seb Parker for running for the team and Peter Jack who helped when Seb was drafted to the seniors. A personal thanks to POPPA for a fantastic job as manager. I am sure he took our defeats even harder than I did. Thanks to Greg and Ellen for their help as physios and to Danny and BOM for their help with the coaching.

At the end of the day I think we underachieved as a team and it does not sit well with me as I am sure it does not with the team. There is a fire burning in all of us that we need to put it out and that will only happen when we hold the cup up high next September.

# Third Grade Coaches Report

---

Season 2001 saw the continuation of the Sydney Football Association Division 2 competition, with Pennant Hills looking to go one further than the runner's up position of 2000. This goal was achieved on Saturday, September 22nd when the Demons 13.12.90 defeated St. Clair 6.7.43 by 47 points. The win was set up by a sensational first half, with the side kicking 11 goals to one to go in at half time 61 points clear. Although we were outscored in the second half, the win was never in doubt.

The first round of the year saw us take on Sydney University in the wet. With only 17 players (minus the coach, last years B&F, and last years leading goal kicker) the boys pulled together to win by a point. It was a great start to the season for the side, winning the first game for the club in 2001. This was the pattern for the season, with the Thirds leading the way for the club each week. Similar to last season, the Thirds was used in many cases by the higher grades to give players an opportunity to return from injury or to find some lost form. This and other factors resulted in 53 players having a run for the side, of which 22 played two games or less. This season also saw 16 new faces to the club, of which four were new to the game of Australian Football. Injury problems in the Seniors and Reserves at various times of the season put great strain on the Thirds with regard to numbers, meaning that in some cases we played matches without a bench or even one or two short. However, the guys did not let this bother them as we went on to lose only one game during the entire season. To illustrate our dominance on only one occasion did we have more than six goals kicked against us for the year, when we lost by only two points in what was our worst performance of the year.

John Rakic had a sensational year on the field. While work commitments restricted his appearances on the training track, this did not detract from his form on the ground. Hound kicked a massive 93 goals for the season to easily be the leading goal kicker for the club, as well as the league. This form in front of goals obviously caught the eyes of the umpires as Hound took out the 2001 Armstrong Medal for the leagues best and fairest player. This was also a great result for the club; it kept the medal "in house" after Frank Piccolo's victory in 2000. To top this off, he also won the Third Grade Best and Fairest in a thrilling count.

Cameron Hathaway, who comes from a rugby background, had an excellent debut season. After taking a few games to find his feet (and learn the rules) he became an important part of our attacking half back line. Cam was easily our most consistent player of the season.

Another new face at the club was James Tesoriero. James was also a consistent performer on the ball for the side and had it not been for a number of games lost to injury, he may have taken out the B&F. James unfortunately missed the Grand Final due to other commitments, however he has vowed to return next season. Hopefully he can improve on his one Reserve grade game from this season and be a vital contributor for the higher grades.

Our most improved player for this year was undoubtedly Tim Young, evidenced by the fact he played eight games in reserve grade. Tim should look forward to increasing this tally next season. Craig Jack, returning to the club after a year off, was also an important attacking player for the side. Along with Darren Mitchell and Cameron Hathaway, he formed a part of our attacking half back line, which played such an important role in our success this season. Craig's form was fantastic in the finals series and along with Craig Hartley, was the joint player of the finals. Once again, Frank Piccolo was an important part of our side. Frank was rewarded for his efforts pre-season with the captaincy, a job that he performed admirably. Although he did not recapture his form of the previous year, Frank was a consistent performer over the course of 2001. Once again his teammates showed how valuable he is for the side by voting him the Players' Player.

Finally, to all the players I have not mentioned here, congratulations on an outstanding season. Make sure that you all return next year ready to show to all that Pennant Hills is the best side in the competition. I would like to thank Danny Ryan for his input and assistance this year. Ian Parker and Alan Brawn were also great help off the field. Once again Donna has been of great assistance as team manager making sure that things happen on match day, as they should. Finally, I would like to thank Peter Jack for his assistance on the bench for the later part of the season. It was great to finally have another set of eyes watching the game for me!

On a final note, for those of you who are unaware, this has been my last season with Pennant Hills. Donna and I are off to Jakarta in January to take up a new career opportunity. I have enjoyed the four seasons I have played with the club, and wish everyone involved the best success in future seasons.

# Under18 Coaches Report

---

The under eighteens finished the season in the fifth position which was obviously disappointing considering the number of talented players we had available, however we rarely if ever were able to put our best side on the ground because of representative and senior club commitments.

It took us a long time to get settled especially with so many new players. With only a few survivors from last year, plus a new coach, we had some unforgettable losses in the first half of the season before we turned it around in the second half of the season. It was just a shame that circumstances had worked against us because I am absolutely certain the style of football we were playing would have upset many of our finalists. This was perhaps best illustrated by our terrific victory over St George, and our one point loss to the under sixteen Redbacks.

We were well lead by the chief Jimmy Leggett who was often called upon to lift the side, and was inspirational with running through the centre. The centre bounces were a problem at the start of the year and with a little coaching from Chris Yard, our rack combination of Mick Boers, Mark Ellwood and Adam Hobart proved unstoppable. The roving of Trent Whalen and the on the ball skills of Shaun Martin gave us first possession from the centre bounces.

The backline was our strength all year with Dave Ellison at full back doing many of the second efforts, together with Matt Canon who had a sensational finish to the season. Our half back line of Steve Hodgson, Angus Scottford and Steve Gray were excellent. Hodge would always attack as his best form of defence. Angus was always rock solid and Steve would always be there to clean up.

Farooq and Andrew Slimon often played in the back line in the latter part of the season and always gave 100% with Farooq showing he can do anything if he wants. The centre line of Adam Smyth, Dean Connors and Michael Brown were inspirational. Man on man, none of these players would get beaten. Adam was consistently one of our best players.

Dean was always weaving his magic and Michael Brown was the example we all followed with his never say die attitude. Our half forward line of Damien Browning (Tassie), Adrian Lal and Nathan Sullivan worked well together. Tassie's marking was just spectacular. The forward line of Jason Lyall, Daniel Miles, Trent Jones and Simon Stojanic more than held it's own with Jason proving he is an extremely talented full forward.

We had three players Jimmy Leggett, Dean Connors and Steve Hodgson to play first grade and eight players to play second grade – Jimmy Leggett, Dean Connors, Trent Whalen, Angus Scottford, Farooq, Jason Lyall, Mark Ellwood and Steve Hodgson. Coaching was both an honour and a pleasure but not possible without a terrific assistant coach Peter Jack whose assistance was invaluable all year and our manager Col Huggins who is easily one of the best and most knowlegable managers in the Sydney football.

To John Ellwood for goal umpiring and Andy Smith for running the boundry-thank you.

# Sister-Club Report

---

As part of the AFL and Sydney AFL developments in season 2001 Pennant Hills undertook to meet with the Melbourne Football Club to commence discussions to develop a sister club relationship. An initial meeting was held earlier this year between representatives of both clubs with a view to developing the potential relationship further. The meeting was attended by President Leo Browne, Vice Presidents Ian Parker and Kevin Talbot and Melbourne Chief Executive John Anderson and Football Manager, Danny Corcoran.

It was agreed both clubs had potential to develop relationships in the areas of Membership, Sponsorship, Junior Development, Football – on field support, Identity, Events and General Promotions. The advantage of having identical colours and being “Demons” has significant advantages in these areas. The area of sponsorship has benefits particularly to our Business Development Manager Bob Watson. In conjunction with Vice President – Sponsorship, Kevin Talbot, Bob has already commenced discussions with several potential sponsors linked to Melbourne FC.

Another area of significance for us at Pennant Hills is the ability to send our players to Melbourne for intense training with Melbourne coaches and participate in sessions with Melbourne players. Vice President – Football, Ian Parker is liaising with Melbourne Football Manager, Danny Corcoran in this area and already we have had several of our “Penno young guns” in Melbourne for a week of sessions with Melbourne.

Peter Carey and Alistair Richardson travelled to Melbourne on Sunday 20th May and participated with MFC in the match against Essendon at the MCG on that day. They then attended training, skills and other session during the following week before returning on Sunday 27th May. Both Peter and Alistair gained immensely from the week by participating with the MFC coaches and players during their sessions. On Sunday 1st July Barnaby Howarth and Ryan Talbot travelled to Melbourne to participate with MFC for the full week, returning on Sunday 8th July.

As part of this week we also arranged for Senior Coach, Danny Ryan, Reserves Coach, Gary Brown and Assistant Coach Craig Burnett to arrive in Melbourne on Wednesday 4th July. They were involved with the MFC coaches, advisors and football staff in the lead up to the MFC game against the Kangaroos on Sunday 8th July. This assistance and contribution from MFC as part of our relationship will offer long-term benefits to our players and Pennant Hills.

We have had the advantage this year of sending players in the week when we have had byes in the Sydney roster. This will not be the case in the future as players will be away during normal training sessions but will have the advantage of training with MFC players during their visit to Melbourne. We have already discussed with MFC the possibility of several players attending Melbourne pre season sessions in 2002 along with visits to Sydney by MFC coaches and players.

Another major event in our arrangement with Melbourne was their game at the SCG on Sunday 19th August. Pennant Hills played the Sydney Redbacks (Swans reserves) in the leadup game to the Melbourne V Sydney game.

Pennant Hills had a significant win and then Melbourne followed up with an exciting win against the Swans. This was another excellent opportunity for both clubs to further extend the relationship in the development of The Demons” clubs in AFL. Prior to our game and at half time Melbourne officials, President Gabriel Szondy, CEO John Anderson, Danny Corcoran and others visited our rooms to meet players, coaches and players. After the game we had the opportunity to participate with the Melbourne presentation at Fox Studios and involving our weekly player awards.

The Saturday night before the Melbourne Swans game the Sydney based Melbourne supporters group held their annual dinner function. Pennant Hills participated with a table at the function attended by our President, Vice Presidents, Coaches and Captain.

We look forward to developing this relationship with Melbourne FC further in the 2002 pre season period and establishing strong links between both clubs for the future.

We extend our sincere thanks to Kevin Talbot for arranging accommodation in Melbourne for our players at the Three Crowns Hotel in North Melbourne. If you are in Melbourne and need accommodation close to the city call licensee Terry Williams 03 9326 5033 and advise him you are from the Pennant Hills Demons.

# Best and Fairest Winners - 2000

## SENIORS BEST AND FAIREST

Barnaby Howarth

Undoubtably one of the best players in the SydneyAFL comp, Barnaby is most deserving of this award for the second year running. After returning early from OS, Barns again set the standard for all PHAFC players to aspire to, with his attitude and commitment to the club and his teammates, whether on the training track or in the thick of it on matchdays. All the best for Season 2002 - Well Done!

---

## RESERVES BEST AND FAIREST

Robert Mayak

After a great year last year it was going to take an even better effort this year for Rob to take out the Reserve Grade B&F for the second year in a row. It is no surprise to those who know

Rob that he was able to step up again this year. He has the ability to give 100% every time he goes out to compete and is a constant form of inspiration to his team mates and coach.

---

## THIRD GRADE BEST AND FAIREST

John Rakic

Hard to have a better year than John did in winning just about every award he was eligible for, including the 2nd Armstrong Medal for the B&F in the League. John also topped our GoalKicking with 93 majors for the year. A stalwart of the club whose experience is most valuable to the younger players coming up through the grades - Congratulations!

---

## UNDER 18 BEST AND FAIREST

Adam Smythe

Adam was one of a few players who managed to play all 16 games with the 18s this year and his consistency was welcomed by all at the club. Adam shows great potential to move on to bigger and better things in the higher grades at the PHAFC. His hard running and delivery to the forwards was a feature of his memorable season.

# PHAFC - Annual 'Demons Ball'

---

Another fantastic night was had by all at the second 'Demons Ball' held at the Epping Club this year. Guest Speaker was celebrity wheelchair athlete Mr. John Maclean, who has completed the Hawaii Ironman, swum the English Channel, and been to both the Sydney Olympic Games and the Paralympics as well - John's speech was truly inspiring. Plenty of amber was consumed and there was merriment allround as the Player and their partners, friends and families, along with club sponsors and supporters partied their way into the wee hours - can't wait for next years!

The Dance of the 'Mighty Moose'!

The three amigos! - Penno Powerbrokers?

Not happy with one date, Robbo bought three!

Robbo looked away and the boys swooped...

A 'Horse', a 'Pig' and a Jimmy the 'Monk'.

"Dancing?! - Nah, leave that to Burner!" - CJ Yardy.

## MAJOR SPONSORS

As a major sponsor of the Club, ADT has introduced a special programme for all Club members, family and friends. The offer involves having a monitored security system installed in your family or friend's home, at a special Club Package price, provided through Oznet Security, ADT's local authorized dealer.

For every system installed and connected in a referred family or friend's home, ADT will donate \$100 to our Club. Please refer to the flyer in this publication for more details including pricing. This special deal is likely to be the only source of financial support via ADT from now on, so please make an effort to play your part in supporting the Club. Please contact Bob Watson on 9380 2500 for further info.

### **PHAFC - CLUB SPONSORSHIP:**

The Club wishes to acknowledge the generous support of our sponsors – without you, the Club would face difficult financial circumstances and we look forward to your ongoing support in 2002 and beyond. We are especially pleased to welcome our new sponsors for 2001 – your involvement is greatly appreciated.

The Club is seeking additional sponsors for future seasons and it is apparent in this difficult economic climate that the best chance of attracting new sponsors lies with existing connections with the Club via players/supporters etc. Please contact our Business Development Manager (Bob Watson) on 9380 2500 if you have a lead for follow up. A MAJOR sponsor, who would be given “saturation” exposure and tangible value from their investment, is especially sought.

There is huge competition for the limited pool of sponsorship dollars and while several initiatives are being worked on, we ask all club members to give this their active attention.

Many Thanks,

**KEVIN TALBOT**

Vice President-Sponsorship - PHAFC
