Notes to the Financial Statements For the financial year ended 30 September 2020

Note 1: Summary of Significant Accounting Policies

The committee has determined that the association is not a reporting entity.

The financial report is a special purpose financial report prepared in accordance with the requirements of the Associations Incorporation Act of NSW 2009 and the Associations Incorporation Regulations 2010 and the following Australian Accounting Standards:

AASB 101	Presentation of Financial Statements
AASB 108	Accounting Policies, Changes in Accounting Estimates and Errors
AASB 1048	Interpretation of Standards
AASB 1054	Australian Additional Disclosures

No other Australian Accounting Standards, urgent Issue Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

Accounting Policies

(a) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

(b) Income Tax

The Association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(c) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation office (ATO).

Pennant Hills Australian Football Club Inc.

Notes to the Financial Statements For the financial year ended 30 September 2020

Note 1: Summary of Significant Accounting Policies (Continued)

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Revenues, expenses and assets are recognised inclusive of the GST amount.

(d) Inventories

Inventories are valued at the lower of cost or net realisable value, where cost is assigned by using the first-in, first-out cost formula. Net realisable value is the estimated selling price in the ordinary course of business less estimated selling costs.

Where inventories are sold, the carrying amount of those inventories is recognised as an expense in the year in which the related revenue is recognised. The amount is any write-down of inventories to net realisable value and all losses of inventories are recognised as an expense in the year the write-down or loss occurs.

(e) Property, Plant and Equipment

Leasehold improvements and office equipment are carried at cost less, where applicable any accumulated depreciation.

The depreciable amount of all property, plant and equipment is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

(f) Subsequent Events

There has not arisen since the end of the financial year any matter or circumstance that has or may significantly affect the operation of the Association, the results of those operations or the state of affairs of the Association in future financial years.
