2000 Premiership 10 yr Reunion

Season 2010 actually started in earnest in late 2009 with the election of a fairly new committee facing the challenge of appointing an almost completely new coaching panel while still learning the ropes themselves.

We were very pleased to make the appointment of such a well-credentialed coach like Kevin Eynaud and have Chris Yard and Gordon Tardrew assist him to build upon the great work established by Michael Cousens in creating a player development culture that has become the blueprint of success for the Demons.

Club stalwarts Harry Ellison and Greg Barnes came to the rescue by stepping up to co-coach the Reserves while players Chad Fleay and Marty Schindhelm worked closely to coach and manage the Trafalgar Thirsty Thirds. Tony Richardson led the dynamic team of Alan Gardiner, Nathan Varnish and Matt Thomas to manage the very complicated Under 18 program, which was impacted, by GWS, Swans Reserves, Under 18 and Under 16 Rep teams and a new relationship with Macquarie University.

Despite a thoroughly well designed and executed pre-season program led by Josh Low, we were heavily impacted by injuries, to the extent that in Premier Division, a staggering 50 players were used and 17 players made their Premier Division debut, In First Division 64 players were used, in the Under 18's 47 players were rotated through the team and the Thirsty Thirds used 82 players. At times Greg, Harry and Chad were changing their teams on the day and were forced to use drastic measures to ensure that we fielded competitive teams. Great thanks needs to be given to all of the coaching panel for their efforts and the way they worked together over the course of the season to be able to manage the number of changes which impacted all grades, yet come within 5 points for Premier Division and 11 points for the Under 18's. to just miss the Preliminary Finals for their comps.

Special mention should also go to Henri de Gorter, Warwick Jackson, Peter Carter and Ian Parker whom supported the coaching panel superbly in their roles as Team Managers for each of the divisions.

At The Phelan Medal Night, Fraser Nixon was 6th overall for the Kealy Medal, Nick Baglin capped a great season with a 5th in the Snow Medal with 17 votes and Kieran Wright was named Centre Half Back in the Sydney AFL team of the year and was 5th overall with 6 votes in the Phelan Medal.

As part of our mission to improve player welfare, develop talent and be competitive in finals football we will be conducting an end of season review looking at all aspects of the club, but in particular player preparation with the aim to reduce injuries, build our skill base and go deeper in finals for all teams in 2011.

Off the field we were very determined to build upon the previous hard work of Peter Jack, Alan Brawn, Ian Parker and many others before them to create one of the leading Clubs in the Premier Division of the Sydney Football league. Our first action was to spend some time thinking about the future of the Club and identifying those issues that might be a barrier to our growth and development. We identified five key areas that needed to be addressed urgently:

- 1) The inability to meet annual financial commitments driven by decreased sponsorship, canteen and fundraising revenues versus

increased affiliation fees, equipment, maintenance and medical costs made us one of the poorer performing clubs on an annual operating basis.

- 2) The requirement to find a venue solution that guaranteed our future survival and removed the threat of losing home game canteen revenues due to lack of compliance with AFL standards.
- 3) The cornerstone of our on field success has been the development of local talent, we needed to take steps to strengthen our bonds with Pennant Hills Juniors, Westbrook Juniors, Hornsby Eagles and Macquarie University to ensure that talent in our area is given an opportunity to develop an AFL career within the Pennant Hills Pathway.
- 4) Lift our administration and off field management standards by achieving AFL Bronze Quality Standard as a minimum in 2010 which would require a dramatic shift in the quantity and quality of resources required to regain our status as a leading Premier Division Club.
- 5) Improve the quality of communication, transparency and relationships with players, supporters, Umpires, the Sydney AFL and Hornsby Council

It is Year 1 in a 5 Year Plan and there is certainly a lot more work to do before we can put the Penno flag on the mountain top, however, there has been a tremendous amount achieved this year:

- Under the leadership of Sponsorship Director, Chris Thomas we have seen the successful introduction of the membership scheme, Player Sponsorships, Event Sponsorships, Trafalgar sponsoring the Thirsty Thirds, the introduction of 7 new sponsors to the Club and retention of most of last season's sponsors.
- Meredith Dunell took charge of the Functions and Events that all contributed to the financial health of the Club, but more importantly bought the Penno Community together. For me the 10th Anniversary of our 2000 Premiership was a highlight to see these trailblazers, honored, humbled and speaking passionately about what it means to be part of the Penno Club and to share that passion with all that attended the night.
- Owen Baglin with the help of Nick Campbell and Ben Beaston gave the Club a new image with the successful introduction of the ubiquitous PHAFC hoody that sold in great numbers and gave the club great presence.
- We have signed a Memorandum of Understanding with Hornsby Council and Westbrook Juniors which will lead to building, lighting and surface works beginning in November in readiness for us to make Mike Kenny our new regular home venue.
- Canteen revenues for this season have increased by approximately 40 % due to the hard work of Maria Campbell, Judy Jack and their band of merry helpers and volunteers.
- Kevin Eynaud and I visited each Junior Club, created a development program for each Club that included coaching clinics, coaching mentorships, game day observations and Penno players as Club coaches that were all delivered against and will be built upon for future years. Thanks to Brendan Gregor, Andrew Miedler and Stewart - for their support.
- PHAFC and Macquarie University repeated history from 2000 and signed an MOU formalizing the Pathway and supporting each other in the Premier and Challenge Cup under 18 programs. Thanks to Lee Jefferies and Daniel Kenny for being the architects of the agreement.

- Under the guidance of Richard Varnish, Ben Beaston put together a regular Newsletter that was the first step in a much broader communication plan that we hope to deliver against in 2011. Next year we will seek to revive the Demonic and with the continued aid of Webmaster Scott Howell, watch out for even more news in this area soon.
- Ray Witt established a new benchmark in the level of relationship and collaboration with Hornsby Council that resulted in the least disruption to a season that we have had for some time and a definite improvement in the service provided by Hornsby Council. We owe particular thanks to Peter Kemp, Warren Southwell and Paul McCullough for their assistance this season.
- A sub committee consisting of Ian Parker, Kevin Eynaud, Chris Thomas, Sebastian Parker, Damian Dell 'Aquila, Josh Low, Paul Crisfield and myself have been working with Justin Peckett of Leading Teams in an AFL sponsored development program focusing on Club Strategy and Leadership which has been of enormous benefit to the committee.
- After an enormous amount of work to address committee structure, role descriptions, updating of policies and procedures and a revision of the constitution to be updated to current legislation, PHAFC are AFL Bronze Standard accredited, which will be finalized at the new venue.
- Henri De Gorter has done an outstanding job this year rallying the troops to get involved in the volunteer program that has had a direct bearing on our financial results and helped build our reputation in the league. A match day at Penno is now recognized as being professionally run, spectator friendly and in my opinion the best canteen in the comp. This was demonstrated on a massive scale when over 80 PHAFC volunteers under Henri's leadership catered the Sydney AFL finals for 6 match days in an exemplary fashion that was also financially beneficial to the club. Thank you to everyone who volunteered, every one of you was an advertisement for the family friendly, and professional Club we aim to be.

At the Phelan Medal Night, Ian Parker was recognized for his 38 years of service to the AFL system by receiving a very special AFL Merit Award which includes his inclusion on the AFL Honor Board at AFL House and a certificate signed by Andrew Demetriou and Mike Fitzpatrick. While I sometimes kid him about his regular reminiscences about North Hobart in 1962, I can say that his contribution to PHAFC cannot be overstated. I personally have enjoyed his counsel, challenge and sense of humor and would like to publicly thank him for his generous support of a President with training wheels.

A fantastic advertisement of Penno's ability to rise to the occasion was evidenced by the superb Club effort to cater the Sydney AFL finals series. Many volunteers were mobilized under the leadership of Henri De Gorter, Maria Campbell and Judy Jack to provide quality fare at reasonable prices, resulting in a doubling of our normal canteen takings. Well done to all of the volunteers involved.

I would also like to take this opportunity to recognize the invaluable support of the Committee, consisting of Ian Parker, Stephen Barratt, Bob Wray, Vanessa Turner, Chris Thomas, Richard Varnish, Tony Richardson, Sam Dell'Aquila, Wayne Keating, Peter Jack, Greg Barnes, Harry Ellison, Owen Baglin, Ray Witt, Henri DeGorter and Meredith Dunell who all worked extremely hard to make things work in a professional and friendly manner. There will be a number of retirements for various reasons which creates opportunities for others to assist. We are in desperate need of people with marketing and finance skills and would particularly like to have a greater representation from past players, females and current players to help us move forward, all assistance will be gratefully accepted and can be tailored to your circumstances.

Looking forward to catching up with you soon!

Chad Fleay  
Tony Richardson

The 2010 season saw a new President, Peter Campbell, and an expanded committee to try to spread the ever-increasing workload that had been covered for many years by a small number of people including our previous Secretary, Alan Brawn.

The new committee included a lot of new blood; although I am not sure that fact that I played SFL football in the late 1960s in the same team as Bill Carey qualifies me as new blood!

The new committee has worked well together with our president initiating many developments, probably the key one being the move from Ern Holmes to Mike Kenny Oval/Greenway for the 2011 season, which will give the opportunity for development of appropriate facilities for the club in the years to come, something that would not have been able to happen at Ern Holmes.

The Club has received excellent support from the SAFL, particularly from its General Manager, Garry Burkinshaw. There is a clear move to a more professional environment on all matters associated with Sydney Football.

The Club achieved good on-field success with both the Premier Division and Under 18 Cup, reaching the second week of semi finals despite a massive injury toll during the season for Premier Division and an incredibly high turn over of players in the Premier Cup Under 18s due to the various representative demands of our high quality playing group. The Under 18 Coaching Staff are to be commended for managing a playing list that saw half the team change from week to week.

It is hoped the expanded committee arrangement will continue in 2011 so that the numerous all important jobs within the club are professionally handled without a workload that is unreasonable for individuals working in a part time capacity.

I would like to give a big thank you to everybody on the committee for assisting me in my first year in the secretary role.

**BOB WRAY**

Secretary - PHAFC 2010

## Presentation Night

Pennant Hills' Presentation Evening was held at the prestigious Epping Club on Friday 8th October 2010. Despite the early start for, what was to be, a long evening the attendance exceeded all expectations and was one of the best attended Presentation Evenings in recent years. The large number of parents who attended was a pleasing feature of the evening.

Greg Barnes and Harry Ellison formally announced their retirement from coaching Reserve grade during the evening.

Life Membership was awarded to Tim Kenny, Josh Low and Matthew McCamey for their contribution to the Club as players over many years. The President's Award went to Henri de Gorter and Family for their contribution to the Club during season 2010.

2011 looks promising for the Demons with players returning from talent program teams and injury. The young U18 squad from 2010 will be a formidable squad in 2011.

Pennant Hills will also see changes at the administration level with Stephen Barratt and Sam Dell'Aquila stepping down from the Committee. Another pleasing sign of strength of the club is the number of supporters who have volunteered to serve on the committee in 2011.

Season 2010 started again with the revised competition structure. The competition with our Reserve grade playing in Division 1 (against strong opposition UTS and Manly) and Third grade again in Division 3 made our task of winning multiple premierships in 2010, like we did in 2008, that much more difficult.

Season 2010 was again difficult with our pre-season training being messy. Grounds in the Hills district were again hard to find and when we finally did get onto Ern Holmes wet weather closed the oval for some of the time.

The team highlights for Season 2010 were:-

- 2 of the 5 grades playing reaching the finals
- the Senior team playing in its 7th consecutive finals campaign, but ultimately finishing forth after losing the 1st Semi final to ultimate Grand Final winners East Coast by 5 points

On an individual note the highlights were many:-

- Alastair Richardson & Sebastian Parker were named co-captains of the Club
- Kieran Wright was selected in the AFL Sydney representative team.

- Damien Dell'Aquila, Jarrod Mobbs and Jackson Potter were selected in the AFL Sydney Development team that was successful in winning all their games.
- Kieran Wright was named in the SAFL Team of the Year
- Jackson Potter, Nick Bills and Jonathan Gourlay were nominated for the NAB Rising Star Award.
- Kieran Wright polled 16 votes in the Phelan Medal count.

Whilst first decade of the 21st century has been a very good one for Pennant Hills with the seniors making the finals 10 times for 3 premierships and having had multiple premierships in Thirds and U18s we now must move to the next level if we are to remain one of the powerhouse teams in the competition. The move in 2011 to Mike Kenny oval at Greenway Park in the 40th year of the club will be the beginning of another new era and a far cry from the position we held in the early 1990s.

Finally the on-field support provided throughout the year by coaches, team managers, runners and physiotherapists is the envy of most Sydney AFL clubs.

**STEPHEN BARRATT**  
Football Manager

## 2010 GRAND FINAL

Blacktown Olympic Park, 18th September

East Coast	22	12	144
def Sydney Uni	13	12	90

It was a great honor for me to be appointed senior coach of such a wonderful club such as Pennant Hills.

I knew that I was the first non Pennant Hills person to be appointed in over 20 years and that I followed in the footsteps of some great clubmen that had coached before me. I took this honor with humility and respect and set out to reward the people that appointed me with total loyalty and dedication.

I know that Michael Cousens whom I replaced is held in the highest esteem at Pennant Hills and that he earned and deserved the respect he gained throughout his tenure as senior coach. Although it would be easy to measure Mick's success in games won and premierships, he has done more than just that and passed on to me a strong knitted and well bonded group of young men who will take this club into the next decade.

The year saw a changing of the guard at both club committee level and at match committee level.

Peter Campbell headed up a new look committee that has foresight and vision that looks beyond today and tomorrow and into a future that needs to be planned for and managed. I believe that with the promise of transparency and freshness of ideas that our club is in good hands. Our coaching staff and match committee is also the beginning of a new chapter for the club. I was joined by Gordon Tardrew (assistant coach) who I have worked with over the past 15 years. He is a passionate experienced football person determined to continue developing our playing list. Both Tardy and I are genuinely excited by the attitude and ability of our football club. We were joined by Stephen Barrett (football manager) who is a passionate Penno man and my right hand man Chris Yard (assistant coach) who brought to the table a wealth of experience as well as providing us with a valuable follow on from the last match committee.

Reserve grade saw Greg Barnes and Harry Ellison as new coaches, but these two guys were full of enthusiasm and after having successfully teamed at Under 18 level previously were keen to transpose this success into reserve grade. Their goals was to continue to drive and develop not only players on the cusp of first grade selection, but the players who had come from our under 18s over the past few years and they may still develop into long term players for our club. Coaching reserve grade is probably the toughest gig you can get. The fact that we had such a horrid year with injuries in seniors was no help to them when trying to build a team of their own. Their attitude never wavered throughout a tough season and they continued to focus on preparing players to play First Grade footy when required.

Chad and Marty looked after the thirds and this team provided an opportunity for older players to continue being part of our club and for new players to be able to cut their teeth at a level that enables their footy to continue to develop. Some of our under 18s such as Sam White performed very well when given their chance in thirds.

Our under 18s coached by Tony Richardson and Alan Gardiner were the pioneers of our club this year as we embarked on an affiliation with Macquarie University that we hoped would provide our young players the opportunity to play at a level that they are comfortable with and develop into future first graders for our club. This affiliation is one that needs to be treated with the utmost respect, as it must

be advantageous to both parties in the short and long term for it to succeed. I think the jury is still out as to whether the marriage was a success.

Tony and Alan were joined by Matt Thomas and set out to build a strong Under 18s squad. This provided many challenges for them in the quest to build a team with strong team values as each week they would lose their best players to one of GWS, Swans Reserves, First Grade and at times the Under 15 and 16 schoolboy carnivals.

Josh Low was given the role of fitness co coordinator and set about planning a pre season that would have us start round 1 with probably the fittest Penno squad in a number of years.

## Leadership Groups

Before the season proper began we selected 8 team leaders. These leaders each had a job title, which was to be their main area of focus. Typically these included Training and Fitness, Discipline, Social, Committee representative, mentoring and Junior Development. These leaders came exclusively from our senior group and were headed up by our Co Captains Alastair Richardson and Sebastian Parker who were well supported by Damien Dell'Aquila, Nick Campbell, Brant Jack, Josh Low, Kieran Wright, Justin Barratt and Matt Carey. We are fortunate to have such a spread of leadership throughout our senior squad.

## Junior Development

One of the things we decided was a priority at the start of the season was to continue to offer leadership and support to our 3 feeder clubs Penno juniors, Westbrook and Hornsby.

We attended training sessions at these clubs and the kids responded really well as did our own players who seemed to get quite a kick out of the experience. We also offered opportunities to their coaches to spend time with our coaching staff and quite a few took us up on the offer of a day in the coach's box. Those that did so really enjoyed the experience and the feedback was very positive. One of the highlights of the year was that on our last game at the Ern against East Coast Eagles we had lots of junior players and families at the ground. An even better day with a win against the local rivals.

## Season Summary

The season started well enough with a win in the Pre Season Comp at Campbelltown.

Matt Carey and Kieran Wright starred in our forward line as our hard pre season looked like it had paid dividends. This was followed by a first round demolition of Campbelltown at Blacktown.

In our first 3 rounds we secured 2 wins but at a major cost. Matt Carey was gone for perhaps the season with a shoulder injury, Justin Barratt suffered a season ending knee injury and Alastair Richardson was not progressing well with his groin. Add these to the off-season departures of Charlie Richardson and Lloyd Shepherd and 5 of our best players from previous seasons were either gone or going to struggle to have any impact in 2010.

We had hit a tough patch of the season and after 6 rounds our return of 3 wins had us evenly poised. Two great wins against Wests and

North Shore served us well as we began to get some belief that we could match the topsides in the comp. 4 more losses in the second half of the season saw us clearly take 5th spot on the ladder with a return of 10 wins from 18 games.

What the win loss record alone doesn't tell you is that the injury toll that began building from round 1 continued throughout 2010.

- Over 50 players played first grade footy.
- 17 players made their first grade debut.
- 4 under 18s gained selection in our finals campaign.

These may seem like fair excuses as to why a season could have been disastrous, yet what they ended being was a major part of the success story of 2010.

We managed our group well enough to hit the finals with some momentum coming off a fantastic round 18 victory against East Coast Eagles and heading into elimination final against Norths who we had beaten earlier in the season. This game saw us produce one of our best wins of the season.

Our last game, the semi final against East Coast was a disappointing finish with a 5 point defeat meaning a repeat of the previous seasons 4th placed finish.

## Finally

So 2010 footy season came and went like last week's pay - 40 weeks that seemed to be over in one afternoon. I would like to personally thank all of the coaches, managers and support staff for their hard work and commitment as well as the loyalty they have shown me in my first season at the club.

To Peter Campbell and the committee thank you for giving me the opportunity and then backing it up with tremendous enthusiasm and passion. A special thanks to Josh Low for his drive and professionalism and for the partnership we formed in preparing our squad to perform and peak at the right end of the season.

Lisa and the kids, you guys put up with a lot during the season, but never do you begrudge me doing what I love so much and I always have your unquestioned support.

So we begin to prepare for season 2011. Things to look forward to include:

- Round 1 Super Saturday, will involve our 3 junior clubs and our alliance partners Macquarie Uni.
- A new era begins with the move to Mike Kenny oval at Greenway Park, Westbrook and the opportunities this will present to us.
- Some new coaching staff to be added to our ranks, which will help to bring enthusiasm and new ideas to our club.
- The continued involvement of Leading Teams in setting up the values, trademarks and behaviors of our club.
- 10 scholarship boys from our Under 18 squad pressing hard for senior spots.
- The opportunity for some of our existing players to begin a new season fresh and injury free.

Congratulations to all our team and club award winners. As the great Tom Edmunds once said, "It is nice to get personal accolades, but it is the team rewards that we strive to achieve".

See you in 2011.

## 2010 GRAND FINAL

Blacktown Olympic Park, 18th September

UTS	10	9	69
def Sydney Uni	6	6	42

One of the biggest challengers for the season for us was putting a team on the paddock that we selected on Thursday night. With the seniors hit with injury week in and week out our team regularly supplied players to the ones which caused much uncertainty; however, at the same time gave our players many opportunities which is what the reserves are all about.

It is important for the Reserves and Under 18's teams to put pressure at selection night on all the players in the senior team; unfortunately that pressure was not able to be sustained all year round due to injury or unavailability which weakened our team significantly. We were very fortunate to have the support of the under 18's who made us very competitive.

We saw many positives come from our season particularly the emerging Under 18's players who helped us out with some boys playing two games on the same day, these guys showed guts and determination and plenty of talent which puts the Club in a fantastic position for the future. Thanks to every Under 18 player who had a game with us you all did a great job.

There were many highlights during the season but none other than our first win at the Gong which was a gutsy and determined win coming from behind and every player who took the field showed character and desire to tough it out. Then the last game of the year when we defeated our arch rivals East Coast was something that everyone enjoyed and it was like a GF for us, very special.

We had many players that showed tremendous promise and many of the guys who played U18's last year showed us they will have a great future at Penno. The more experienced players like Peter Barnes, Sam

Low, Cody Stucker, Darren Boulet, James Ellison, Kent Weir and Paul Randazzo were all very consistent and we had a great find in Trent Roddan who had never played Aussie rules before this season and was one of our best and most consistent players. Ben Miles had a fantastic season as did Nic Baglin and Ash Govender. Great improvers were, Adam Dallas, Jackson Turner, Jacob Richards and Matthew Scarlett all got better as the season went on. We were really happy with many of the younger players in their first season namely, Danny Strange, Mitch Antman, Nathan Breen, Ronan Wordsworth and Ted Widmer.

The coaching panel was very proud of all the players who took the field each week and we know that next season will be a very special one for the club as the Reserves will play a key role in the club's future success.

We would like to specially thank our Team Manager Peter Carter who did a fantastic job looking after all aspects of the team that required his attention. You did a great job Pete and a big thank you. Also, thanks and well done to Wayne Keating who was the "third" coach on the bench, your advice and knowledge of the game was of great assistance to us. Thanks Kevin, Yardy and Tardy for your support and of course thanks to Ian "Chicken" Parker who did a great job on and off the field for the club in general. Thanks Richo for your support for allowing us to "poach" many of your Under 18 players.

We would also like to acknowledge the hard work of Peter Campbell and the committee for getting us on the field each week. Pete you did an outstanding job as President, well done.

## 2010 GRAND FINAL

Blacktown Olympic Park, 11th September

Moorebank	12	14	86
def Penrith	6	11	47

Being a novice to the position I set my goals for the year as follows:

- To develop our third tier players to step up into the reserves.
- To have the Thirds again play in the finals.
- To learn more about coaching in order to progress in a higher grade in the future.
- To help develop the club for the future.

What was achieved during the season?

- Approximately 15 players from Third grade were elevated into the Reserve grade with 6 players playing most of the season due to higher injuries.
- With only two actual wins this season we were not as successful as hoped to be in the Division 3 competition. This said, however, 3 games were lost by less than 2 kicks and many games were competitive until half time before we ran out of steam which I believe is mainly due to our lack of numbers at training each week.
- I learnt that in order to focus on coaching support is needed at both team and club level. Team level support includes a team manager that has no personal ties to any player in that team. The Thirds is often separated from the rest of the club and it is unrealistic to expect a manager who has a son in another team playing elsewhere in Sydney to be at the Thirds game. Another area of concern this season were the lack of club umpires and this is the most important aspect to rectify for the next season due to the fines and quite possibly the forfeiting of games. The type of club level support required is to have more home game support

- I believe that the Pennant Hills football club needs a Third grade football team to be competitive at both premier and first division. We need a place for our fringe players of the first division team to be nurtured. We also need a place where our progressing under 18 players can go to if they have not been looked at for the top two squads as this will encourage more of the youth of the club to participate for longer which is actually a goal of the wider AFL in NSW so we would be ticking that box also. As for the future of our third grade team, it is dependant upon the desired achievement for that level; whether the team is to be a place for people to simply participate or to be a provider to the second grade team. These goals will determine the placement of the team division for next year.

To improve next season a team session umpiring course needs to be run at the club for the Third grade team members to attend so as to enable a season roster for umpires.

A team manager also needs to be placed early to enable smooth administration for the year at this stage I'm open to suggestions, as I have no real fix in mind.

Overall I have found the season to be a success as we have learnt many lessons this year

# Under 18 Premier Cup Coaches Report

Due to our relative lack of player numbers compared with recent years we entered into an alliance with Macquarie University to enable registered under 18 players at Pennant Hills who were not selected in our premier cup side to play challenge cup. This alliance is still a "work in progress" given their lack of numbers and their different football culture.

We need depth of talent, and adequate player numbers in order to field three open age teams and we can only ensure appropriate outcomes through healthy numbers and a talented under 18 player group.

Our overall objective is to be the bridge between junior and senior football. We also have a social responsibility to assist young men in their overall development through their involvement with our football club. The way in which we approach our role as a club will often define whether they continue to play or drop out of football.

Young footballers often form enduring relationships at, or about under 18 level, so as a group we are more than just a football club. We can be a very positive influence by providing a team ethic with an allegiance to something much bigger than the individual.

Before looking at the season proper it is appropriate to mention two areas where I believe we could improve, in our attempts to serve both the interests of the club, and the player.

- We should consider establishing a system of objective player evaluation to assess key performance areas such as: kicking ability; marking; clean hands; ball winning; pace; endurance; recovery and agility; aggression and second efforts and various other key performance indicators. The player needs to be provided with, and be able to respond to performance feedback.
- We need a player mentoring programme so that all of our under 18s have access to a senior player, or players, at the club. This both improves the individual player's performance, and fosters a genuine connection between the under 18s and the seniors, and helps us to build our list.

In terms of results the year was mixed. We finished the home and away rounds in fifth place, being narrowly beaten by grand finalists East Coast, and (the then fourth placed) St George, in the lead up to the finals. In the elimination final we had a good win against St George, and suffered a narrow loss a week later against North Shore to finish fourth overall. The year was highly competitive and any one of the top four sides could have been premiers.

We had two outstanding contests during the year. The first was a great win against eventual premiers Sydney University when Tom Edmonds played some of his best football. The second was a huge win against North Shore when Nick Bills, in only his second game with the side, ran amok. This was our first win against North Shore for many years.

The players representing the club each week were subject to radical change on a regular basis. We travelled to Wollongong early in the year with most of our top 15 players away on representative duty, and were beaten. A spate of injuries to senior players in the first half of the year resulted in many of our players getting an early chance to play senior football, which should assist them in future years. Players who played senior football during 2010 included: Tom Rivers; Don Bull; Joel

McInerney; Jackson Ferguson; Jonathan Gourlay; Oliver Tweeddale; Jay Lewis; and Tim Wales. We also had 10 players in the GWS system, and various scholarship players who at times were not available.

We encourage our under 18s to take every opportunity to play representative football, and the year was exceptional due to a very talented group of under 16 players who played both representative football, and under 18s for Pennant Hills. This group included: Stuart Turner; Stephen Wray; best & fairest winner Tom Edmonds; Lachlan Sawtell; and Ben Mobbs.

We also developed a good relationship with players from the Central Coast and Newcastle some of whom also had representative obligations. This group included a lot of talent: Harry Butchart; Mitchell Crawford; Brandon Reed; Rhys Dawe; and Chris McKay who are all new to the club this year, and established players Jon Gourlay and Jay Lewis. This area of NSW is fertile ground for us as we have spoken to 5 other players who have expressed an interest to join us for 2011.

There are two other players who were eligible for under 18s but who are talented enough to have played the whole year in either the seniors, or for the Swans reserves. Nick Bills was an amazing discovery in his first year of competitive football. Nick played one game for us against Campbelltown at the start of the year, and a second against North Shore, and dominated. The other player is Jackson Potter who also had a great start to his senior football career. Injuries also played a part. Jac Simmonds suffered a recurrence of a knee injury, however we expect him to be back playing good football in 2011.

It is unusual in a team report to single out a particular group of players for specific mention. In season 2010 our backline was very accomplished and I expect the players concerned to contribute significantly to future success for Pennant Hills at senior level.

This group of defenders was led by the captain, and the player we nominated for the most consistent award, Fraser Nixon. The centre half back, GWS player, and recipient of the players player award Lauchlan Urwin, the best team man award winner Harry Angel, and in his first year of competitive football, the player who won our most improved award, Sam White. The player who, with Kane Clark, won our coaches' award was Michael Cantrall. The award winners mentioned above were complimented by terrific contributors during the year in Nick de Gorter, Tom Rivers, and central coast recruit Rhys Dawe.

Many thanks to the parents, families and others who spent time and effort in getting the boys to training and to matches. Thanks also to the physios and people who run the canteen and who perform the many tasks required to enable us to get out on the ground each week.

Thanks also to Matt Thomas who had to sit the year out as a player due to a knee injury, and who wanted to continue an active involvement with the club. Matt ran messages for the seniors, and as assistant coach for the under 18s was a great contributor both at training and on match day. Alan Gardiner was also great support in his role as runner, and in his very active contributions at training.

My thanks also to Henri de Gorter, team manager, sounding board, a person with great IT and administrative skills and who, despite barracking for "the Dees" has a terrific sense of humour. Other people worked really hard and filled in for roles at short notice including

# Under 18 Premier Cup Coaches Report

"Boxy's Dad" Glenn Dawe, Bob Wray, and provider of match day DVDs Trent Roddan.

Thanks also to Kevin Eynaud who as senior coach maintained a keen interest in the under 18s group, and who was happy to provide insight and inspiration during the year. Most importantly, thanks to the under 18s who represented our club with great distinction. Footy is the ultimate team game, thanks for being part of our team in 2010.

## TONY RICHARDSON

Coach Under 18s – PHAFC 2010

Jackson Potter

Joel McInerney

2010 saw new management come to the fore in the black and white form of President elect Peter Campbell, and amongst a range of innovations was the appointment (some would say shanghaiing) of a volunteer coordinator for the club. In previous years, the rounding up of helpers for match days and other events had been somewhat haphazard, so boldly moving forward, relative newbie (and completely naive) Henri de Gorter was anointed to this role.

The first true test of the clubs newly formed management plan was the Opening day at Blacktown Olympic Park (BOP) where Penno not only had all four teams playing, but was appointed ground manager, canteen operator and gatekeeper for the day by NSWAF (thanks Garry). At our Season Launch function, large sheets of butchers paper were produced, and a list of jobs for the opening day were posted, and happily mainly filled on the night.

The opening day saw bright skies, and a good result for the club with two wins, and all jobs well covered on the day. So much so that Garry Burkinshaw (NSWAF) was full of the praise for the clubs efforts and seamless running of the day.

Much was learned from this exercise, and the methods adopted on the day were further refined and applied for the rest of the season. With the help of team managers, coaches and committee, virtually all home games saw ground set ups, canteen and BBQ duties, and end of day clean ups carried out with a minimum of fuss. The AFL came to the fore as well, establishing a Volunteer Coordinators program (called "Hands Up") which PHFC participated in, and as such again benefitted from for the remainder of the season.

All of the seasons good practices were thus used as a build up to the end of season's greatest challenge, the finals series, where PHFC were appointed ground managers, canteen operators, and general duties across the six days of finals, at two venues. Approximately 240 individual jobs had to be filled, and about 80 club members, family and friends stepped up to the plate to help the club. As a consequence, no job went unattended, and the operation across the six days was a well oiled machine, with NSWAF paying overwhelming homage to the club in commending it for its incredible efforts. To steal a line from Juan Antonio "The Best Finals Ever!"

Of course, such praise only came because of the efforts of so many people who gave so generously of their time, not only during the finals, but throughout the season. Just some of the many who helped this year were (in alphabetical order):-

Adrian Fenaroli, Alan Brawn, Alex Myers, Andrew Wales, Anton Danilo, Arna Barnes, Bev Carey, Blair Hatherley, Bob Wray, Brent Frankish, C. Laing, Chad Fleay, Barman Supreme - Chris Thomas, Chris Urwin, Colin Huggins, Danny Strange, Darcy Chivers, David Corder, Di Carter, Diana Bills, Dianne Dell'Aquila, Frances Brodie, Gill Angel, Glenn Dawe, Greg Barnes, Harry ("I'm feeling loose") Ellison, Harry Ladomatos, Jackie Barratt, Jake Trestrail, Jason Clark, Jill Crisfield, Jimmy Ellison, Joanne Antman, Josh Mott, Justin Barratt, Ken MacRae, Kerry Turner, Lesley de Gorter, Luke Bilbe, Lyn Ellison, Lynne Danilo, Margot White, Marty Schindhelm, Melissa Deruyter, Meredith Dunell, Michael White, Mike Bills, Mitch Aitkin, Mitch Frankish, Neil Brodie, Neil Strange, Nick Coaldrake, Nick de Gorter, Owen Baglin, Paul Laing, Peter Myers, Peter Carter, Peter Jack, Peter Trestrail, Peter White, Ray Witt, Richard Varnish, Rob Coaldrake, Robyn Strange, Robyn Trestrail, Sally Parker, Sam Dell'Aquila, Sebastian Parker, Stephanie Witt, Stephen Barratt, Susie Wales, Ted Widmer, Tony Richardson, Tracey Baglin, Caitlin Thomas, Vicki Thomas, and Wayne Keating (and undoubtedly a host of others who have slipped my memory).

A very special mention must go to Maria Campbell and Judy Jack - Canteen Supremos who managed the canteens all season with their team of regular helpers. Also, Ian "Chicken" Parker, who tirelessly worked the e-mails, SMS, and committee meetings, helping to keep everyone in line; our hard working committee (you all know who they are), and lastly, our Maggie Loving President Peter Campbell, who I liken to a big iceberg; only the tip of his work is evident to most, but the bulk of it is done in the background, unseen by the masses. Overall, a good season for the club in this area, and hopefully it will continue on next season, when we hope that all who helped this year will put up their hands again next year!

2000 Premiership 10 yr Reunion

Season 2010 was again a successful football year for the Demons in that we fielded five teams and were successful in again having teams in the final series. The cost of such a success is not only measured in physical effort and playing skills, but in the ability of a club to unite behind its teams and deliver the resources to train, kit out and field these five teams. These costs are born via several avenues, the major contributor being the financial support Pennant Hills Demons receives from its major sponsors.

We are blessed at Penno to have again had the support this year of several such sponsors.

The **ARA Group** has been magnificent in its continued support in being a major sponsor of the club. The ARA Group is a premier building services and specialised building products company in Australia. An Australian-owned and operated business, the ARA Group is focused on companies that have a strong product technology, market position, brand recognition and sound management necessary to continue operating as an independent company. I take this opportunity again on behalf of our club to thank the principals of the ARA Group in Leo Browne and Ed Federman for their long-term interest and continued support of our club.

The **Pennant Hills Bowling Club** continued to be a sponsor and make available to our club the wonderful facility they offer to our players and members for their use. To be able to meet after training for a sausage sandwich and team selections, to have access to their function rooms and enjoy the warmth, good spirit and cooperation of their management and staff replaces the club room facilities we do not possess. We encourage all members and friends to consider the Pennant Hills Bowling Club when having a night out, the food and drinks are excellent and well priced, the ambience is friendly and family oriented.

Season 2010 also saw several new sponsors involved with the Demons and we express our sincere appreciation for their support and involvement. **Trafalgar Fire Containment Solutions** assisted by sponsoring the Thirds team and provided them with set of playing jumpers with their company logo. Other new sponsors were; **Total Construction Pty Ltd, Brand1One, Savi World Transport, Treeet.com.au, Toll Fast, Shelton's Quality Meats, Harold Park Raceway, Cut of Class Hairdressers and Level Playing Field Graphic Design.**

We as Penno supporters must be ever vigilant in spotting and approaching prospective sponsors. Unless you ask you will never know at what level a business or company may be in a position to offer financial or material support for your club. Planning for season 2011 has already commenced and having regard for the continued success of the club this year believe we offer a great vehicle to present and advertise any form of product. Our club is growing in numbers and therefore consumers. To all club players, members and supporters please keep your ear to the ground and advise any committee member of any reasonable prospect or lead.

To our entire sponsors and supporters a heart felt thanks every bit counts and through your generosity we will continue to play Australian Football in the Pennant Hills District.

**CHRIS THOMAS**  
Sponsorship Director

MEMBERS' FUNDS	\$94,153.00

Brendan Wray  
Treasurer, PHAFC Inc.

As I reflect on the 2010 season I can't help but feel it was a season that lacked momentum. A season that was again interrupted by wet days that stopped us from training and playing, on top of the normal breaks for school holidays. For all of us and especially the players this is a frustration – there is nothing better than seeing all the players from Auskick to U16 training and playing and enjoying themselves as they represent the Pennant Hills Junior Australian Football Club.

Some key facts on 2010:

- Player numbers remained at 2009 levels with 176 Junior and Youth footballers and 33 in Auskick
- 10 teams from U9's to U16's
- An enthusiastic Auskick group fitted out with full Pennant Hills gear.
- Our U16 Div 2 team finishing Minor Premiers
- 14 players making North West representatives team
- 1 player make Starz teams
- Three top five finishes in GSJAFCL Best and Fairest Awards, U13 Div 2 Harry Rivers 3rd Runner Up, U14 Div 2 Campbell Luscombe Eq. 3rd Runner Up and U16 Div 2 Lachlan Ford Eq. 1st.
- Three of our Umpires promoted to Orange Shirt status
- A strong and constant presence from St John Ambulance volunteers ensuring our players health and safety was paramount
- A new major sponsor, Beecroft Physiotherapy
- Continued great support from sponsors, Barry Smith Holden, West Pennant Hills Sports Club, Vasha Valley Meats and business partners Upstream Printing, Linda Gregor Graphic Design and National Weighing & Instruments. Thanks to one and all.
- Another year of sound financial management of the Club

In 2010 our Auskick numbers remained at the same level as 2009. John Edwards once again did a great job as Coordinator and this year was very ably supported by three newcomers to the Club in Scott Francis, Sean Ireland and Jason Schofield who did a wonderful job in bringing our young footballers together, along with some welcome support from Chris Scammell. Their organisation on Wednesday nights was fantastic and from all observation the kids had a great time. In 2010 all the Auskickers were kitted out in full Pennant Hills gear and they all looked fantastic. Highlights were the many gala days throughout the year and of course the halftime match during the Sydney v Richmond in early April. We look forward to seeing this group of Auskickers move through the junior teams over the next few years.

Passion and excitement is what we got from our U9's this year. With Gareth Richards and Liz Wiggins looking after the Reds and Alex Evans, Sam Boer and Jo Bolster leading the Blues both teams were in great hands. The improvement in the teams from round one to round was there for everyone to see – a great group of little Demons on the rise. With two wise 'old' footy heads at the helm and with a year of playing under their belts you could see the development of the U10's. Their competitiveness, match sense and team work was all on display. Thanks to Steve Monahan and Patrizia Tieppo for their guidance of the Reds and to David Pinker and Janine Raue for taking care of the Blues.

The peculiarities and vagaries of the draw were the only things that stood between the U11's making the finals and not. Barry Parker and Matt Corbett along with manager Dave Thomas got the absolute best out of their team for the second year running. Well done to everyone

involved you can look forward to U12 footy with great anticipation. After four years and in the final year of junior footy the U12 Reds and Blues took on and did very well against, in many cases, teams with bigger players but with no bigger hearts. It's great to see real teams play together and work for each other because it matters. This only comes about through great coaching and consistency with Terry Donohoe, Kevin Eynaud and Andrew Kinasch in charge of the Reds and Philip Moraitis, Paul Hanson and Dirk Wolhoff leading the Blues. A great job done by one and all.

In 2010 the U13's saw Mark Carroll at the helm for the first time with Scott McNeilage and Ertan Sertcan providing great assistance. The move up to youth footy can be a big step and whereas the team did not enjoy the success of 2009, the learning will be invaluable as they continue to move forward in 2011. Very well coached, a great game plan, lots of running and creative handball that's what you get from our U14's. Coach Richard Reid has put this team together over a number of years and the benefits of sticking to the plan have worked. Ably assisted by Kym Viant and Cameron Hurwood this group of young players will compliment the U16's very nicely in 2011 as they move up.

A great home and away season for the U16's finishing minor premiers, which was richly deserved. It was unfortunate that they could not repeat their efforts in the finals, but everyone involved in the team should be proud of what they achieved. The coaching team of Peter Barnes, Dan Keating and Jake Trestrail were all very impressive in their first year and as usual they were superbly supported by team manager extraordinaire John Acheson. Good luck to the boys moving on to senior footy in 2011.

Moving forward into 2011 sees a new era for Pennant Hills Junior's. With the Pennant Hills Seniors relocating to Mike Kenny Oval we will be the sole AFL tenant at Ern Holmes Oval. This creates significant opportunities for the Club to grow and expand offering us greater access to the ground for training across three nights which is desperately needed if our teams and players are to develop appropriately. It also potentially opens up opportunities for use on Saturdays.

Your Committee is working very hard to ensure that what we have developed over 40 plus years is not lost to mooted sharing arrangements that have been aired recently. We are of firm and immovable resolve that any sharing arrangement with other football codes is not workable on many fronts, not least ground overuse leading to degradation of the playing surface and the limited storage facilities.

We have significant plans to invest the reserves built up over the years into the improvement of facility and we are currently in discussion with the Hornsby Shire Council, with the wonderful support of the AFL to ensure our money is invested into our facility. In this report last year I stated:

'The challenges as I see it, facing the Club over the next three years that our committee will be working on are:

A growing club with limited training and playing space.  
A facility in need of upgrade and therefore the responsible apportionment of funds.'

These times are upon us now and we look to all our members, past and present, to support and assist your Committee in any way they can

in securing Ern Holmes Oval for our future. I believe the Committee is keen and eager to continue to lead this Club with the knowledge that there is support from the parent groups across all teams. Knowing that there are people ready and willing to take on their duty at set up, on the BBQ, in the canteen, at pack up, to help at a social function – whatever it may be – makes it easier to do the job we do. It was particularly pleasing to see so many mums take on Team Manager roles in 2010. Thanks.

At the Annual General Meeting in October all Committee positions will be open for nominations and we welcome new parents and friends of Pennant Hills to consider taking on this very important duty in providing a wonderful healthy sporting environment for our kids. Again, all coaching positions will be declared vacant at the end of the season and thereby paving the way for new parents who have an interest in coaching, to come forward to be considered.

There are always many people to thank at the end of a football season and I would like to recognise those who did so much in 2010. David Pinker VP, Football Operations Manager and Coaching Coordinator always there to do more than required and stepped in for me when I was overseas in April, he is one of the main reasons this Club goes from strength to strength. Bill Carey as VP and Ground Manager, his energy and passion for the Club knows no end and again his sense of what "Penno" means is crucial in how we move forward. Richard Reid, Secretary and Recruitment Manager hard working and thought provoking a significant driving force in our future well being. Phillip Moraitis, Canteen Coordinator, his practical approach, commercial mind and generous nature are key to the success of the canteen. Sylvia Contreras our sensational Canteen Manager, her influence on the Club grows each year and we are so lucky to have her. Terry Donohoe GSJAFL North West Juniors representative and awards coordinator, every year he steps up to do whatever he can to assist and 2010 was no exception. Scott McNeillage, his first year as Umpire Coordinator and we didn't miss a beat a welcome and new inclusion to the Committee, who was a major contributor to our photo library. Linda Gregor, Publicity Officer another great year of making sure we look good. Andrew Kinasch, Property Manager a big year in 2010 as we built up stock, acquired new equipment to ensure the football operations ran smoothly. John Edwards, Auskick Coordinator again doing a great job making sure our newest Club members are welcomed. Rob Norman, a new Committee member who did a great job in the Registrar's role and organising team photos along with taking many great photos throughout the year. Tom Woodrow another new Committee member who was a great support with sponsors and publicity and helped in the organising of social events.

To all of the above – thanks.

Finally as Jake Gunstone, Jono Swanton, Adam Nixon and Tim Acheson graduate from U16's we sadly say farewell to a few people who have been regular fixtures around the Club for years. Glenn Gunstone, a real football man who understands and appreciates the battle on the field, when work commitments were favourable, Glenn coached successfully for us over a number of years and it was always good to have in beside you in the coaches box. Greg Swanton who has been around the Club since 2001, he team managed in the early years and then joined the Committee in 2004 being responsible for the production of Dateline from 2005 on to co-coordinating the website since 2007. Even when travelling overseas Greg has still managed to hit the deadlines which is testament to his dedication to the Club. David Nixon who over the past five years has done his bit to assist the club through being Umpire Coordinator and Ground Manager, always cheerful and ever helpful his steady hand will be missed. John Acheson started his involvement with the Club in 2000 and over that period of time has team managed for six years and held the treasures role for four seasons. John has conducted himself in the most professional manner in the discharge of his duties and handled both those roles with expertise, putting in long hours of his time to make sure everything was spot-on. A number of his processes will now be used as templates for success as we move forward. His passion for the Club and the boys has always shone through, along with his sense of fair play. In recognition of his efforts John has been awarded Life Membership of the Club.

We all owe a huge debt of thanks for the contribution these families have made to the Club.

This year has been another rewarding year for the Club and I am once again proud to be President. I am seeing a greater contribution from parents and friends across the age groups, which is vital for the long term. I will stand again for Presidency in 2011, which will be a significant year for the Club as outlined above. However, beyond next year and into 2012, I believe it will be time for someone new to step forward take on the role. The contribution of many will continue to make this Club great, not just the efforts of one or two.

Finally, thanks Linda, Laura and Harrison for supporting me and giving me the time to enjoy my passion for football and this Club

**Brendan Gregor**  
PRESIDENT  
Pennant Hills JAFC

2000 Premiership 10 yr Reunion

What a great season 2010 has been for the club, following on from last year's successes both on and off the field this year. As I have moved around watching each of the teams throughout the year I have been very impressed with the skill level being displayed by all of the players that wear the clubs colours

The talent and successes displayed by both our under 9's, and under 10's during the year indicates that the club is on track to field competitive teams as they move through the age groups leading into competition football involving finals. It will be exciting to watch these teams in the years to come as they progress through. This year we had 3 out of 4 teams that we fielded in the structured finals competition with the under 11's 12's and 14's all playing in their respective finals, the under 13's were very unlucky missing out on the playing finals footy by just one win, a great effort by all teams concerned regardless if they made the finals or not, special mention to the 14's being victorious and winning this club it's second ever premiership flag the first in the youth age group and division. The club ethos was on display for all to see and was commented on to me by other club presidents that were there.

I am pleased to announce that players from our club won the regional awards for best and fairest s in both the under 14's Abe Ahn and under 13's Dominic Cantrall with Anthony Woodward winning a runner up award for the under 13's age group in their respective divisions on the umpires voting during the season.

A growth of 10 percent in playing numbers for our club is positive with the expansion of our club by two additional teams this year, whilst maintaining our strong Auskick numbers of 45 has been an indication of growth. The club now sits in a strong position for continual growth with competitive teams being fielded.

Our club had a number of players selected to play Reps this year with 2 being selected in the 13's and fourteen age groups which is a great achievement. I would also like to congratulate 2 of our club players who were selected and participated in the TPP program for the STARZ teams with Abe AHN in the 14's and Anthony Woodward for the 13's.

Some great Talent is being developed through our club at present which all goes well when it comes time for them to move up to play senior football.

## **STEWART WOODWARD**

President 2010

We are a volunteer community, all for the purpose of having players aged 5 to 16 play the game they love – AFL. I am truly amazed and thankful for the number of parents and supporters who give their time to ensure our children have a truly positive experience when playing footy.

Again Westbrook parents, players and supporters have demonstrated leadership in terms of the behaviours outlined in our Westbrook values:

The Westbrook trademark is:

***'Westbrook strives to be a successful community based club, standing for participation, fair play and mateship.'***

**Participation** will look like:

- Participation over results;
- Parents actively participating in the various activities and roles within the club
- Positive barracking from the sideline

**Fair play** will look like:

- Players playing within the spirit of the game
- Playing the game hard but fair
- Respecting the umpire's decision

**Mateship** will look like:

- Our preference is for players to play with mates
- Where we field 2 teams in any age group from U12's to U16's we will determine teams on individual player capability

Westbrook celebrated another year of growth with a 22% increase in Auskickers thanks to the leadership of Paul Vink. In terms of junior and youth footy, we grew another 2 teams in season 2010 and again grew in excess of our 10% growth target with nearly 15% growth in total player numbers (Auskick, Junior and Youth AFL).

I would like to congratulate all Westbrook teams for their hard work and determination during the home and away season. Our U11 Reds, U12 Blues Div 1, U12's Div 3, Under U14 and U16 Div 3 all performed at a level to qualify for the finals series. Congratulations to the U11 Reds for making it to the Grand Final, alas it was not to be their day and finished runners up.

I would like to personally thank all the volunteers for assisting in boundary umpiring, canteen/BBQ, coaching, goal umpiring, ground management, managers and runners. Heartfelt thankyou to our supporters who have dedicated their time to the club and in doing so have improved the playing experience of all players.

Finally, a big thankyou to our committee members who through their dedication to Westbrook ensured a smooth season for players and supporters alike.

**ANDREW MIEDLER**  
President

No 1 Barracker

## Club Person of the Year

The Club Person of the Year is awarded to the person (outside the Club Committee) that has demonstrated a consistent passion and commitment to the Pennant Hills Demons by making a contribution over and above normal expectations for the season.

As always, this is a very difficult decision to make as we always have a number of candidates that would be prove to be worthy winners. In 2010 the nominees were - Mitchell Frankish, Ben Beaston, Josh Low and Allan Gardiner and the winner of the award in 2010 is Josh Low. Josh is part of the Leadership Group and has taken on the responsibility for player discipline and fitness development. Josh put together a very comprehensive pre-season and in-season fitness campaign and led the way by being there for every session, often opening and closing the facilities. Over and above, many of the younger underage players whom respect his approachability and expertise see Josh as a mentor.

Off the field, Josh has also played a leading role as a participant in the AFL sponsored Leading Teams work with his ability to be forthright in expressing his views while also respecting the input of others. He is heavily involved in this group that is taking an intensive look at the Club's Strategy and Leadership. For his all round contribution as a player, coach, mentor and Club Volunteer, we salute Josh for an outstanding contribution to the Pennant Hills Demons.

## President's Award

This award is made to the individual or family or group (including members of the Committee) that has made an outstanding and sustained contribution to the Pennant Hills Demons.

In Season 2010, the Club recognizes Henri De Gorter & Family as the winner of this award.

Henri De Gorter is the Team Manager extraordinaire for the Under 18's and has provided much comfort for the coaches by always having everything organized well ahead of time and always in a correct manner. In 2010, Henri joined the Committee and took on the role of Volunteer coordinator ensuring that Match Days would prove to be a more enjoyable experience for all. The pinnacle of his work in this area was organising approximately 250 volunteers over 6 days for the Sydney AFL catering by Pennant Hills which was a resounding success for the Club and Sydney AFL. Henri also went beyond the call of duty working with the Canteen Manager Maria Campbell the day before each event to ensure that all stock was loaded at the venue and ready for purchase on game day. Over and above Henri's contribution, it would be remiss to not mention the support from his wife Leslie and son Nick with these duties, and more particularly, their outstanding management of the Trivia night which was an entertaining and financially successful event for the Club. Pennant Hills prides itself on being a "Family Club", there is no better evidence of this than the efforts of the De Gorter family in 2010.

### Special Mention of Appreciation

Maria Campbell and Judy Jack deserve the gratitude of the whole Club for their personal efforts in the smooth and successful running of the Penno Canteen, widely recognized as one of the best in the League. Canteen takings have risen by 50% over last year and then we had the bonus of the finals campaign which doubled our Home and Away season takings. Well done Ladies.

Ian, Chris & Peter prepare the BBQ

Judy & Maria

## Parker is Awarded Merit Award

**Pennant Hills stalwart Ian Parker was presented with the prestigious AFL Merit Award at the Phelan Medal Presentation Dinner on Monday night.**

AFL Merit Awards are presented to people who have contributed outstanding service to Australian Football. The criteria states that these volunteers must have contributed significantly to football in a number of roles for a minimum of 10 years, however, recipients are generally recognised for a lifetime of service and dedication to our game. The award has been running since 1931 and over the years recipients of the award have included household football names such as David Parkin, Sir Kenneth Luke and Noel Judkins, and closer to home, Ian Ferguson, Ian Granland and Ian Wright.

Each recipient's name is added to the honour board in AFL house alongside the names of 600 other past winners and they also receive a AFL framed certificate signed by the AFL CEO, Andrew Demetriou, and AFL Commission Chairman, Mike Fitzpatrick.

Ian has been a stalwart of Sydney football since 1991 after a long and distinguished career in Tasmanian football, including membership of the North Hobart Hall of Fame and Life Membership of that club.

In Sydney, Ian has been at the forefront of junior football as a member/coach/team manager of Westbrook and membership of Northwest and Northside Association committees.

He has been a very active member of the Pennant Hills Demons since 1998 and is a valued Life Member and currently Vice President of the club. Ian is well respected for his deep football knowledge, his high levels of accountability and integrity and his willingness to get involved in the cause of improving AFL Sydney.

There is barely a role within football that Ian has not taken on with success, from being a Tasmania Football League Director, through to talent identification officer, through to current AFL timekeeper, Ian has an imposing list of achievements throughout over 38 years in both junior and senior football networks.

Ian is still going strong today. In a state league club that has a very young and local list, he is still the 'go to' man for many players for advice, counseling and support. Throughout a life in football, Ian has made a valuable and sustained contribution to the game and upholds all of the values of youth and player development.

Ian Parker (right) receiving award from Simon Laughton - AFL State Manager - NSW/ACT Development

Firstly I would like to say thank you to Peter Campbell, Ian Parker, and PHAFC management for involving me with the club again in 2010, my 11th season with the Demons. Having a new seniors coach on board was made easy with Kev's very approachable style. Thanks must also go to those who were involved on a consistent basis each week including Cassie, Chelsea, Megan, Kim and Achini.

The 2010 season was a real shocker on the injury front, and I am sure Kev can advise how many players found themselves on the seniors list at some point. Probably the most notable (season) losses I can think of were Matt Thomas, JB and Azza (ACL ruptures – MT's was late last season), King (shoulder dislocation and subsequent re-co). There were many players (too many to mention) who had 4-6 week+ injuries throughout the season. Ben Beaston was one example (see Appendix for his injury list...too lengthy to be included here).

2010 should (without doubt) go down as the year of the hamstring. I have never seen as many as I did this year, and quite a number had recurrences (re injury) despite reasonable rehab. I thought it might be worth mentioning a few of the facts that we know (and don't know) regarding hamstring injury:

- Hamstring injuries are the most common injury in AFL, accounting for 16% of playing time missed through injury
- The lateral outside hamstring is the most commonly injured (about 70%), and represents the one most likely to be reinjured (as opposed to the inside or medial hamstrings)

- At AFL elite level, there is a 30% re injury rate for the remainder of the season
- Re injury can occur many weeks following original injury
- There are many factors related to re-injury but one key factor is that healing time exceeds the time that a player is actually able to feel "normal" again. The average hamstring injury takes about 4-6 weeks to repair, rather than the 2-3 that many people think
- Altered running gait is believed to be a factor in re-injury
- The biggest risk factor for having a hamstring injury is having had one previously. The effect of fatigue (i.e. reduced endurance), being over 23, and having reduced quad flexibility are also very significant
- Hamstring flexibility is not well linked with hamstring injury
- Anti-inflammatories have been shown to actually impede healing of muscle/tendon/ligament injuries
- Hamstring injury can be quite unpredictable at times!

Hopefully season 2011 will be one that will be more fortuitous on the injury front.
