**Matthew Carey** - 250 Senior Games

It was great to get a full season of football in after two years of COVID impact. To play a full home and away and finals season has been a pleasure. I would say that we have still seen some impacts of COVID this season. The disappointment of having to drop two teams, due to lack of numbers, and the lack of player and sponsor confidence did impact us. We are working hard to get back to full operations for season 2023.

## Football

Well done to the Women's Division 2 on winning the club's inaugural women's premiership. This is an outstanding achievement and is reward for the hard work of the players and the coaching group. Jed Corbett, as coach of this squad well done. Special mention must go to Mark Carroll as head of the Women's program. Mark puts in an extraordinary amount of work, he drives coaching standards, player development, recruitment and retention initiatives and building bridges to our junior feeder clubs. Well done Mark and congratulations on this reward. We look forward to this being the start of more premiership success for our Women's program.

In what, I think we all would agree, was a "below-par" on field performance for our teams there is still many positives to take from the season. We saw many new, younger players join our senior ranks and debut in Premier Division Football. Our new game plans were proven to stand up to the best teams when we executed them. Our development has been strengthened and we have greater depth to support our senior squads. The evidence in the success of our programs has been borne through:

- Stephen Wray being named as one of the best in NSW premier Competition as a joint winner of the Phelan medal.
- Eleanor Rugg being named full back in the female team of the year. Theo Moraitis being named in the forward pocket, Michael Carroll in the back pocket and Stephen Wray at Half Back Flank in the Men's team of the year; and Ella Morris signing with the Casey Demons for season 2023. These are outstanding achievements. Congratulations to the players but also to their coaches.

With this season "under our belts" we will consolidate and have more Grand Final appearances in season 2023. I am optimistic for both our Men and Women in season 2023. Mark McVeigh was back at the club and supporting our player and coaching development programs. It was great to have such high-level coaching support at the club. Mark ran some on field coaching programs for our player development program our teams and an outstanding coaching development session. It is great to be able to confirm that Mark has advised he will be around to assist our preseason training programs and coaching and leadership development for season 2023.

Our player Development program will build in strength and participation in season 2023. Twelve players from our junior feeder clubs signed up for it this year. This program builds better footballers and citizens and was very well received. Our junior clubs are keen to expand this offering for season 2023.

## Facilities

How fantastic are our club rooms. They have proven to be the best facilities in our competition, the envy of all other clubs. We have held a few events that have been a great success and will be looking to hold more as it is the best way to support our club. With grants secured for the lower level we look forward to this being finished early in season 2023. With more and enhanced change sheds we will be able to enhance our women's facilities and therefore the experience for them. Improved public facilities, storage and training will further enhance our offering to members.

## Functions

Our player welfare department conducted excellent work throughout the year. Many workshops for our players were very well received and helped to build our culture and awareness. Our Mental health round raised much needed funds for Gotcha4 life. Well done to Melissa Adams, Narelle Adem and the welfare sub-committee.

Our belated 50th celebration was an excellent night. Thank you to Ian Parker for his organisation of this first-class event. The calibre of MC, the balance of history, tradition and looking forward made this a night that will be talked about for the next 50 years. Congratulations to those who were named in the team of the clubs second 25 years, an elite list.

## Sponsors

Without our sponsors we do not get to play the game we love. In a year where they are also recovering, from two devastating COVID impacted years, we greatly appreciate your support.

Thank you to:

- Pennant Hills Toyota
- Ritera Electrical
- West Pennant Hills Sports Club
- Eylex Pty Ltd
- Wilson Parking
- The ARA Group
- PKFlooring
- Cosmo Coffee
- Security & Data Systems
- Good Drinks

To my hard-working committee thank you. This season the committee have worked hard to ensure stay in positive cash territory whilst providing our football programs and functions. I wish to make special mention of Stewart Woodward, and Dale Sparks for their work in football operations and the development programs.

Allan Abbott you are the heartbeat of our club, thank you for the work you do in all areas of our club. The club would be a much poorer place without you. To Leanne Maguire and Jo Bolster in Merchandise your enthusiasm and love for the club is infectious and your work appreciated by all.

Finally, a huge thank you to the President's Award winner for the season, Jennifer Williams. The many, many hours you put in to keeping our finances in order, traceable, auditable and easily recalled is both remarkable and outstanding.

Thank you to all who have put into our great club in any way. Every little bit makes a great difference.

Signing off

Season 2022 saw our first full season being played for several years following on from shortened seasons owing to Covid. While it was great to have football back, the hangover from the past two seasons impacted the number of registrations of players to play. This was not just a problem just within our club but across all clubs in AFL Sydney as players looked to do other things after two years of shortened seasons and having to deal with lockdowns. As a result of the lesser player numbers our club had two less teams in Men's Division 2 and Women's Division 1 amounting to a total of nine teams for season 2022. Hopefully with an increase of player numbers both teams will return in season 2023

This season we as a club decided to focus on development of not just our senior playing group but including the coaching staff, as well as the implementation of a Player development program for our talented players from our affiliated junior clubs. The club committed to providing finances, time, and resources for this to be achieved. This resulted in our club engaging Mark McVeigh from the GWS Giants to assist.

Unfortunately, Mark was elevated to the position of Head coach of the GWS Giants during the season which impacted on his available time in the second half of the season. Mark has committed to assist with the pre-season preparation of our club once that begins later this year. On field performance of the teams was highlighted by Pennant Hills winning our first ever women's premierships flag. Our club's Women's Division 2 side was the team to beat with strong performances throughout the season. The grand final was against Penrith and our team would not be denied, in a close game Pennant Hills were winners by 2 points to achieve the premierships flag.

For some of the other teams it was a season of what could have been. The Men's Premier Division Seniors team needed to win the last game of the year to make the finals against St George and came up short missing out. The Women's Premier Division team started the season slowly but came home strong in the latter half of the season beating most top teams including UNSW-East, Sydney University and a 4-point loss in round 13 to eventual flag winners East Coast. Men's Premier Division Reserves made the finals finishing 3rd on percentage before bowing out losing to North Shore and St George.

I believe the club has set strong foundations this year to be able to improve going forward with our on-field performance. I would like to personally thank all those involved in the football operations side of the club Coaches, Managers, Players and Volunteers for the time and effort you have put in for season 2022. Looking forward to season 2023

**Stewart Woodward**  
Football Operations Manager 2022

## Secretary's Report

After two shortened seasons we were successful in being able to play the majority of the home and away games in season 2022 albeit wet weather saw some rounds cancelled for the lower grades in both Men's and Women's competitions.

One of the main reasons why the club is financially stable again this year is that our player and members continued to support the Club financially and this is a testament to the Club, Team, Self-motto. The club's 50th year function at The Epping Club was a huge success and thoroughly enjoyed by everyone who attended.

The club fielded nine teams this year. We had senior Men's team in five grades as well as Masters and senior Women's teams in three grades. The Women's program, now in its sixth year saw the Division Two team successful in winning their Grand Final.

The club is supported by a committed small band of Volunteers who work tirelessly, week in, week out behind the scenes. The club's future success is dependent on this volunteer base growing to ensure the workload is shared rather than relying on the same people doing all the work.

**Jodi Sparks**

## 2022 SYDNEY AFL - REPRESENTATIVE PLAYERS

No games played in 2022

We kicked off our preseason in November with a launch night, which went over our new game plan and pre-season expectations. We welcomed in some new coaches & players, Tom Dureau would come in as our midfield coach (ex Port Melbourne VFL). We also picked up some handy recruits including Max Monaghan and Sebastian Quirk from Canberra (Giants VFL program). We also picked up Benjamin Button (Jason Blakemore), Nick Eynaud (returned from Canberra) & Nick Richards (ex VFL star) who would all make a huge impact throughout the season.

After a successful preseason learning our new game style, including a comprehensive win vs Ainslie in Canberra, we went into Round 1 confident of getting off to a good start. We would storm home to beat eventual prelim finalist by a 1 point at Henson that built some belief within the group. Our 1st half season form would see us defeat Sydney Uni (away) and have a couple of thumping club record wins. Our Round 9 match up vs UNSW would determine who sat on top at the halfway point of the year. Unfortunately, the injury train started to take its toll, we would lose a close game and key players. Nick Eynaud (thumb), who we now know at that point was leading our best & fairest, for the remainder of the season, Theo Moraitis (foot), Maine Vidler (knee), who was in career best form, Connor Matthews (foot) would all miss the majority of the remainder of the season. We were already missing Ranga Ediriwickrama (illness) Charles Allison (overseas), Jackson Potter (chest), Isaac Franks (foot), Tom Angel (knee) and these injuries would test our depth in the vital second half of the season.

This was a good time to blood some new players while getting some matches into our young team. We would go onto beat Sydney again and were a chance to win every game we played this season, which was a highlight for me. There were a couple of noteworthy debuts, one was

Christian Webster, who would go on to win a rising start nomination, we expect Christian to go on and have a great footy career. Another pleasing debut was Oliver Nockles, who works harder than anyone to get himself better and he added some real energy and grit to our team.

We would go into our last 3 games having to win 2 to make finals (Win all 3 we would finish top 3). We would play the reigning premiers UNSW, who would win the premiership again, leading them all day only to be overrun with no bench. We would beat Manly the week after but loose to St George at home which ended our year prematurely, while disappointing not playing finals, we sure gained a lot throughout the year. We have retained everyone and are confident of a more improved ladder finish in the second year of our new system.

I would like to thank all the award winners, namely Mitchell Blow for your huge year and Stephen Wray for winning the AFL Sydney Phelan Medal. Thank you to Kevin Eynaud, Tom Dureau, Matthew Thomas, Ranga Ediriwickrama, Don Ollington and Michael Trenaman for all your help. Also, to the leadership group who put in all year both on and off the field. Lastly thank you the committee for all your support and hard work. Onwards & upwards in 2023.

After two shortened seasons and with a new senior coach and new game plan, the 2022 season had lots of promise when we started back in November 2021.

As it turned out, it didn't end the way we wanted it to, after finishing the home-and-away season in third spot and giving ourselves every opportunity to go deep in the finals.

Our aim all year was to finish top three and get the double chance.

After we beat UTS in Round 11, we looked like we could hold third spot and although North Shore gave us a touch up in Round 12 in the wet, I thought our performance against Sydney Uni in Round 14 gave us the belief we could do it. If you asked me before the finals series who I thought would play in the Grand Final, I would have said North Shore and us!

Congratulations to St George who knocked off the previously unbeaten Sydney University in extra time.

We used an incredible fifty seven players during the year, of which twenty one played Premier Seniors, six making their Senior team debut. We also had ten players make their senior debut and thirteen make their Reserves debut.

Congratulations to all of our award winners.

Thank You's:

Thank you to Brendan Gregor on the board on game day and Glenn Gunstone for his game day advice.

Thanks also to Tim Scoular and Sam Zikman as line coaches on game day.

Thank you to Phil Scarlett as our Team Manager and to Michael Trenaman and his assistance to Phil.

Thank you also to Harrison Gregor who was our Team Runner  
Thanks also to our co-captains: Matt Browne, Jimmy Carroll and Bomber Thompson and to the rest of our leadership group: Jake Gunstone, Regan Pinker, Jordan Rene and Patrick Witt, not only for your on-field leadership, but your leadership throughout the year.  
Thank you to Ben Roberts and all of the Coaches, Physio's and the Committee for your support throughout the year.

Congratulations to the Women's Division 2 team on your Premiership and to all involved in our Women's program.

Thank you to my family for your support and understanding.

And thanks to all of the players. We didn't achieve what we wanted to this year, but we have the belief and knowledge to make 2023 our year.

**David Pinker**

## 2022 ARMSTRONG MEDAL

Ross Trent	Nth Shore	14
Oliver Maybury		9

Season 2022 finally saw a full season of football played following the disruptions of the two seasons prior. The 6-team competition that is Div 1 was a replica of 2021 with 3 three teams; Sydney University, North Shore and Western Magic clearly a cut above and the remaining teams being UNSWES, UTS and ourselves playing for fourth. We ended the season with 4 wins from 16 games, finishing 5th with the improvement from the midpoint of the season a positive for all. The mid-season stretch which saw us win 3 out of 4 was most definitely a highlight. This gave us the confidence to compete against the top 3 and not surprisingly we were able to sustain our greater collective effort for longer when we faced these teams in the back half of the season.

Division 1 always sees a high volume of players go through the team and in 2022 it was no different with 64 players used in total. Had it not been for a washed-out game in the middle of the ski season, 70 would have been achieved. It was pleasing to welcome numerous new players to both the Division 1 and the club. To those new to the club and the game in Jye Durkin, Riley Warner and Kai Watton, well done and hopefully the on-field learnings from the season will assist in years to come. To those that graduated from u/19s and current u/19s that played, well done on your efforts.

To the following award winners, well done:

Best and Fairest Oliver Maybury – hard as nails on baller whose relentless attack on the football and passion cannot be questioned. Give him a job and he will do it, an absolute pleasure to coach. Also, a worthy recipient of the Players Player Award such is the high regard he is held in by his teammates. Given he has only been playing footy for 4-5 years, he has plenty of upside.

Runner Up Best and Fairest Darcy Carnahan – great reward for a solid season on the training track. Can play on ball and is also willing and more than capable of taking on the oppositions best forward. A great club man that keeps the boys together both on and off field. With a strong pre-season should be pushing to a play at a higher level. Will need to review his holiday scheduling however.

Most Consistent Cian Furlong – a more than capable footballer across a wing / half forward who consistently does his job week in week. Would have been in our best 6-8 players every game he played.

Best Team Man Michael Fiedler and Matt Peters – Michael has proven over the years he is a more than handy Division 1 footballer however injury prevented him from taking the field until the back half of the year and returned to play, being one of our better players across the last 4-6 weeks. Matt started this year having played Division 2/3 in recent years and proved himself to be more than capable Division 1 player. To his credit all throughout that journey, he was one of the first there, always offering to assist in any job and always with a positive attitude.

Coaches Award Scott Chapman and Bill Kaczmarek – Scott celebrated a major personal milestone during the year turning 21 on the day of our 1st win for the season against UTS. He started the year at Centre Half Forward, was thrown into the ruck in Round 3 and didn't look back. His combination with Maybury on ball was outstanding and coincidentally when they both played well, the team played well. A shoulder injury saw his season finish early, no doubt he will return bigger and better in 2023. Bill is still 17 and very raw in his football journey. He was promoted from the under 19s in Round 6 and didn't look back. He ended the season as a popular team member who always played an important role. His attitude and willingness to buy into a new team was a credit to himself. A big future awaits.

Thank you to Ben Lucas for his assistance as manager, a job very well done and with minimal fuss. You wouldn't even know he was there most of time such is the ease he goes about things. Thanks also to young Hugh Lucas who assisted as goal umpire most games and got more joy out of a Pennant Hills goal than the actual players. To the others that helped throughout the course of the year in varying roles, thank you very much.

That's the end of 2022, a season where we had plenty of learnings from the 3 top teams in Division 1 and some great even contests with the 2 remaining teams in the competition. The year provided a great opportunity for those both new to the game and those out of under 19 to get a first-hand experience of both senior football and to be part of our great club.

With season 2023 to look forward to, it would be great to see the bulk of this team returning and being committed to pre-season training and doing the necessary work to ensure everyone's fitness and skill levels improve. A great opportunity for all to build on the off-field culture that was established in 2022. Congratulations to all for your attitude and effort during a season that whilst tough on field, was most definitely a step forward as a group.

Jack Jensen	NT Breakaways	19
Nicholas Baglin		7

In the words of Dave Grohl and the Foo Fighters "it's times like these you learn to live again, it's times like these you give and give again, it's times like these time and time again", and in season 2022, the young men from our Division 3 side gave and gave again and again to deliver a quite magnificent season in many aspects.

We may not have won the competition or even played finals, but we gave it a damn good shake and left nothing on the table when the final siren sounded. We rotated 47 players through our team and still managed to create a consistency of performance which would be the envy of many clubs.

The statistics of the season can be interpreted in many ways, but the real value of our achievements comes from a deeper place than simply adding up goals, tackles and a win/loss ratio. The true measure of our success was in the relationships built, the memories created and the personal development of each player, no matter if this was their first or 15th season of Australian Rules football.

Take Harry McDiarmid and John Plater for example. First year players with a rugby league background joined us on day one full of energy and enthusiasm. They immersed themselves in our club, and even though they may not be the loudest of individuals, they turned up the volume of our team on the ground with multiple displays of courage and skill and most importantly with a huge smile.

Joshua Everett and Tommy Pellizon joined as first year players as well and both will be hard to stop moving through the grades in years to come. Josh is a devastating midfield hard nut who gets his head over the footy and takes no prisoners bursting through midfield, he is a joy to be around. His mate Tommy joined from Sydney FC as a goalkeeper and will develop into a fine centre half back / ruckman in years to come (despite the braids in his lovely ginger locks).

Morgan Hide and Sam Rice were also new to the club and brought significant quality to our club as people and as players. Sam is a giant of a man, fearsome in the ruck but with a heart of gold. He doesn't apologize for mowing people down like Josh Ward does, but he plays in the right spirit and under the tutelage of Warren Atwell, showed us what a fine future he has. Morgan had previously played for Southern Power and was a shining example of a man willing to learn and apply himself to improve. His attack on the footy, down back or in the forward pocket, was intense but the way he integrated into his new club was great to witness.

These new young guns were supported so well by the more experienced players around the club. Guys like the influential Jack Watkins, Matty Miles, Tim Acheson and Alex Rashleigh had a real impact on the club and their teammates all season. Guiding them through training sessions and games, and showing them the values we guard so closely at our club was inspiring.

Who will forget those golden moments captured by Josh Ward through his TikTok videos, not to mention Nick Baglins shakin legs when he was cramping so severely it looked like he was being tasered in the nether regions like a scene from the Hangover. The sight of Trent Summers-Levin standing anywhere near Warren Atwell resembled a bonsai plant underneath a Yellowstone redwood, and special mention to the unlucky Conor Hogan dislocating his shoulder for the 63rd time. And the moment they formed a tunnel for a Sydney Uni div 3 women team was simply beautiful. These are just a few memories this group created in an epic season.

Unfortunately this squad is too big to mention everyone in this brief passage, but everyone contributed in their own way on and off the field and built a great platform for an even more successful 2023.

Similarly, there are so many people I need to thank for helping us deliver this seasons achievements. For as variety of reasons, my heartfelt thanks to Liam Ward, Pat Hull, Matt Cassidy, Warren Atwell, Peter Carey, Sebastian Parker, Ethan Hare, Todd and Jenny Williams, Ollie Maybury, Allen Abbott, Stewart Woodward, Ian Parker, SUE blow, Carol Hare, Paul Vink, Lauren Cain, Rod Vowell, Alex Williams, Phil Scarlett, Leanne Maguire and so many more, thank you.

It is fitting to end this review with another Foo Fighters quote which resonates with me about each and every player I am so grateful to have coached - "there goes my hero, watch him as he goes". I will see you in the next one.

The Under 19's side had a new feeling about it at the start of 2022, a new coach, a new system and a lot of new players. We had a total of 50 players go through our Under 19's side this year which was as difficult to manage with one team as it sounds. A lot of boys returning after a few years away from the game and a handful had returned from the season prior.

We believe preseason went okay, a lot of our boys doing a large chunk of their preseason with the senior squad but we only managed 2 practice matches in the lead up to the year so we weren't sure exactly where everyone slotted in just yet. The aspiration at the start of the year was to play finals for the first time in a few years.

Round 1 was certainly one to forget going down to Wests by 80 + points but it certainly showed having not played a whole heap of games together. The next 2 weeks had us looking okay, our first win of the year at home against UTS and a narrow 1 goal loss to Sydney Uni made us believe that anything could be possible. Unfortunately for us, the difference between our best games and our worst games was a massive gap. When it came to competing against the top sides and trying to ensure we were competitive each week became a real challenge. Large losses to UNSW, North Shore and Manly twice really stung. But it wasn't all bad, there were 4 games we lost by just under a goal against Sydney Uni, UTS, East Coast and St George hurt our ability to compete for finals in the back end of the year. An alternate universe we win those games and we possibly play finals, unfortunately that can be the harsh reality of football sometimes.

The big win of the season came in the last round of the year in taking out St George at our spiritual home of Ern Holmes Oval by 8 points. It was our Grand Final and the boys certainly competed and played as such. It was a great way to round out the year and celebrate a tough season for a lot of players involved.

Just a big thanks to Trent Haynes for the first half of the season and

Daniel Weathers for the back half of the season being team manager, made my life a hell of a lot easier. Also a massive thanks to Trent Roddan for assistant coaching throughout the year. Your hard work and dedication made things much easier.

## 2022 SYDNEY AFL - TEAM OF THE YEAR

Elly Rudd Grace Painting

Coming into our 3rd year of Premier Division we were excited for a full season of competition ahead post-covid. We had a good mix of experienced and young players play Prens this year, including debuting 8 players under the age of 21. This season also came with new co-captains, in original and experienced player Alex Wade and the prior year's Best & Fairest Tayla Duguid.

We started off the season in perfect stride with 2 solid win against Southern power and Macquarie Uni, with standout performances from key players such as Eleanor Rugg, Tayla Duguid, and Eliza Harvey, with the latter scoring 4 goals against the Power. The next few games we put together some inconsistent performances, including three losses that were by 7, 3, and 7 points each. These losses were tough to swallow, but during this period we learnt resilience as a team, and discussed ways of improving from the coaching level down, to which there was a massive change of mindset and adjusted tactics for the next half of the season. During this period however, Madison Hare was an absolute standout leading through her constant directive communication on the field that does not go unnoticed to helping her win ruck taps and centre clearances.

From Round 10, we started to build on lessons learnt, and made a run for the finals that was unfortunately only just cut short. We won the last 5 out of 7 games, losing to Premiers East Coast by only 4 points, after leading the first 3 quarters. Kaitlin Noble was a marking machine in these games, and was getting better and better as the year went on. Liz Gordon also had her best year to date, punishing opposition centres with her tackle pressure, and ability to win the ball in contested situations.

What I thought was our best win of the season came against North Shore in Round 12, and after coming off a 34 point loss last time we met in Round 7, we bounced back and won by 35 points ourselves. This game was played on during the 'mud bath' torrential rain, and we put on 60 points, led by Briana-Lee Wade with 4 brilliant goals, some of which from near impossible angles. Ella Morris also had a blinder this game, and played her heart out for late part of the season after returning from a broken wrist in unbelievable time.

Ella has also signed with VFLW side Casey Demons, for 2023, and while it will be hard to see her go, she's been brilliant when she's played with us over the last 2 seasons and thoroughly deserves this. All the best and you'll always have a home here with the Angels.

Kaitlin Quinlan was awesome all year in the back line, and deserves to be called out for often tagging the toughest forwards in the competition, frustrating her opponents to no end. Co-captain Alex Wade was instrumental in our last 2 wins of the season, kicking 5 goals in her last 2 games and having some absolute 'captain's knocks'.

I'm looking forward to next season, with hope that we continue to build on our great end to the year, and make a true run for the finals which is definitely within target. This was truly a season of two halves for us in Prens, but it wasn't for Jed's Division 2 premiers who were the benchmark of that competition. They were awesome all season and deserved the first Angels premiership in our history, and that was the best I've seen our entire squad celebrate in years.

Lastly, thanks again to great help from Mark Carroll as usual, who was our forward line coach again for the season. Thanks also to Terry Donohoe put on the famous pink shirt again and even put his body on the line at one point. I loved having my first manager Al Abbott back with us again where he belongs, and Aaron Crisfield was great again to bounce ideas off all season as the mid-line coach. Aaron has the same passion for this as I do, and I love having him around at my side every game.

To every Angels player this season, this was my favourite in many years, and I look forward to getting better again next year and seeing all teams succeed.

## 2022 ANDREWS-BURGMAN MEDAL

Amie Vamah	Penrith	16
Madison Fleming		13

We started the season with the aim of winning a premiership and looking to build on the foundation of the groundwork we had done the year before, but aiming to refine certain skills and game plan strategies that had caused our downfall in the year before.

After a delayed start to the season due to so much rain, we finally got on the field in round 3 and managed to start our season with a win! It was the momentum and confidence boost that we required. We then went on an absolute hot streak, winning game after game. We secured top spot on the ladder and didn't have our first loss until round 11 of the season. We really started to gel as a whole team and the way we executed our game plan was starting to feel second nature.

At training sessions throughout the season, we struggled to get consistent numbers there each week, but ended up combining with the premier division women's team one session per week and you could see the visible improvement in our skills and game plan when we trained with them. We finished the last 6 rounds with 4 wins and 2 losses, taking our tally for the year to 11 wins and 3 losses and securing top spot on the ladder.

In the qualifying final we put on an amazing display, beating 2nd place 51-0 and securing a spot in the grand final. We waited eagerly for our opponent in our week off and we were set to play Penrith in the big dance. The game was a thriller, we lead at half time but were behind going into the 4th quarter, we finally managed to kick a goal to put us in front by a point and hold on to win the grand final by only 2 points. Our expectations for the seasons had been accomplished and we had won the first women's premiership for Pennant Hills.

It couldn't have been done without all the support from everyone that is involved in the Women's program. From our President Todd Williams who helped with anything we needed and always was looking to support our needs. As it was my first season coaching, getting support and guidance from the other coaches, Mark, Fids, Nick, Az and Terry was incredible and there was no way we could've accomplished what

we did without their help. I'd like to also thank my manager Jenna for her continued work throughout the season and also Al for his support as well when needed. A thank you as well to the physios and S&C coaches that were there all season making sure we maintained our peak level of fitness.

Finally, to all the girls that I had the pleasure of coaching this year, you made it the most enjoyable year of football for me and you deserve all the credit for what you achieved. I am looking forward to hopefully looking to go back-to-back and doing it all over again. Well done girls and go Penno!

## 2022 AFL SYDNEY MEDAL

Chloe Lambert	Camden	17
Emma Dunn		7

Season 2022 was probably one of the more enjoyable years I have had as a coach. Coming off of a season last year where we were robbed of a chance at a flag due to COVID, we came back with a smaller squad which proved challenging in the early parts of the year. We started the season with pelting rain that wrote off the first 3 games, meaning our first match came against St George, down in St. George, where we were thoroughly beaten. I remember coming away from the match and thinking, this may be a long season, with memories of 2020 coming into my mind. The first month or so continued in a similar fashion unfortunately, with 4 of our first 5 matches against teams that would finish in the upper echelon this season, we were coming close to last with only Newtown sitting beneath us.

Ultimately the first half of the season is what let us down, we finished the first 8 games with 2 wins and 6 losses. This was however where we turned the whole thing around. The second half of the season featured a slight tweak to the game plan and the buy-in from each player in the team that resulted in us winning several key matches, including beating the team that ultimately came top of the table twice in what were their only two losses for the season. We went from cellar dwellers to the team that is feared, which was one of my core aims for the season - teams to be scared of coming up against the Pennant Hills Women Division 3. We rocked the competition in the second half, completely flipping our ledger and winning 6 of the final 8 games. A huge shout out to the team for this because the improvement in each and every one of you from the start of the season to the end was massive. We ended the season with a score line of 8 wins and 8 losses, narrowly missing out on finals but I could not have been more proud of the team and their endeavour throughout the season.

A big congratulations to the award winners, all well-deserved and a show of the effort that you all bring to the club and our team.

As usual, there are several people for which the team cannot operate. Firstly a big thanks to my Dad, Henri de Gorter, who puts in the effort each week to not only complete all the match day duties, such as the team list, the votes, players player, the lollies, the jumpers etc. but would also not hesitate to fill duties like goal umpire or timekeeper in a pinch.

The team simply would not function without his effort and I thank him for his support not only in his capacity as manager but as a keen supporter of my ambitions as a coach and his love of the team.

To the other coaches, in particular Mark Carroll, who we do a lot of training and match simulation with, it was a pleasure to coach alongside you and I thank you for your efforts in assisting with all the training as well as occasionally (often) filling in for me when I had to miss matches for various social events. Congratulations are in order for Jed Corbett for becoming the first Women's Premiership Coach, he did a terrific job with the Division 2 team this year and the Premiership was a fitting reward for his and the team's efforts!

To the club, especially the committee and Todd Williams as president, thanks for all the work you do behind the scenes to get the teams on the pitch, it often goes unnoticed but both I and the team really appreciate everything that you do.

To the team and the wider playing group, thanks for making the last 4 years of coaching an absolute blast, the tight bond you have formed over the past few seasons really shows and the improvement in women's footy has been extraordinary. To all of the girls who played in my team this year, it was an absolute pleasure and I hope that you enjoyed the season. I encourage you to come back next season because based on our latter half you could certainly give it a tilt and get a flag.

As many of you are aware, this will be my last season for at least a few years as I am shortly relocating to the UK, but I look forward to seeing what happens with you all and will be keeping an eye on the PlayHQ results! Until I see you all again, EHBT.

## 2022 LEADING GOALKICKER

Peter Carey	30
-------------	----

Heading into our third season in the Masters competition, confidence was high that we could again build upon the previous season, looking to bridge the gap to the top and compete for a flag in a very competitive division. Although ultimately we fell short, we can look back on 2022 and be happy with how the year unfolded. We can be proud of our efforts on the field, coming third, but also be proud of the great culture within the team, a great bunch of blokes who simply love being involved with the Penno football club.

Following on from 2021, where we had great numbers at training, 2022 preseason saw the usual suspects get out on the deck early, keen to start the season as soon as possible. And this theme continued throughout the season with healthy numbers at training all year. Player wise, we were fortunate to keep most our playing group together from 2021 and even managed to pick up a couple of gun recruits in Huggo and Astro helping bolster expectations for the season.

Looking to the season, our first game versus Wests, saw us face an opponent we hadn't played across our first two seasons. With a depleted squad, and a hint of stacking from the opposition we unfortunately lost a close game, on a ground that could only be generously described as heavy, as the early season rain had taken its toll. With a single game finals system in place, an early loss against a team we should have beaten, was not a great start to the season.

For our next three games, we played against South West Sydney Blues, Balmain and Sydney University, recording wins as was expected, albeit having to work a bit harder than expected against Balmain as we started the game very sluggish, but came home strongly to win the game. Our season was back on track.

Round 5 was where the hard games started. First up was UTS Bats, a new Masters team, but a team with "healthy demographics". We expected a challenge and that is exactly what we got, as the quality of their midfield was evident from the first bounce as they dominated the clearances allowing them to gain forward entries on the small bottom deck at MKO. This was the difference in the end as we lost by 6 goals, our biggest losing margin for the season.

The next hard game came against the best team in the comp over the

last few years, the Southern Dingoes. We knew we were up for a big challenge but after only losing against them last year by two goals, we knew that if we brought our best game, we could definitely challenge them for the win. Adding to the mix were weather conditions that were "less than ideal" as torrential rain bombarded MKO with a field that was better described as a pool like surface. This game was where our commitment and effort went next level, where every player gave their maximum delivering an exceptional performance. Unfortunately it wasn't enough, as the wily Dingoes were able to shut the game down when it was in the balance, eventually running out 5 point winners.

Next up was the undefeated St George down at Olds Park. As we were coming off two losses, the Dragons went into the game as deserved favourite but we were confident that we could give them a good contest and push them to the final siren. The game was an epic battle, with the lead changing across the game, but it was a game where our effort and intensity befitted the red and the blue, with every player again giving their maximum. The game went all the way to the final siren, but this week it was us who were able to shut the game down in the last 5 minutes, eventually running out 4 point winners. A great result.

In the last two rounds of the season, we played Sydney Uni and Balmain again, closing out our season in style with comfortable wins. Looking back across our season, we can rightly be proud of our efforts and be satisfied with only being a couple of goals away in ability from winning the flag. We improved individually and as a team, laying down the platform for another successful season in 2023.

Thank you to the Committee, the Physio team and all club volunteers. Without all your thankless efforts we simply wouldn't be here. And thank you to my family for allowing me to continue with my love affair with footy.

<b>TOTAL MEMBERS FUNDS - From BALANCE SHEET</b>			<b>\$ 152,386</b>			<b>\$ 155,273</b>

The above table is a summary of the club's financial accounts for the 2022 and 2021 playing seasons.

The 2022 accounts have been audited and full details and balance sheet were presented to members at the December Annual General Meeting.

The club maintained a stable financial position with a small end of season loss of \$ 2,887.00

**Jennifer Williams**  
Treasurer 2022

Eighteen rounds and a finals campaign – who would have thought after two very short seasons in 2020 and 2021 we would finally get a full season in. And wasn't it a good one! History was created with the Women's Division Two team taking home the premiership flag in a thrilling game. Congratulations to all involved in this historic win.

Thank you to our Demons family for putting your faith in us to deliver yet again supreme physiotherapy and medical services for the whole club. We have thoroughly enjoyed every early start and late finish that is involved with the role. And of course, this would not be possible without the tireless efforts of our staff. We saw more the 30 Physiotherapists and Sports Trainers work for the Club this year, which takes a huge amount of organisation. From Fairfax to Weldon, we had you covered. Special mention must go to Caitlin for coming out of 'semi-retirement' to lead our physiotherapy team home strong. Your passion for sport and knowledge of high performance was put to use in the back end of the season, and boy did we benefit from this. We cannot wait to see how much more you can do for the Club next year!

Injury data as always was recorded each and every week. From cuts and abrasions to shoulder dislocations and complex thumb fractures, we saw it all this year. There were a few notable returns to play that we had the pleasure of being a part of. Aaron Crisfield return to play the final few rounds and finals in Reserve Grade after suffering a season ending quadricep injury 2 years ago. The grit and application to the rehabilitation program put forward to Aaron was second to none. A tear was shed by all as Aaron completed his first full game in 2 seasons. Thank you Aaron for letting us be a part of your journey.

Surely you will play Round 1 2023 to reach the milestone of 200 senior games?

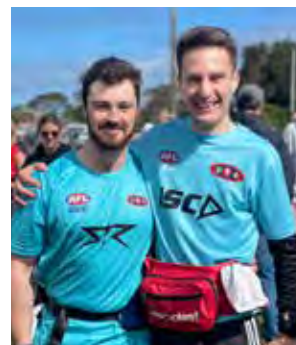

Lisa Maynard was another display of Demons determination. Returning in the back end of the season from a Grade 3 MCL Rupture/Avulsion to then playing the Grand Final with a broken toe. Lisa, you did everything we asked of you and you now have a medal to recognise your efforts.

This year saw the introduction of an injury prevention game day warm up that was designed and conducted by our Physiotherapy and Sports Trainer team. The energy that came out of these warm ups with the competitive priming games was next level – let's take it to another level in 2023! Off the field, our physiotherapy team performed as well. Best on ground at our end of season celebrations has to go to Jack, Josh and Hugh with their rendition of Taylor Swift's 'Love Story'.

It wouldn't be a physiotherapy report without mention of injury prevention. Enjoy the off season, however, remember you are only as strong as your weakest link. Find that weak spot and strengthen it over this off season and preseason. See you all back for a massive 2023 season.

**Lauren (Cain) Wright**  
Head Physiotherapist 2022

## Club Umpires Report

It was so good to have a full season this year! After a couple of interrupted seasons, we entered the 2022 season with 2 less teams than took the field in 2021. The interruptions also meant that it took a little while to build up our club umpire stocks. We were able to cover 67 of our 68 games with 19 different umpires controlling the games. This is down on last year's 25 umpires.

Our King of Umpires Allen Gardiner again covered the most games with 14. A huge thanks to Allen along with Madison Fleming and Jason Clarke who umpired a total of 35 game between them. A great effort considering Jason spent part of the season overseas and Madison was also juggling playing and boundary umpiring.

The full breakdown of games this year; Allen Gardiner 14, Madison Fleming 11, Jason Clarke 10, Eleanor Rugg 8, Patrick McMurrich 5, Mikaela Mahony 3, Nigel Blow 3, Tim Wolnizer 2 and 1 each for Dave Bell, Sebastian Parker, Brett Thompson, Ivatt Mitchell, Greg Hume, Nick de Gorter, Kieran McMurrich, Zac Baglin, Joel Cousens, Phil Hare, Malachi Foxsmith

I know that at times umpiring is a thankless job so thanks to everyone who blow the whistle and made sure that our commitment to provide club officials was achieved during the year. Without your work clubs like Pennant Hills that provide a playing level for all can't get on the field.

With the likelihood of having more teams in 2023 we are going to need more club umpires. If this sounds like something you'd like to do or if you know someone who might be interested, please get in contact with me by email [umpires@phafl.com.au](mailto:umpires@phafl.com.au) no experience necessary. It is my job to make sure you are equipped before you take the field.

**Dave Bell**  
Club Umpire Co-ordinator 2022

This year was Hornsby Berowra Eagles 25th year as a club and it was great to see a full season through to the finals with majority of our eligible age groups making it through and in most cases achieve their first finals experience. To top our 25th year off, it was fantastic to be awarded AFL Sydney, Sydney Harbour Junior Club of the Year for 2022.

**Kicking Dynamics:** The club engaged Tim Schmidt from Kicking Dynamics to run professional coaching clinics across our junior age groups. Unfortunately this was not unscathed by Covid and we unable to complete club wide clinics this year. Moving forward we have already booked sessions early into next season to make up for this and look forward finessing skills throughout the club.

For Auskick, we continued to grow in terms of numbers with 60 odd players participating every week across the program. Our Auskick nursery continues to build year on year with our movement from Auskick through to underage grade football continuing to build momentum. It is also extremely promising to have the parent involvement and volunteering we have to assist in our program and to help bridge into grade football.

Our Under 9s and Under 10s had a great season. We entered two Under 9s and the one Under 10 teams across the age groups with some very solid numbers in both all teams. The young players dominated across their games and whilst not overly competitive, it showed some great signs for years to come.

For our competitive age groups our ladder positions as follows:

Hornsby Berowra Eagles:	Under 11 – 4th; Under 12 – 3rd; Under 14 – 1st;
Westbrook/Hornsby:	Under 13 – 2nd; Under 15 – 3rd; Under 17 – 4th;
Northwest Lightning Girls:	Under12Blue – 3rd; Under 12Red – 9th; Under14/2s – 6th; Under16/1s – 5th; Under16/3 – 2nd; Under18/2s – 4th

I would also like to take this opportunity to personally thank the coaches and managers for all the work they have put in throughout the season, ground managers, committee / helpers behind the scene and the volunteers for all our day to day tasks. It is really all of this help that allows us to provide the experience for our players that we know they love.

This was my first year as President for Hornsby Berowra Eagles and while there were challengers along the way, I am already looking forward to next season.

**Steve Wall**  
President Hornsby Berowra Eagles 2022

## Player Welfare Report

2022 was a positive year for Player Welfare. After two years of Covid we were very aware of the importance of ensuring the club continued to support and promote mental health awareness. This year we formed a committee which included, Amie Maguire, Alex Wade, Joanne Bolster, Narelle Adem (Member Protection Officer), Josh Ward, Cooper Lee and James Carroll

A huge thank you to all committee members which resulted in some great initiatives and the load being shared. We were also very excited to receive some sponsorship from PKF Pty Ltd (Peter Kelly Flooring). This enabled us to run workshops by Tomorrow Man and Tomorrow Woman for the club and our Under 17 players from Pennant Hills and Westbrook Junior AFL Clubs. These workshops were outstanding and challenged out stereotypical view of men and women and involved some exercises which pushed us to be authentic and open about mental health.

We had another highly successful Mental Health Round in July which raised money for Gotcha4Life which provide a range of mental fitness programs and have a goal of zero suicides. We raised \$5023 which is an amazing amount for a footy club.

With a committee made up of players it allowed the Welfare group to have a direct connection with teams and committee members were keen and eager to connect with their teammates and promote mental health support. We hope to continue that in 2023 as well as a continuation of workshops, promotion of mental health and support of all members of our great club.

**Melissa Adams**  
Player Welfare Manager 2022

It's been a year of milestones for the Pennant Hills Junior Football Club. After two years of continually interrupted football, signs were looking good for a full season of competition and fun, and then the rains came. Pre-season training started early with many coaches, kids and families keen to get their footy underway. Ready and raring to go, the kids were excited for Round 1 until La Niña decided to join in the play, forcing the first two rounds of the competition to be abandoned. The kids were disappointed, to say the least, but in true Penno spirit, the coaches, managers and families all banded together to keep the kids motivated for a season-opening Round 3.

**Season Results** - This year, Pennant Hills fielded a total of 20 teams with 14 of these teams playing under a competition format (U11s and above). With grit, determination and smiling faces, the club managed to get an amazing 10 of our 14 teams through to finals. The finals didn't exactly pan out as expected with a number of close losses through the first two weeks.

Our u13's Div 2 and Youth Girls 16-3 teams made it to Grand Final day. Whilst the bounce of the ball didn't go our way in the YG16's, they played with great skill all game to fall a few goals short. Our other Grand Finalist, the u13's Div 2 Boys, played in hard fought game with local neighbours, Westbrook. However, when the final siren sounded it was Penno that were two points up and the party began!

**Auskick (Rookies, u7's and u8's)** - After a couple of covid interrupted years, our Auskick numbers gradually grew throughout the year and what a great sight it is to see this group of emerging stars out on the field learning to kick the Sherrin. Our rookies had plenty of season highlights - and, for some, a half-time appearance at the Swans-Pies Preliminary Final.

**Boy's Football** - Our under 9's had their first taste of tackling this year and, once they adjusted to the increased physicality, they went from strength to strength. With a year's tutelage under super coach, Kyle, this group of kids will come back bigger and better next year and ready to take on all that comes their way. Our u10's also went through a year of sustained development. With a number of players on the younger side, it took the team time to adjust. As the year progressed, their development was evident for all to see.

Our under 11's numbers continue to be quite healthy and this season we fielded two teams. Both teams were quite formidable and made it through to the finals. Unfortunately, despite playing some great footy, they both bowed out in the prelims. Our under 12's worked hard to recruit new players and as a result we fielded two teams. Training as a group all year, you could see the development across all players. As a result, we had two teams qualifying for finals - a great achievement! However, similar to the u11's, the prelim games didn't go our way.

Our under 13's returned to Div2 footy this year and it quickly became apparent during the preseason that we had assembled a squad ready to contend for a premiership. Remarkably, they went through the home and away season undefeated and entered the finals campaign as the red-hot favourites. Two cracking games - a 1-point win in the Prelim and a 2-point win in the Grand Final capped off a sensational year. Our under 14's also entered the season full of optimism and performed consistently throughout the year. A close derby win was a real highlight, as was achieving their goal of making finals. Coach Bernie Hallam was doing his best to replicate Collingwood and make it to the prelims...but, like the Pies against the Swans, our boys came up a little short in our semi-final game.

In the under 15's, our reigning coach of the year, Simon, began pre-season planning at the end of 2021. After a few lean years in the win-loss column, we took it to all teams and went into round 16 knowing a win would secure a finals spot. Agonisingly, we fell a few points short. Finals or no finals - this group had a great year and knew each week that their best footy could match it with anyone. Finally, in the under 17's we entered a strong Div 2 team with 90% of the group as bottom age 16-year-olds. Co-coaches, Justin Kerley and Steve Spratt, worked together to build the team's game plan that played to their strengths and allowed our boys to play a free-flowing game. Their season developed nicely and we were rewarded with a finals berth. Ultimately, we fell short in the semi-final, but still finished the season knowing we had developed and had fun along the way.

**Girls' Football** - Our all-girls teams continue to lead the way when it comes to growth and development. We play under the name of North West Lightning (NWL) - which is a three way joint venture between Pennant Hills, Westbrook and Hornsby.

In the YG10's, there was a significant influx of new talent entering the competition with 17 of the 19 players being new to AFL. Milestones galore were displayed with many first games, first kicks, first goals, first tackles, first singing of the team song and even the first time running through banners! In the YG12's, we fielded two teams comprising of 30+ young players eager to display their skills. Both teams battled hard in a strong Sydney North Division and, by the end of the Home and Away season, our YG 12 Blue were rolling and locked in for finals. Unfortunately, we ran into a strong Lane Cove team and bowed out in the semis.

The YG14's started the year with a large squad that meant we had to juggle some numbers to try and ensure maximum playing time. Placed into Div 2 to start the season we didn't know what to expect, we were rightfully moved up to Div 1. The team took this challenge in their stride and despite the increased competitiveness, the girls applied themselves well. In the YG16s, we fielded teams in Division 3 and Division 1. Unfortunately, in Division 1, a season of illness, injury and competing commitments meant the team struggled with consistent form, ultimately just missing out on finals.

The Division 3 team had a strong season. Finishing the home and away season in 2nd spot meant that a win in round one of the finals would send them straight through to the Grand Final. And win, we did, by 3-4 goals. That win got everyone excited as this was our chance to obtain our first Girls Premiership, unfortunately, we fell short in the Grand Final.

Last, but not least, the YG18's. Battling injuries and general unavailability we also had to navigate forfeits, no shows, ground closures and continual changes to the competition structure. It is fair to say despite all these challenges, the girls were a formidable group and managed to make it through to the finals. To those girls, parents and officials leaving Northwest Lightning - thank you for helping make Lightning the success story that it is.

**Club Redevelopment** - After almost 5 years of blood, sweat and tears... and more tears, we were finally able to open the new club rooms towards the backend of the season. It was a testing time right up to the end, especially running a full season of football within a construction site.

The Pennant Hills committee hopes that everyone is as proud of the new facilities as we are. The project group that worked on this new facility was a large group and those that were involved at various stages – thank you. However, I'd like to call out a couple of amazing volunteers for their tireless work. Firstly, to Graeme de Vallance who played a pivotal part throughout the entire process but none more so than the initial stages when we needed to secure funding. It was his drive, persistence and creativity that led to funding opportunities opening up.

A special thanks also goes out to another long-standing volunteer, Dean Moran. Dean has been involved from the start through to the finish, always available for meetings and late-night calls to discuss how we can progress through the many barriers we faced. The club is hugely indebted to the amazing work by a Penno legend in Joe Stewart. Joe project managed the entire build. His unwavering commitment to our club has resulted in some of the best facilities being located at Ern Holmes Oval.

Finally, it is important to note that we would not have been in this position if we did not secure funding. Graeme de Vallance, took our local State and Federal members on a journey that had them on board to support, a special thank you to our State Member for Hornsby, Matt Kean and our Federal Member for Berowra, Julian Lesser.

Kickability - Into our second year of Kickability and we were again lucky to retain the services of our Kickability Coach, Andrew Tenni. Andrew was able to secure another milestone opportunity for the first-ever SCG "Kickability Match" that was played during half time at Swans v Giants game. We are determined to grow Kickability and make it bigger and better.

Coaches, Assistant Coaches, Team Managers & Volunteers - Pennant Hills Juniors is a strong club based on the continued input of many coaches, assistant coaches and team managers and volunteers who all give their time to ensure the game goes on. After years apart, the Penno community banded together like never before with an unprecedented level of volunteer parent involvement.

Committee - We are fortunate to have a fantastic group of committee members who are passionate about giving back to our local community. Your ability to step up time and time again and do work behind the scenes is amazing. On behalf of the players and parents – thank you for making Pennant Hills Junior Football Club a great place to be.

Canteen - Our canteen is one of the primary fund raisers for the club, led this year by Peter Sugunananthan and his team of awesome assistants. This team puts down more "playing" hours every Sunday than all the AFL players combined, starting early morning to ensure coffees and sausages are available for the early risers to packing up late at night.

Club Awards - The Junior Club Best and Fairest is Charlie Bultitude and the Runner Up is Madden Mah Chut. The Youth Club Best and Fairest is Archie Brisot and the Runner Up is Liam Everett. Congratulations to all four players on your outstanding season. This year our Club Person of the Year is awarded to a passionate volunteer who commits to numerous roles across the club. Congratulations Steve Bultitude, who serves in multiple on our committee managing all equipment and Guernseys, but he also manages two teams – our u10's and one of our u12 teams.

Coach of the Year - This year's coach of the year is awarded to Anthony Hall. This is Anthony's second time receiving this award and was an overwhelming winner thanks to his ongoing commitment and passion for providing an environment for all kids to thrive. Not content on coaching one team (u13's Premiers) he also put his hand up to coach one of our u8 teams. It is fair to say that training days and game days were extremely busy for Anthony and his family.

Sponsors - Despite recent economic challenges, our sponsors have continued their fantastic support with valuable funding and support. In particular, our Gold Sponsors, Pennant Hills Toyota and Saliba Estate Agents as well as our Community Sponsors West Pennant Hills Sports Club, Westleigh Village, Hotel Pennant Hills, Thornleigh Veterinary Hospital, McDonalds Thornleigh, Manser Tierney & Johnston and Tailor Made Physiotherapy. Please show our reciprocal support by promoting and utilizing these businesses.

Umpires - Ern Holmes Oval continues to be the home training base for umpires in the North West. With an ever-increasing number of home-grown umpires, the North West group is the envy of the Sydney Junior competition. This year the North West umpires piloted a program of an Umpire Welfare Officer designed to add a layer of support for our umpires on game day. An initiative driven by the North West and our very own Umpire Ambassador, Theresa Taylor.
