2025 Presentation Function

2025 Presentation Function

Welcome – President's Report

Firstly, I would like to extend our sincere gratitude to the 2024 Committee for leaving the Club in an exceptional position, both operationally and financially. Their stewardship ensured we were well placed to meet the challenges of 2025. Our heartfelt thanks go to the following outgoing members for their outstanding service and collective contribution of over 50 years to the club, being Todd Williams, Stewart Woodward, Jodie Sparks, Ian Parker. Their legacy remains deeply appreciated, and we thank them for their support throughout the 2025 season.

I would also like to thank our Sponsors for their support that allowed us to fund putting our teams on the park each week.

- **Dural Tyrepower, Conveyancing at Pittwater, The Epping Club. Hornsby RSL, Stonebraker Lawyers, TCA Electrical**

I must recognize our No.1 ticket holder and director of our major sponsor **ARA Group**, Leo Browne, for his continued support.

The 2025 season marked the introduction of several new Committee members and a reshuffling of key responsibilities. While the year presented challenges, I would like to thank the following for their teamwork, adaptability, and dedication:

Coaches, Managers & Assistants – The backbone of our culture and performance. Your commitment and leadership define our success.

- Men Premier – Jason Blakemore, Deon Crowden - Mgr Jenny Williams

- Men Division 1 – Tom Dureau,

- Men Division 3 – Sebastian Parker - Manager Ben Lucas

- Men Division 4 – Nathan Breen & Joshua Mott

- Men Division 5 – Nigel Blow – Manager - Tim Keary

- Men Under 19.5 Division 1 – Justin Kerley - Manager Ian Fraser

- Men Under 19.5 Division 2 – Harry McDiarmid - Manager Kylie Condon

- Masters – Simon Doak – Manager Michael Barbara

- Womens Premier – Warren Atwell, Lisa Roper - Manager Allen Abbott

- Womens Division 3 – Mikala Hain - Manager Stewart Woodward

- Players – Your resilience, dedication, and spirit continue to inspire.

- Operations – Dean Moran, for his work on IT systems, and operations.

Football Operations:

- Stewart Woodward – For his preparation work for the 2025 season.

- Joel Cousens – For stepping into the Head of Football role with passion and commitment, fostering strong relationships with Macquarie University and Junior Clubs to ensure smooth ground access and operations.

- Secretary - Paul Vink has been outstanding in driving Game Day for our home Saturdays. This is a huge job coordinating all the volunteers from Time Keeping, Ground Managers, Canteen, BBQ, Merchandise and basically ensuring everything ran well. Paul also represented Penno on the Clubrooms Committee. He also worked closely with the Council with the development of the changing rooms for the bottom oval.

- Treasurer - Jenny Williams for her excellence in managing our Finances

- Commercial Manager - Andrew Kinasch. In coordinating the Canteen.

- Minute recording - Carolyn Kinasch & Jo Bolster.

- Council Ground Coordination – Club Legend on and off field Matthew Carey.

- Social Media & Creative Content: Elle Moran

- Historical Features & Milestones: John Acheson

- Photography: David Nixon

- Website Maintenance: Stewart Woodward.

We continued to see an improvement in our Facilities, thanks to the hard work of Paul Vink. Scoreboard Enclosure – Completed with generous support from G.J. Gardner Homes. Greenway Park 2 – The opening of the lower oval amenities marks the culmination of extensive consultation, lobbying, and fundraising. The result is a high-quality facility that enhances both player and spectator experience. We would like to thank the Council for their professionalism and partnership throughout this process.

I would also like to thank Paul Vink for his dedicated work to ensure our game days continue to reflect the inclusive and community-driven spirit of the Club. This success is due to the many volunteers who give their time selflessly.

- Ground Management & Timekeeping: Paul Vink, Colin Huggins, Graham Davis, Phil

Murdoch, Todd Williams, Ian Parker, Dean Moran, Joanna Bertoline, Carolyn Kinasch

- Clubroom Bar: Tash Hartley, Ian Parker, Andrew Kinnash, Connor Ryan

- Clubroom Canteen: Bec Klauzer, Ray Witt, Andrew Kinasch, Jenny Williams.

- BBQ: Ray Witt and all team volunteers.

- Umpire Rosters: Sharyn Kinnane.

- Club Umpires: Jason Clarke, Ivatt Mitchell, Allen Gardiner, Jeremy Gillett and others.

- Registrations & Transfers: Phil Scarlett.

- Physiotherapy: Lauren Wright and her dedicated CAH team

- Merchandise: Paul Vink, Jo Bolster and Jenny Williams.

We had some special events in 2025, and I would like to add a special thank you to Phil Hare for ensuring the success of these key events:

- Past Players Day – A memorable and nostalgic celebration, with thanks to Tom Angel and Tim Wales.

- Ladies Day – A vibrant and joyful event, beautifully organized by Kirrilly and Chelsea, at the final home game.

- Special Guest Visits – Trent Cotchin and Brandon Ellis playing for Southwest Sydney a huge home day.

- Demon Disco – Organized by Nick Hey and team, a huge success.

- Club Thursdays – A well-run initiative thanks to Carol, Sue, Jo and Carolyn providing great meals.

- Membership Drive – A proactive campaign by our Premier players led to a significant increase in membership.

From a football perspective our Women's teams had a challenging year, following the departure of several experienced players. Despite challenges with player numbers, the player's morale and performance improved significantly under the guidance of Warren and Michela, and later Lisa who was supported by Todd Williams.

Special recognition goes to Allen Abbott and Stewart Woodward for their exceptional management of the Women's teams in 2025. The Men's Premier Team narrowly missed finals due to unfortunate late-round results. The season was marked by the high number of injuries across the squad. Despite this, leadership from Jason and his coaching group ensured continued development and strong club spirit.

The injury pressures saw increased player movement across grades, creating both challenges and opportunities. Division 3 performed admirably and were unlucky to miss finals, while Division 1, 4, and 5 managed through testing conditions with resilience and professionalism. Congratulations to the Masters Team who qualified for finals despite a rain disrupted season.

Also congratulations to Justin Kerley and the Under 19.5s who reached finals and secured an excellent win in Week 1.

Season Highlights:

- AFL Sydney Representative Selections: Sheridan Baker, Mitch Blow, Michael Carroll, Nick Eynaud, Nick Hey.

- AFL Sydney Team of the Year: Sheridan Baker, Nick Eynaud, Nick Hey & Michael Carroll

- GWS VFL team appearance: Mitch Blow

- Leading divisional goal kickers: Nick Hey in Men's Premier Division and Lachlan Boyd in Men's Division 3.

- AFL Sydney Rising Star Nominations: Bela Nash, Scarlett Sheriden, Luka Jordaan, Liam Everett, and Oscar Irwin.

- "Comebacks": Tommy Angel and Ranga Ediriwickrama playing in Men's Division 1 and Premier Division matches.

In collaboration with our network of junior feeder clubs including Westbrook, Pennant Hills, Hornsby, North Ryde the influx of young and local talent is tremendously exciting. Through a targeted player development program of inviting junior players to attend training club sessions with, and run by senior players, we have every reason to feel confident and excited about the future of the club through our organic growth. I would like to extend sincere thanks to the entire Committee for their tireless work throughout the year. Special appreciation goes to Jenny, whose diligence helped mitigate the sponsorship shortfall, and to Andrew and Paul, who dedicated countless hours to ensure our home games ran smoothly.

Mark Carroll

With the 2025 season now drawn to a close, it's fitting to look back with pride and gratitude at what was collectively achieved both on and off field at Premier Division level. From the outside, it may appear at the surface level that we fell short of success - after all we played in two close Preliminary Finals in the years prior and this year we missed finals, in effect on percentage, with Sydney University securing their spot ahead of our final home and away fixture against St. George.

But 2025 marked the emergence of a new group defined by resilience, selflessness, opportunity and a willingness to doing "whatever it takes", our season trademark that embodied the team's pursuit of success.

Changing Of The Guard - This new era was emphasized by numerous off-season changes from the 2024 Preliminary Final outfit heading into 2025 with Jackson Potter retiring, Joshua Boag and Cooper Lee plying their trade at Narrandera (Riverina Football League), Harrison Pitt, Jye Boby and Riley Hawes venturing back to their respective clubs in Terrigal Avoca, Killarney Vale, and Warner's Bay (AFL Hunter Central Coast League), Joel Rush moving back to Perth to Peel Thunder (WAFL), Ethan Hyams pursuing NFL punting in Melbourne, Ollie Nockles also moving to Melbourne to suit up with Essendon Doutta Stars (Essendon District Football League), Tom Larby (UTS) along with Ben Matthews (Ironman) and Connor Matthews taking the year off of football as he tackled parenthood.

Coaching Transitions - The off-field landscape also evolved. Ben Roberts (Head Coach), Glenn Gunstone (Senior Assistant), and Matt Thomas(Backs) transitioned out of the coaching box which paved the way for a streamlined 2025 coaching structure, featuring:

- Deon "Diesel" Crowden - Senior Assistant / Forwards
- Nick Eynaud - Playing Assistant
- Tom Dureau - Division One Coach
- Justin "Kerls" Kerley - Under 19's Coach

Player Leadership Group - From a playing leadership perspective we were led into battle week in, week out by Captain Mitchell Blow in his first year as sole skipper, alongside Vice-Captains Nick Hey and Nick Eynaud, ably supported by Michael Carroll, Luke Skrivanic and Thomas Edmonds whose collective leadership through transition set the tone for the next phase of this team from preseason onwards.

Returning to the notion of success, at Pennant Hills we aim not just to play in finals, but to win finals and premierships. While that didn't materialize at Premier Division level in 2025, the season clearly showcased progress in player development and squad depth, best illustrated by the numbers, which show that success can take many forms.

Season 2025 - By The Numbers

- Positive season win-loss record (9 wins - 8 losses - 1 draw)
- 45 players exposed at Premier Division level
- 16 debutants reflecting the next wave of Pennant Hills talent emerging within AFL Sydney
- 1 GWS VFL debut - congratulations to Mitchell Blow on taking the next step in his football development where he ended up playing 4 games in the orange, charcoal and white.
- 3 AFL Sydney Team of the Year selections - Nick Hey (Centre Half Forward), Nick Eynaud (Wing), and Michael Carroll (Full Back) acknowledged for their standout seasons at a league level.
- 4 AFL Sydney Representatives (vs AFL Canberra) - Mitchell Blow, Nick Hey, Nick Eynaud and Michael Carroll
- 3 AFL Sydney Rising Star Nominations - Luka Jordaen (Round 11), Liam Everett (Round 15) and Oscar "Crazy" Irwin (Round 16)
- 1 Stan Milton Trophy winner - Nick Hey kicking 48 goals across 17 games to be recognised as the AFL Sydney Premier Division League leading goal scorer.

The numbers reflect the evolution and adaptability of the Premier Division squad. Despite constant change and challenge, the playing group competed week after week with Cameron Mitchell, the only player to feature in all 18 games and no match where we were unchanged from the week prior throughout the season.

This is what makes the positive season win-loss record such an incredible feat given the depth of contribution across the squad.

Men's Premier Division Team Awards & Coaches Report

Through adversity, the group listened and executed the coaching instruction, almost to a fault, and were rewarded more often than not throughout the year with victory and being able to sing the club song.

Early Season Foundations - Among the season highlights, Round 1 saw seven debutants take the field as we challenged the reigning premiers at North Shore's Gore Hill, ultimately falling just short in a hard-fought contest by 10 points. The North Shore loss showed we could compete at the highest level across four quarters, and the following week against Sydney University we were unlucky not to claim our first win, with Nik Dale's after-the-siren mark and ensuing goal ending the match as a draw in our very own Pennant Hills "sirengate".

It wasn't until Anzac Day against Inner West at Picken Oval in Round 4 that we managed to win our first game for season 2025 in a hard-fought contest broken open in a three goal to zip last quarter.

Building Momentum - Across a five-game stretch from Round 6-10, we notched up four wins against UTS who challenged us at MKO, St. George at Olds Park, East Coast at Bruce Purser Reserve where a 7-goal to 1 first quarter set the tone in the local derby before another win against Inner West at MKO.

Mid-Season Turning Point - Heading into Round 11 against South-West Sydney (SWS) at 5-4-1 the scene was set for a blockbuster clash at MKO which was made even tougher by the opposition inclusion of Brownlow Medalist Trent Cotchin and Brandon Ellis who amongst them share 5 premierships at AFL level with Richmond. The quality of opposition proved too much and whilst we managed to compete for a half of footy, we were ultimately blown away by SWS in a 7-goal-to-nothing third quarter, going down by 11 goals.

That defeat marked the beginning of a tough three-match losing streak, with heavy losses to Manly and UNSW across Round 12 and 13. It was a confronting period that demanded honesty, reflection and resilience from both the coaching and playing group and without knowing it at the time it became the turning point for our late season revival.

By Round 14, our season was in essence on the line. Sitting at 5-7-1 and beginning to lose touch with the top five, we faced Sydney University at Oval No. 1 knowing a response was needed. During the week, we introduced the concept of "Was I a Demon?", a post-match reflection held at Tuesday training where each player assessed whether they had played to their strengths and made their teammates better before hearing feed forward from their own team mates as to how they performed their role.

It arguably became the catalyst for our most resilient performance of the year. Coming off losses by 11, 23, and 15 goals (Round 11-13), we produced a gritty, backs-to-the-wall win over a Sydney University side on their home deck and at that point looked assured of a finals spot. Despite trailing at every break, we fought our way to a stirring 4-point victory come the final siren. Michael Carroll led from the back in a defensive intercept masterclass, repelling countless Sydney Uni. forward entries, and the celebrations that followed, culminating in a memorable "Demon Disco", reflected just how much the win meant for team and club belief.

The "Was I a Demon?" mindset became our driving force, sparking a three-game winning streak. We followed up with hard-fought victories in tough, wet conditions, first against UTS at Blacktown, set up by a blistering 6-goal-to-none opening quarter, and then against East Coast at MKO on Past Players Day, celebrating the 2015 Premiership Reunion. That day carried extra weight. The 2015 Premiership players had laid the foundations of what it means to be a Demon, tough, selfless, and united, and it was fitting that our current group honoured their legacy with a performance that embodied those same traits. Another 6-goal-to-1 first quarter had the crowd roaring, and the post-match scenes in the changerooms were special with past and present players shoulder-to-shoulder, voices booming as "It's a Grand Old Flag" shook the walls. It was a reminder that the jumper doesn't just belong to those who wear it now, it's carried by everyone whoever has.

Finals Equation - The return clash against SWS saw us sitting at 8-7-1 with our final's destiny firmly in our own hands. The equation was simple, win at Rosedale Oval and a top five finish would be secured. The group carried real belief into the contest, fuelled by the resilience built over the previous month and the sense that our season, once teetering, was back within our grasp.

Unfortunately, it felt like we could never quite get the game on our terms. SWS's pressure and ball movement again proved the difference, and despite our best efforts to wrestle back momentum, they broke the game open with

another 7-goal-to-nothing third quarter, eerily similar to the Round 11 meeting. Ultimately, SWS again ran out 11-goal winners with injuries and suspensions to key players in the final stretch testing our resolve, but we had everything to play for in Round 18 against St. George.

The Final Round - With our final home-and-away game scheduled for 7pm against St George at MKO, we had the unusual situation of knowing our fate before taking the field. Earlier results between Sydney Uni. and SWS would determine whether our game was live or a dead rubber. Unfortunately, our destiny was no longer in our own hands, and we needed SWS to win.

From the opening bounce of that earlier match, however, it turned into a Pennant Hills nightmare. Sydney Uni came out firing, producing a first-half ambush that stunned SWS and, despite a late surge, held on by five points at the final siren. That result confirmed our clash with St George would have no bearing on finals and understandably, the pre-game mood was flat.

Yet, true to our character, we refused to roll over. Determined to finish the season on our terms and secure a positive win-loss record in front of our home supporters, we attacked the contest with real intent. In a fierce, seesawing battle that looked nothing like a dead rubber, we took a slender one-point lead into three-quarter time. From there, experience told the story where Theo Moraitis wound back the clock with two clutch final-quarter goals, before captain Mitchell Blow sealed the win with a composed set shot finish late to secure a 10-point victory.

As the siren sounded, the realisation set in that our season had come to an early close. But walking off MKO that night with a hard-fought win and pride intact felt like fitting reward for a group that had ridden every peak and trough of the season together where the performance embodied the spirit of "Was I a Demon?".

That spirit extended well beyond the playing group. Post-game, the sense of gratitude was immense for everyone who makes the club what it is, from President Mark Carroll whose support throughout the season was invaluable, to Jenny Williams for her tireless efforts as Team Manager. Special thanks to Nigel Blow, a trusted confidante throughout the year in whatever makeshift role we asked him to do on Saturday along with Kev Eynaud for his statistical insights, and Luke Bray for being ever reliable as Water Carrier.

To Betty, Lauren, Hannah, Emily, Caitlin and Jason for keeping the boys on the park through your much-needed physiotherapy support - thank you. To Diesel and Kerls for their wisdom, guidance, and partnership in coaching, as well as to our player leadership group and every player who gave their all week in, week out across both Premier Division and Division One in the red and blue.

Lastly, a personal thank you to my fiancée, Anna, for her unwavering support and patience in allowing me to give back to the club during this new chapter of our lives. None of it would have been possible without her.

Season Reflection - Looking Ahead To 2026 - In looking back, 2025 was a year defined by resilience, growth, and connection. It wasn't a season measured purely in wins and losses, but in how we responded to adversity, how we evolved as a group, and how we continued to strengthen the fabric of what it means to be a Pennant Hills Demon. That, more than anything, is what I'll remember most! From a personal standpoint, I absolutely loved coaching this group. The commitment, character, and care shown by the players made it a privilege to lead them each week and I'm incredibly proud. To stand shoulder-to-shoulder with a group that gives a lot of themselves over the length of the season was truly rewarding and I wouldn't do it at any other club. While the season may not have finished with the finals appearance, I believe we had earned and deserved, the foundation we've built culturally and competitively gives every reason for optimism heading into 2026.

The belief established will carry forward and the year ending I truly believe was the next step in the journey of our group still writing its story. With the foundations now laid and so much promise in this emerging group, I genuinely can't wait to rip back in this coming pre-season alongside our playing, coaching and support teams.

Jason Blakemore
Men's Premier Division Senior Coach 2025

In 2025, the role of Secretary also reached deep into the responsibilities carried by the Vice President and Administration Manager portfolios, and was pivotal in ensuring the Club's governance, compliance, volunteer and administrative excellence. All constitutional and legal obligations were fulfilled, including timely lodgements with AFL Sydney and the Office of Fair Trading. Meetings were scheduled, agendas prepared, and minutes accurately recorded and distributed. The Club's member register, records, and correspondence logs were diligently managed, ensuring transparency and accountability, and all formalities were observed.

We maintained a comprehensive planning calendar for the year to coordinate committee meetings and club activities. Volunteer rosters were managed to ensure smooth game day operations, and support was provided to sub-committees and event organisers. Thank you to all that helped with Game Days, from resource planning, set up, and to pack down. Every contribution, no matter how notional the task may seem, makes a difference.

Part of game day management is the key role in supporting major club events, including Past Players Day, Ladies Day, Special guest visits, Member days, and the Sportscast team. It is on these days we show up best, and we should feel proud of our club.

Our ongoing collaboration with other clubs through the GWPCC continues to strengthen community engagement. This collective has enhanced efficiency and shared learning, and our work with council partners remains productive and forward focused.

Scoreboard Enclosure was completed with generous support from G.J. Gardner Homes. Greenway Park 2 – The opening of these amenities has been transformational. This has taken many years and could not have been started without the vision of previous committees, and our continued

persistence. Existing Mike Kenny facilities refresh, work is already underway with an AFL Sydney grant being expedited to clean and repaint the main amenities area in readiness for next season. We thank all parties for their professionalism and partnership throughout this process.

Our merchandise range was again well supported by players and supporters. Special thanks to Jo Bolster and Jenny Williams for assisting me in managing this important area.

The focus for 2026 will be on further enhancing our processes, supporting volunteer engagement, and maintaining the high standards of governance that underpin our Club's success. We aim to build on the foundations established this year and continue to provide exceptional support to all members.

The President's report identifies many individuals whom I personally connected with over the season; I interacted with all of you, and I am truly in debt to the support, friendship and comradery we shared. Your dedication and passion are truly appreciated.

It takes many hands to run a game of football, so thank you to everyone who contributed to the running of the Club this season.

Season 2025 saw new teams enter Men's Division 3 with a revamped structure and an 8-team competition. After coming so close to a flag in 2024, there was a sense of excitement amongst all and a desire to go one better in 2025. Division 3 / 'third grade' always sees a high volume of players go through the team and in 2025 it was no different with 55 players used in total. This ranged from teenagers still eligible for u/19s as well as straight out of u/19s to the odd master's player filling in, all who held their own. It was pleasing to welcome numerous new players to both Div 3 and the club. To those new to the club, well done and hopefully the on-field learnings from the season will assist in years to come. To those that graduated from u/19s, well done on your efforts.

After a strong finish to the home and away season with a 20+ goal win against St George, we finished 5th of the table with a 11-6 record across the 18 rounds, this saw us miss out on finals by %. In what was an even competition, we were able to beat 3 of the top 4 teams including both grand finalists during the home and away season however 2 close losses to Camden, 12 points and 7 points respectively, sealed our fate. The less said about our mid-season fixture on a beautiful Saturday afternoon at Greenway against Balmain the better.

To the following award winners, well done:

Best and Fairest Jye Durkin and Rowan Love – both ultra consistent during the season. Jye spent the majority of the season on ball with his ferocious attack on both the footy and man a highlight. His improved work rate and willingness to get from contest to contest was most pleasing to see during the season. He took on the captaincy role this year and lead by example. Rowan teased us in season 2024, playing a few strong games however got the travel bug. He returned this year and was a clear standout from Rd 1 playing across half back. His ability to read the play, take uncontested marks and get the ball forward for us was a highlight. Both deserving winners and fittingly both were top 2 in our players player voting with Rowan taking the honours by a slender margin of 2 votes.

Runner Up Best and Fairest Matthew Durkin – was able to solidify on during the season given a recurring injury to his right leg. A reliable defender who played his best footy running off half back and was rarely beaten in a one-on-one contest. His last month of football was very strong and hopefully this lays a strong platform to get his body right for 2026 and continue playing good footy.

Most Consistent Zac Lorsch – continued from his strong form in season 2024. Key defender who was rarely beaten by the oppositions best forward taking on the key target down back week after week. Did request to play up the ground during the year however we looked our strongest when Zac held down the key defensive position.

Best Team Man Michael Fiedler – a well-liked teammate who has been a regular assisting the team off the field over the past few seasons. He was finally able to get his body right in season 2025 seeing him play 10 games across the year. During these games he was able to play some good footy and hopefully can continue this next year.

Coaches Award Luc White – as reliable as you'll get. Turns up every week, quietly spoken but does his job as a lock down defender on a weekly basis taking on both small and tall opposition players. Took on the vice captaincy role in 2025 and was able to inspire his teammates with motivating pregame speeches.

Most Improved Brayden Rohr – has been hidden down in the lower divisions in recent years with the odd game in Division 3 in seasons gone by. Got his chance Rd 1 and didn't look back. His consistent form across the season was just reward for his hard work and extreme fitness levels. One of only 2 to play every game with the other being Fraser Nixon, like for like.

Thank you to Ben Lucas for his assistance as manager once again, a job very well done and with minimal fuss. You would not even know he was there most of the time such is the ease he goes about things. Roles were reversed with his boys, Jack and Hugh, in season 2025. An early season injury saw Jack only play Rd 1 however he was present most weekends helping the team in any capacity required with Hugh also assisting where possible. Hugh was able to take the step up and play with Div 3 as a teenager towards the back of the season, more than holding his own. Thank you both. Also, thank you to the coaches who assisted during the season to ensure everyone got on the park and especially to Tom Dureau for his selfless attitude and willingness to ensure Div 3 was given the best possible chance to succeed, thank you.

That's the end of 2025 where we played some good footy at times however, we rightfully finished where we deserved too in the end. The year provided a terrific opportunity for those both new to the game and those out of under u/19s to get a first-hand experience of both senior football and to be part of our great club. With season 2026 to look forward to, it would be great to see the bulk of this team returning and being committed to pre-season training and doing the necessary work to ensure everyone's fitness and skill levels improve. An opportunity for all to improve on field and continue to build on the strong off-field culture that has been established in recent times.

Congratulations to all for your attitude and effort during the season.

Season 2025 was always going to be a real test for the Pennant Hills Demons 4th grade side. Joining the competition late and not playing finals in Division 5 the year before would mean this team needed to perform very well to stay in touch with the top sides. The core members of the team would have spent most of their careers in the Division 5 team, so the step up in grade was going to be new to a large number of the players, it was a move coaches Mott and Breen knew many of these players could handle.

In the first couple of rounds Pennant Hills 4th grade would look good without being able to run out games over the top of an opposition. A 1-point loss to eventual finalists in Round 1, followed by being competitive against Preliminary finalists in Round 2 had plenty of hope for the boys as we moved towards what we would hope to be some more winnable games.

In the next 4 rounds we would travel 2 wins and 2 losses. Round 3 saw our first win of the season against Wests - this high was unfortunately short lived as we lost at home to Western Magic - a bad loss in the context of staying in touch with the top 5 teams. A tough assignment against Manly saw a far improved performance before a great win under lights at home against Wollondilly. On reflection Pennant Hills had aimed up against the better sides in the competition but played to the lower teams ability levels on a few other occasions.

The next two rounds probably started to dictate where the rest of the season was going. At this point Nick Shiel likely led the team's Best and Fairest and he was ably supported by Geir O'Rourke, Zac Unwin, Ethan Harrigan, Adam Wagner and Matt Arciuli - these more consistent performers had taken the step up and played a huge role in allowing us to be competitive.

The lead into the mid-season bye was forgettable and post-bye availability across the Division 4 and 5 squad as well as across the club really began to hit - the coaches would attempt to prioritise games as best as possible, but a lack of availability would really begin to hurt. 6 losses in a row would put finals out of reach - but pleasingly there were a number of good news stories to come out of these rounds.

Nick Shiel became a regular top 18 player in Division 3, Cooper Smith would put in herculean performances playing multiple games on weekends and playing in nearly every grade, but 1st grade by season's end - showing he could take the step up in his footy. Geir O'Rourke and Cal Toohey would play a role in Division 3's tilt at another final series and many the Division 4 and 5 squads would have a crack at reserve grade football without embarrassing themselves. Congratulations to all those who stepped up to help the club through this tough patch.

The highlight of the season was Division 4's own 'Back to the Ern' day where we would reverse the round 1 result and really put Randwick to the sword. It was a real team performance and one the boys were certainly proud of.

Congratulations to all our award winners - most significantly to Matthew Arciuli who has done the B&F and Players' player double this season. Matt is a great club leader and is admired across the lower divisions at the club. He is as tough as he is reliable, often sticking his head where others will not go - his best position is in the back half but if you give him a job you can set and forget - he will always get it done.

To Cooper Smith, Ethan Harrigan and Adam Wagner your performances this year showed you are more than capable of higher division footy. You developed in the grade above quickly, adapted your skills and really were better players for this season. Finally, to Geir O'Rourke - another spiritual leader of the squad - you polled 11 out of 13 games this season. You are the epitome of the harder you work the more footy you get on the weekend. You never take a short cut and always play for your mates. Well done on one of the most consistent seasons I have seen.

Finally, a word of thanks: First and foremost, we must thank the Masters players who played divisional footy this year in any grade - their willingness to step up for the club time and time again probably avoided the club having to forfeit for a number of weeks. Second the club committee, putting the number of teams on the park each week that we do as a community-based club is something we can all be proud of. Fronting up against 1st grade teams in Division 4 often isn't much fun but shows just how far our club is in front of these and finally to Lauren Wright and the team at Carlingford Active and group of Physio's keeping the players on the ground is a tough task and you manage the treatment, communication and game day so well.

To Daniel Crompton (DC) - you turned up to more games than any player this year. The injury you sustained must have eaten you alive, but you were the best Manager Josh, and I could ask for - thank you for the job you did this year. Your award is truly warranted.

Finally, to Josh who really coached without me this year, it was a huge task, and you can't get enough thanks for the work you do, you were at one stage almost single

handedly keeping about 3 sides on the park. You really love this club, you are a great mentor, a good thinker and the club is lucky to have you.

Jeff Hardman	PH	3

I need to start this review by acknowledging the care, support, guidance and energy of some very special people at this club who made this season so memorable.

Our President, Mark Carroll lead a dedicated team of volunteers including Joel Cousens who was a tremendous addition to our club executive, Tim Keary – still the best team manager in AFL Sydney, David Nixon, John Acheson, Jenny Williams, Ray Witt, Andrew Kanasch and of course Paul Vink. Additionally, our Div 4 team led by Josh Mott and Nathan Breen provided wonderful friendship and support throughout all season. To you all, my sincere thanks for all the tireless work you did.

On field we achieved some remarkable milestones – some intentional and some by circumstance. For example, due to an overwhelming injury list across the club, Luke Bray, Trent Summers-Levin, Jack McDonald, Geordie Dooley, Ethan Glanville all played for Div 5 and debuted for Div 1 side. Lukey even managed to snag a goal with Toby Bedford from the GWS Giants looking on and he was suitably impressed by our young star.

Our squad depth was tested throughout the season but that provided some new starts an opportunity to shine. Ethan Glanville, playing his first senior year was outstanding. Staring in the backline, his attack on the ball was a real highlight and he was moved to midfield where he caused more disruption.

Lachie Flower, playing his first season ever after finishing a promising pro-tennis career, literally launched himself into our top 5 players with some impressive ruck work. Lachie showed all year that if you train regularly, listen to your peers and coaches, and work your socks off, how much improvement can come from that, not to mention immense satisfaction and fun.

We also had the Ryan brothers, Connor and Cavan. They hadn't played much footy at all and its fair to say that the coach was very concerned on more than one occasion when these 2 went at each other in training (not unlike the Everett brothers, Josh and Liam). Like Lachie, they trained regularly and reaped the rewards.

Ryan Vaughan was another who had so little regard for his own safety, but so much determination to work at his craft and improve. He was just good fun to watch. It's not unkind to say his kicking needs some refinement, but he more than made up for that with his work ethic.

We only managed 2 wins for the season, against Hawkesbury where we had a few Masters players jump in to boost our numbers, and then against East Coast at our home deck.

It's fair to say that at Pennant Hills we play in this grade with the right spirit of the competition. We don't draft in ex-premier division or division 1 players for the sake of winning games and flags. We field teams with new players to the game to build its base, we have players who are at their level and always looking to improve, so as a coach, when we win these games, it is with immense satisfaction and pride that we do it the right way. Even if we lose, we still know we have been true to ourselves, the league and our club, and we are proud of the integrity we consistently bring.

This season we also fielded several U19 players who just wanted to play footy. Guys like Andrew Sargent, Ryder Alley, Brad Pearce, Nick Price, Archie Kingham, Jude Bradshaw and Tobias Adams put their hand up and gave it a good crack. These guys were immense, and my sincere thanks goes to these guys, their coaches Justin Kerley and Harry McDiarmid and their parents for supporting their lads. This stuff didn't go unnoticed.

Our club is in a good place when the lower grade teams are giving their all and walking off the field feeling happy in the knowledge that they are playing the game we all love, being with their mates and connecting with other people. You players are our #1 focus and as a club, I hope you carry those experiences and connections into 2026 with Pennant Hills. It's been a pleasure and an honor.

The Pennant Hills Demons were part of the 6th season of Master football in Sydney with Peter Carey (PC) passing the coaching responsibilities on whilst remaining a key forward member of the playing squad. Recruitment had been in overdrive to build greater depth with the overarching aim of playing finals again in an improving and particularly challenging competition. The AFL league was planning two divisions before eventual consolidation to one as St George withdrew while a second team from the Southern Dingoes along with a new team Manly Wolves were added. Last year's Premiers UTS and Southern Dingoes 1st team were expected to be formidable challenges again. The 2025 season was to concentrate on building game experience with an aim to play finals football through a collegiate team culture. These goals were achieved and while the team did not progress past the semi-final, the effort, mateship, and season memories are a fitting reward that continues to build on the Mighty Penno Demons Masters team ethos.

The 2025 new recruits began training with the established returning team members early in preseason. There were solid attendance and a concentration on improving skills through game simulation drills, encouraged by the possibility of division five games, due to the addition of an extra club team. Training numbers continued to be constant throughout the season with the Masters team joining in with the division three training sessions. This resulted in an immediate boost in talent, fitness and skill proficiency levels.

Every game in the Masters competition is a final with any loss in a small season denting final aspirations. The first game against Balmain was a must win and after a tight tussle there was a 25-point win with a new forward look forward line arriving on the scene and bagging the critical goals. Sydney Uni was the next opponent providing another tough hit out. The win was only confirmed as the Masters kicked 3 goals in the last quarter. The next win against the second Dingos team away at Tarren Point was an excellent result, especially with minimal bench support. It did indicate that the other teams in the competition were improving their depth and that injuries and player management would be crucial factors to the season. After the bye week, there was a slow start back with two losses in a row against Manly Wolves and a very strong and experienced Dingo's first team by 36 points. This highlighted that there was more work to be done on the training track before heading into finals.

Wests forfeited and then the weather started playing havoc with the season cancelling games which resulted in a 7-week break between Masters games. Resourceful Masters players took the opportunity to play in the upper grades helping an injury decimated club, increasing game experience and match fitness. The last round of the regular season against South West Sydney provided the final win to consolidate third spot on the ladder with Richard Nutt attainment of the bravery award. He courageously and calmly dealt with a reckless contest that was not in the spirit of Masters. Third place confirmed that the season aim of making finals was achieved with some excellent football played along the way and a semifinal against an improving tough rival UTS.

The semifinal preparation delivered some challenges with unavailability through injury and qualification restrictions, and it was formidable task heading into the late afternoon game at Bruce Purser Reserve. The Dingos had overpowered Manly in the early Firsts v Fourth semifinal by over 100 points as the Demons took to the field with only one player on the bench. The Penno team started well and tackled the UTS Bats to a standstill in the first quarter to be only 14 points down at the first break however a hand injury to a key forward removed any substitution options. The ferocious demon defence contained the lead to 34 points lead at the main break. The half time recovery and reset was unfortunately met with a surging UTS side in the premiership quarter, as they gained the upper hand with 24 points kicked. The last quarter called on a team response of toughness and resilience, with the aim to keep UTS under an average of 20 points per quarter. The team battled courageously and with purpose as the defence kept UTS to a miserly 15 points though our forward attacks were limited due to the stacked defence.

While the team battled courageously UTS with a much younger, faster, and more physical side who progressed through to winning the grand final again by a 73-point margin. UTS were superior on the day though the Masters side put up a determined challenge and ran out the game with outstanding effort, commitment, and defensive exhibition. The team can be proud of the effort in the finals and across the season. While the Penno team improved, we were beaten by the eventual premiers who beat the Southern Dingos by 50 points.

Overall, the 2025 season was considered a success with a third-place finish from 5 wins and 2 losses. Players exhibited improvement with higher training intensity and from experience of playing in higher divisions. There was strong camaraderie on and off the field, with the new recruits adding energy and depth. The club is looking forward to the team continuing to build on the momentum for the 2026 season.

The Masters team and competition thrive thanks to the unwavering support of the club and the dedication of our volunteers. A heartfelt thank you to everyone who has contributed to getting the master's on the field, especially the committee, club volunteers, and supporters. Special appreciation goes to the physio team for keeping the Masters players in top shape and on the field, even with games only every two weeks. Lastly,

a big red and blue Demon thank you to all the players who have embraced and responded to the "Motivational Huddle Speeches" while enjoying playing footy with their teammates. Here's to an amazing 2026.

Home and away rounds for U19 Div 1 – First 3 games – Round 1 we lost to North Shore by 48 points, round 2 we lost to Syd Uni by 60 points, round 3 we lost to UNSW by 82 points. I guess our strategy of coming to Saturday's game straight from the Friday night session at the nightclub was not working well!

So, we changed everything – our structures, our focus, our game style and we set a plan in place for the rest of the season based on our key strengths and a disciplined running game style from defence. The great thing was our playing group were invested in these changes – they were all in and willing to train for this new system, adapt to new roles, and they started clicking together and seeing the positive results from their hard work. For the remaining 15 games we won 12 and lost 3 – losing only to North Shore, Manly and Sy Uni. We beat the eventual premiers Manly, we beat UNSW, and in round 14 we came back at a strong Syd Uni to only lose by 20 points in the final qtr. At the end of the home and away rounds our confidence was high. The finals had the best 5 teams remaining and was an exciting and even match up.

In a repeat of 2024, we faced UNSW in the first elimination final and expected it to be a great battle. We had built great momentum coming into the finals and had great belief in our system working well for us. In round 3 they beat us by 82 points. In the final it was a tight game with us winning the chocolates by 9 points. What a win, we shut down their key ball users and Zander kicked 5 that day. With the support of our families, friends, and the men's prems team on the sidelines and filling our changerooms afterwards it was a magic day to remember.

One week later our season came to an end, beaten by a better team on the day – Manly – in the 2nd semi-final at Blacktown – who would eventually be Grand Final winners against Syd Uni.

We had 55 U19 age players for season 2025 – and 37 of those players played in U19 div 1 through the season. Fantastic depth for 2 teams and an amazingly coachable, collaborative and supportive playing group. We had 2 players regularly in men's Prems – Liam Everett and Cameron Este, and after his return from a 12-month knee injury Oscar Irwin also became a regular in Prems with his goal kicking smarts as a small forward and winning an AFL Sydney Rising Star nomination in Men's Premier Division.

We forged great relationships with our local juniors and we are so grateful for their support – 6 x U17 age players became regular U19 Div 1 players and played more than 1 game each weekend – Noah Dinsmore, Jack English, Ryan Mardling, Henry Andrews, Cohen Denne, Lincoln Kellett.

Cohen Denne was the Best and Fairest for his U17 Central Coast Competition, and Noah Dinsmore came 2nd in the U19 Div 1 goal kicking 37 goals for the year and kicked 7 goals in one game and 6 in another and came 2nd in the U17 Sydney Juniors Div 1 Best and Fairest competition.

As coach the foundation was set within this group by 3 things – commitment, trust, and collaboration. The biggest being TRUST. TRUST that I had their best interests at heart and in return this playing group placed their TRUST in me, each other and in our system. They were very coachable, willing to learn new things, and a lot of fun to be around. Not so sure about their pre-game music selections for the warmup but then again, they can't get everything right all the time!

The future men's players at this club will come from this playing group. Many I believe will be playing Men's Premier Div in season 2026. A big thank you to our team leaders – Andrew Murdoch our Captain, Cooper Smith our Vice Captain, Kalan Murray, Oscar Irwin, Liam Everett, Noah Dunn, Henry Williams, Jake Condon, Brad Pearce.

Our coaching staff for the U19 teams have been amazing – Harry McDiarmid, Stephen Spratt, Phil Lane, Phil Irwin, Deon Crowden. And to Ian Fraser our Team Manager – thank you all so much. We work very well together. To Doug Baker who was regularly our Team Runner and everyone else who supported this playing group we are very grateful.

Congratulations to all our award winners for season 2025. Some established veterans in there and some fresh young players too. In the second half of the year there was some great banter with this group, and some very loud music playing in the pre-game warmups that sounded like the half time entertainment. The vibe was relaxed and one of our regular comments we shared with each other pregame was, "Are we Happy?"

We had a lot of fun this year and yes, we were very happy. Our focus now shifts to Season 2026 – our playing group looks very healthy, we have retained our coaching team, and we have an influx of fresh U19 age players coming through. The future looks so bright. I'm looking forward to watching this group develop and grow into future stars. Onwards and upwards.

2025 was another year of growth for our squad. Finishing 5th with 6 wins and 11 losses, we improved again on our record from previous years (4 wins in 2023, 5 in 2024, now 6 in 2025) — showing steady progress since joining the competition. Our defence was our strongest yet, conceding just 58.2 points per game, and plenty of exciting signs emerged for the future.

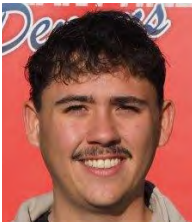

This year saw a fantastic influx of talented players from strong U17s sides and many from last year's Div 2 squad stepping up to make a real impact in Div 1. A massive shoutout to Jake Condon, who won best on ground in the first Div 1 final against UNSW, and to Noah Dunn, Jack English, Nic Price, Henry Andrews, Ryan Mardling, Harvey Barrett, Max Newley, Zander Crowden, Eamon McCauley, Harley Low, and Noah Dinsmore for their outstanding contributions. Remarkably, 52% of this year's Div 1 finals squad had played Div 2 in 2024/5 this is a clear sign of the pathway working.

Special season highlights included going 3-0 against East Coast, with two last-minute game-winning goals that perfectly showcased our resilience and spirit.

A huge congratulations to Sammy Condon for winning our Best & Fairest by a landslide. It's been a massive year for Sammy — a standout in every game with his class and presence. As the great Tobias says: "he's just good." Well-deserved Sammy!

We couldn't have done it without our amazing support team. Thanks to Spratty, Paddy, Kylie, Justin, Phil, Phil, Mark, Ian, Woody, Joel and the committee, plus all the parents, family, and friends who helped in so many ways.

2025 has been a year of progress, pride, and exciting signs for the future. Here's to building on this progress next season. Go Dees!

AFL SYDNEY - TEAM OF THE YEAR

Sheridan Baker

AFL SYDNEY RISING STAR AWARD # Nominations

Scarlett Sheridan
Bela Nash

2025 was always going to be a tough year with 12 Premier division players taking on opportunities at other clubs in the pre-season. Overall registered playing numbers were low to support two teams, creating tough selections right from the first round. The upside was an increase in opportunity for new players to step up to experience the Premier division.

With a new coach in Warren and many players brand new to the game, most of our U20's transitioning to Prem grade, the first half of the year was heavy. Learning names, new structures, new rules, new game style, and learning to work together. Warren's employment also adjusted, forcing him to step aside mid-season as there was not enough hours in the day to dedicate to both roles.

Mid-season, we adjusted our focus to team structures and developing the players footy iq. Parts of matches we were competitive, though lacked some of the finesse in decision making required at this level, so shifted away from just skill development. Todd came on board as an assistant coach allowing more time to be spent around specific line growth.

With 80% of the game spent in our back half, it became important to develop ways of winning contested balls and selecting good ball users to start our transitions from defence. A very young backline, all being U22, who played most of the matches, playing with huge heart all season. Always under pressure and never giving up. Two received Rising Star noms throughout the year, Scarlett (16) and Bela (21), and Sheridan (19) selected in Team of the year, show just the youth amongst this team and the sheer talent we have at this club. A special mention to Hayley (18) and Steph (17) who rounded out our young backline for most of our matches.

Sienna stepped into the ruck role for us as stocks were low due to availability and injury. For a player who has not played in the midfield she had the most to learn, and her progression throughout the year saw her winning hitouts against rucks 20-25cm taller, and helping drive our clearances from stoppages. Grace, Mak and Caitlin grew as our outside midfielders, from just being runners to being smart players who started to read the game and adjusted positioning as the season got on. With the senior experience of Amelia and Ashleigh well supported by youngster Ava, our midfield set up became more competitive, winning more on average 42% of stoppages. Our transition from the backline improved throughout the season, especially as we developed a slicker style of play that suits female football and our strengths, increasing our disposal efficiency from 34% earlier in the season to 72% in the back half, as well as increasing the number of times we started to get our hands on the football in matches. Despite not ticking over the scoreboard, we did increase our handball efficiency by 42% and kick efficiency by 29%, our defensive pressure acts by 22%, and having players ranked in the top 5 for the season in disposals, contested marks, and increased our uncontested possessions average to 47.7.

While we got ball into our F50, our entries weren't great and really is the next area we need to develop, now we have other structures in place.

I want to say a huge thankyou to Woody and Allen for all their support throughout the season. To Todd who took on a huge volume of work in growing our young players. Huge thankyou to Kerry Taylor who provided the live stats, that often became critical in game adjustments or sheer motivation as matches went on. A big thankyou to our Div 3 team, with all but a few who were unavailable or preferenced not to be selected, stepping up to play in the Premier grade and taking on board that growth and learnings that will bode well for our future Div 3 matches. And I will note that all who did step up, played well enough to warrant further selection and were able to follow the game plan and hold their own. There are many fantastic people involved with the club and many players so keen to grow their knowledge and skills in this game and warms the heart at just what they can and will achieve in the future. With Amelia and Sheridan selected in the rep programme this year, they are certain to be joined by other teammates next season.

A special thankyou goes to Doug and Rob who were just Dads that came along and did the extra for us, either as team runner or hydration masters. And special acknowledgement to our div 3 or injured players who came to help along the sidelines, water carriers, bench coaches, stats masters, we couldn't do it without your extra help.

For me being new to this club, I also want to say a special thankyou to the huge support and guidance I received throughout one of the most challenging seasons I have participated in, in 24 seasons of this game we love, Jenny, Mark, Ian, Phil, Paul, Joel, Jed, Warren, the list is long. Thank you. With some stability in this coaching panel, Todd and I returning, and extra experience coming in 2026, the future is exciting. Sydney AFL will be beating Red and Blue.

Lisa Roper
Women's Premier Division Coach 2025

Women's Division Three Team Awards & Coaches Report

BEST & FAIREST

Emma Waters	28
Nikki O'Neill	25
Makayla Nassar	24
Laura O'Connell	22
Georgia Wood	21
Katherine O'Hara	19

What a season it's been for the Women's Division 3 side. From our very first training session back in preseason, it was clear that this group had a great mix of enthusiasm, commitment and a willingness to learn and that's what carried us through the season.

Over the course of the season, we faced our share of challenges. Whether it was injuries, wash out games, tough opposition or low numbers. What stood out to me was the resilience and constant determination of this group. Week after week, the players turned up with a big smile on their faces ready to improve, support each other and play for this great club. We started off the season on a high winning a thriller of a game against Sydney Uni and then fittingly finished the season off on a high with a strong team win against St George. We finished the season in 11th on the ladder however the ladder does not reflect the skills and growth from this team. I can confidently say every player developed in some way, whether it was their skills, footy IQ or confidence!

It's hard to single out individuals in this amazing group however a big congratulations to Soph, Ali, Kate, Kat, Lili and Gill for taking out the awards this year. All of your efforts go unnoticed each and every week and you should all be proud of yourselves.

For those that were injured at any point of the season, thank you for turning up and supporting the team. Whether it was putting on the pink or blue shirts and running around all game or if you were holding the board as a "board bitch". The support from the sidelines was always loved by each and every player and it never went unnoticed.

To our co-captains, Soph and Muddy. I couldn't have selected a better duo to lead this team. The support both on and off the field, the many long conversations at trainings, game days and even late at night planning. Your leadership skills are strong and you both carried this side for all 18 rounds this season.

To all the new players, you all played like you've touched a footy your whole life, I hope you enjoyed it as much as I did coaching you all and watching you all improve each game.

It's been a privilege to coach this group. Every season brings its own story, and this year was one of hard work, improvement and great camaraderie. I hope everyone enjoyed the year as much as I did, and I'm proud of what we built together.

Operating Profit/Loss			-\$ 22,900			-\$ 11,882
Total Member's Funds - from Balance Sheet			\$ 132,236			\$ 155,136

The above table is a summary of the club's accounts for the 2024 and 2025 financial years.

The 2025 accounts have been audited and were presented to the members at the Annual General Meeting on the 3rd November 2025.

The 2025 budget was prepared in November 24 with projections similar to 2024. The major income areas as detailed in the table achieved target with sponsorship the major shortfall.

With a mid season review by the committee projecting a significant loss, expense reductions were implemented resulting in the deficit for the season of \$ 22,900.00, a disappointing result.

The club needs to initiate sponsorship income initiatives for season 2026 or reduce expenses in order to return to the preferred surplus position

Jennifer Williams
Treasurer 2025

Physiotherapist's Report

Lessons in Adversity, Strength in Unity - This season tested the resilience of the Pennant Hills Demons like few before it. Across all divisions, we saw immense determination in the face of one of football's most challenging years. The year the ACL struck hard. We were not alone, this injury wave swept through clubs across Sydney, the state and even the AFL Nationally, sparking global conversations about player load, surface conditions, and return-to-play practices.

For our club, it served as a reminder of the physical and mental demands of high-level community sport and the need for continued collaboration across coaching, medical, and performance teams to protect and empower our athletes. Each setback became an opportunity to reflect, adapt, and strengthen our approach. Amidst the challenges, we also saw remarkable perseverance. Players faced long rehabs with grit and professionalism, supported by a dedicated network of physiotherapists, sports trainers, S&C staff, and coaches. The trust and communication between these groups allowed us to navigate complex cases, keep morale high, and celebrate the small wins - every successful return to training, every pain-free sprint, every athlete who stayed the course.

We also witnessed the importance of collective leadership. From Betty and Hannah's expertise driving the Premier Division Men, to Jason steering the Reserves and keeping glucose levels at an all-time high all season, to our extended medical team's week-in, week-out commitment. The culture of care within the Demons remains one of our proudest achievements.

As we close out 2025, we're reminded that resilience isn't built in the good times — it's forged through adversity. The lessons of this year will shape stronger, smarter, and more robust seasons to come. Here's to learning, rebuilding, and coming back stronger together in 2026.

Lauren (Cain) Wright

APA Sports & Exercise Physiotherapist

Head of Rehabilitation, Director Carlingford Active Health, 2025

Hornsby Junior AFC Report

It was wonderful to witness another full season of footy leading into the finals, with only a few games impacted by wet weather late in the year. This season has been a tremendous one for the club. We successfully brought our junior and youth girls back into the fold, while also putting in place processes to keep our older girls engaged and playing. Growth across our junior and youth age groups has been outstanding, and the introduction of an U8s team into our ranks has added to the depth and future strength of our club. The expansion of our playing groups has not only welcomed new teammates but also fostered both personal development and a stronger sense of community across all levels.

Player Development - Our partnership with Tim Schmidt from Kicking Dynamics was a highlight, providing professional coaching clinics for our Coaches, junior and youth players. These sessions have already delivered noticeable improvements, and we are planning further sessions early next season. Preseason workshops will again be offered to our coaches, enabling them to draw from Tim's wealth of knowledge and pass on valuable skills to our players. Building on this, we look forward to deepening our collaboration with our seniors club the Pennant Hills Demons in 2026 to strengthen both coaching and player development pathways.

Auskick & Juniors - Our Auskick program continued to thrive, with over 74 registered Auskickers this year. The steady growth of this nursery program, combined with increasing momentum in the transition to junior football, is exciting to see. The high level of parental involvement and volunteer support has been invaluable in delivering the program and ensuring smooth pathways for our youngest players.

Our junior boys' and girls' teams (U8-U11) enjoyed excellent seasons with strong participation and development across the board. While these age groups are non-competitive, the skill and enthusiasm on display bode well for the future.

Competitive Age Groups - Our competitive teams performed admirably, with highlights across the age groups:

- U12/1 - 5th U12/3 - 7th U13 - 2nd YGU13 - 2nd U14 - 6th U15 - 4th
- Several teams progressed to their respective Grand Finals, including:
- Hornsby Berowra Eagles U13 Div 3 and Hornsby Berowra Eagles U15 Div 3
- Pennant Hills/Westbrook NWL Alliance - U17 Div 1 (permitted players) and Pennant Hills/Westbrook U17 Div 3 Red

Our U13s delivered an outstanding performance, playing with intensity for all four quarters to take control early and secure the Premiership Flag - congratulations to the team on a fantastic achievement! Our U15s also gave a remarkable account of themselves in their Grand Final.

Starting strong and leading at halftime, they fought hard right to the final siren in what was a fiercely competitive season. Falling just a few goals short does not diminish their effort - an excellent performance and a season to be proud of.

The Penno/Westbrook YGU17s, Northwest Lightning team bolstered with HBE players, delivered a spirited performance to finish as Grand Final runners up. Congratulations on a fantastic year. The Penno/Westbrook U17s, captained by HBE's own Damon and strengthened with a group of HBE players, played a tough and gritty game to claim the Premiership Flag. What an incredible way to finish a junior footy journey - congratulations team!

Watching our competitive teams come together, integrate new players, and showcase their skills has been one of the year's great pleasures. Their efforts provide a strong platform as we look forward to an even bigger and better 2026 season.

Masters Footy We were also very excited to bring Masters Footy (Over 35s) back to the club, offering mums and dads a chance to pull the boots on once more and enjoy the game in a fun, social environment. While some rusty skills need a little sharpening and a few hamstrings will need a good stretch, the spirit of the game shines through with flashes of past brilliance reminding everyone why they love footy.

More than just a run around, Masters is about building a welcoming platform for parents to reconnect with the game, stay active, and share in the joy of community sport. It's a chance to relive the camaraderie of footy, create new memories, and foster a strong community feel both on and off the field.

Acknowledgements On behalf of the club, I'd like to sincerely thank our coaches and managers for their commitment, our ground managers and committee members for their organisation, and the many volunteers and behind-the-scenes helpers whose tireless efforts make our club what it is. It's this collective contribution that creates the positive, welcoming environment our players and families enjoy each week.

While I will certainly appreciate a short off-season break, I am already looking forward to what next year holds for our players, teams, and the wider Hornsby Berowra Eagles community.

Steve Wall

Club President Hornsby Berowra Eagles 2025

This season marked my first as President of our great club. I was warned it would be busy, but I don't think anyone mentioned the part about juggling late uniform orders, ground closures, and the odd call from AFL Sydney Juniors before breakfast. We had a lot to live up to this year on the back of being awarded the AFL Sydney Juniors Club of the Year in 2024. From our tiniest Auskickers learning which way to run, to our Under 17s preparing for the step up to senior football, the numbers were healthy right across the age groups in both boys and girls footy. The growth in participation is a real credit to the hard work of our coaches, managers, and volunteers, as well as the reputation our club has built as a welcoming and supportive place to play AFL football.

On-Field Success - Success came in spades this year. We had 11 teams qualify for finals, with an incredible 7 of those going on to grand finals. Out of those, two teams claimed premiership glory — the U13/3 NWL and the U17/3 Red. To our premiers, congratulations on your outstanding achievement, and to every single team who made finals, thank you for representing our club with pride, spirit, and sportsmanship. Congratulations also to the team officials who led our successful teams so well – NWL 13/3 coach Anna Stewart and manager Grant Kelly, and U17/3 Red coach Roy Byun and manager Michael Whyte. We saw continued growth in Kickability in 2025 with huge thanks to Angela Mitchell (coordinator) and Mark Carroll (coach) for your dedication to the growth, development and inclusion of the kids. To our youngest, smallest members – the Auskick crew – A massive thanks to our Auskick Coordinator Chris Brandner for all his efforts

Key Events of the Season - It wasn't just the matches; our calendar was packed with events that brought the whole club together. Our traditional Family Fun Day delivered a hot and sunny morning full of laughter, sunscreen, and plenty of water balloons. Superkick Day kicked off the year with our U8-U11 players hitting the ground running and reminding everyone why junior footy is the best fun you can have in boots. A huge thank you to Anthony Hall for bringing this together. Our Under 8s had their own stand-alone competition for the first time this year, a fantastic opportunity for our youngest teams to experience the fun and excitement of regular fixtures. A shoutout must go to the coaches, managers and parents of this age group. Gala Days for Auskick, Kickability and the U8s, 9s, 10s, and 11s were highlights, showing off the talent, energy, and enthusiasm of our younger players. To Paul Faithful for pulling off a huge gala day to end the season for the 8s to 10s. Our Auskick and Kickability groups took centre stage at Swans and Giants home games, running out at half time and showing the big crowds what junior footy in Pennant Hills looks like. The Indigenous Smoking Ceremony for the Sir Doug Nicholls Round was a moving and important moment, reminding us of the connection between footy, community, and culture. The North West Lightning 10th Birthday Celebration was a huge event in round 7 where we had all the Lightning teams playing at Mike Kenny Oval on the same day! Along with our NWL teams training together on a Wednesday night at Mike Kenny, and a premiership in the U13/3s, it has been a memorable season for the Lightning. A huge thank you to our girl's football ambassador Shane McLeod and the rest of the NWL team. The Junior Development Carnival is back.

A huge thank you to the volunteers who helped make it a success — from organizing teams to flipping endless sausages on the barbecue. Thanks to the growth of our sponsorship program, we were able to host great events like Pie Night and other team bonding activities, as well as provide new branded water bottles. NWL "friendly" matches gave our developing female footballers valuable game time and experience in a fun and supportive environment. And let's not forget the day the Swans and Giants players visited training — at the same time! Our kids were in footy heaven, and there may have been a few star-struck parents as well.

Thank You to Our People - A club is only as strong as its volunteers, and we are blessed with the best. "Canteen Pete" and staff: Week in and week out, you kept players and families fueled with bacon and egg rolls, sausage specials of the week, and the sacred Sunday morning coffee. Ground Manager Mick: Not only is Mick at Ern Holmes every Sunday at the crack of dawn with Pete in the canteen, but he is also regularly the voice of reason and common sense. Committee: To the group who kept things ticking behind the scenes — from fixtures to finances to facilities, from uniforms to socials — thank you for steering the ship and making sure we stayed on course. Coaches and Managers: Your commitment to developing players, supporting teams, and creating a fun, safe environment is the foundation of our success. We can't thank you enough for the countless hours you put in. Umpires: The game doesn't happen without you. Your willingness to step up, often in tough conditions, is appreciated by the whole club. A huge thank you to our Northwest coaches Aengus Taylor and Luke Ramsay, along with assistant coaches Emma Waters, Malachi Foxsmith and Rhys Hain. They run the very successful umpire training at Ern Holmes on a Monday night, with very healthy numbers regularly attending. Special mention to our umpire ambassador Theresa Taylor who has worked tirelessly on the "Umpire Welfare Officer" program. Her work was recognised this season with the Umpire Welfare Officer vest being rolled out at every club across AFL Sydney Juniors. Congratulations on your efforts Theresa, it's wonderful to see all this come together. Sponsors: We are incredibly grateful for your ongoing support. A huge thanks to Pete Parslow who continues to do an amazing job at signing on and retaining our sponsors.

Celebrating Our Award Winners - Finally, I want to acknowledge some of the individuals who made outstanding contributions this year: The Junior Club Best and Fairest winner is Xavier Rudolph with Hannah Parsons taking out the runner-up award. The Youth Club Best and Fairest winner is Evana Butler, with joint runners up going to Emma Barker and Ava Clegg. Club Person of the Year – No one fulfills the definition of community spirit more than Peter Sugunananthan who has run our canteen for four years, he is at the Ern every Sunday morning at 6am getting set up for the day, but also for your contribution to the wider club culture and welcoming atmosphere. Coach of the Year – to Nikki O'Neill for well and truly earning this recognition. Nikki, an ex-Lightning player herself, embodies the "all-in" participation ethos of junior community sport. Nikki has been a part of the coaching team in Lightning for two years and in the eyes of the girls is an absolute rock star. Youth Coach of the Year - goes to Anna Stewart, the fearless leader, taking our NWL U13/3 to the second Lightning premiership in its 10-year history. Anna was asked to come along and "help out" around any NWL team that needed it. Life Members – Players – to our new playing life members for 10 years of dedicated footy at Pennant Hills Juniors. Joel Fogarty, Callum Hancock, Daniel Couper, Benjamin Lawrence, Will Deverson, Zach Pagano and James Wilkins.

Looking Ahead - As my first year as President ends, I feel incredibly proud of what we've achieved together. It's been a season of growth, challenge, and success, but above all, it's been a season that reminds us why community sport matters so much. To all the players, parents, volunteers, and supporters — thank you for making this club such a special place. I can't wait to see what we can achieve next season.

Ali Wighton
