Presidents Report 1995

Season 1995, our 25th anniversary year was another excellent one for Pennant Hills.

The most pleasing aspect was the continued growth and development of the club in all areas.

We had an excellent mid year function to celebrate our 25th year and the attendance of present and past players, supporters and administrators reinforced again the strength of the cultural foundations underpinning our club.

We again received continued and growing support from all our sponsors and supporters who together determine the clubs financial fate. We again finished the year with a surplus which will go towards realising our goal of a dedicated Club Room.

On the field we had a great year. All the sides played in the finals, our Under 19's and Seniors making the Grand Final. Over the last years Pennant Hills have played in five of a possible nine Grand Finals and won three of the nine. A senior flag is only around the corner if we continue the improvement.

Pennant Hills won the 1995 SFL Club Championship, Randal Green the SFL leading goal kicking and Grant Broderick the Kealy Medal for Under 19 SFL "**Best and Fairest**".

Congratulations to Randal Green, John Rae, Paul Gooley, David Thomas and Gerard Mimmo for playing their 100th games for the club and special thanks and congratulations to Terry Donohoe who played his 150th and became a Life Member.

To all Coaches, Managers, Players, Sponsors, Supporters and Members of the Committee, thanks for your support in another great year for Pennant Hills.

Year 1995 started out on an indifferent note. For all the hard recruiting work, our jumper presentation night provided a Senior list with no new names, the few trial players we lost from 1994 seemed to be all over 6ft and our performance during the trial games was not spectacular. Following the demotion of Parramatta we were also dealt with a very tough draw, having to play all four 1994 finalists three times.

But what we did have was a large squad of players committed to see the Senior side experience some of the success the lower grades have had in the last couple of seasons. Season 1995 started with a loss against St George but was followed with two tremendous victories against last years Grand Finalists, Campbelltown and North Shore. By the end of the first round our record was 5 wins and 2 losses. Those early rounds were highlighted by the performance of Peter Dixon, Anthony Brawn, Ben Rouvray and the emergence of Andrew Ballantyne at Centre Half Back. Also, during this time, we welcomed Craig Headland to the Club, who brought with him a great deal of experience to a side that so desperately needed it.

Two losses at the start of the second round had many people thinking our early success was a flash in the pan, but we recovered well, to end the minor round in second spot with 12 wins and 6 losses. Probably our two most significant victories in the last part of the season were against Wests at home by 2 points (first victory by less than a goal since 1991) and against St George who had beaten us twice previously. Special mention to Ged Mimmo (who had a great debut year as Captain), David Dighton and Paul Gooley who all finished off the season with strong performances.

Highlights at the end of the minor round:-

- * Beat all sides in the competition.
- * Largest losing margin - 21 points , first round.
- * Had the best 'for' and 'against' record in the competition.
- * Randal Green topped the SFL goal kicking with 82 goals.
- * Only one suspension by an Umpires report

Our finals campaign started in disaster with a thumping loss to Campbelltown in the Second Semi Final, but again like we have done all season we were able to put the loss behind us and record a victory in the Preliminary Final against Baulkham Hills by 54 points. We started the Grand Final in fine style, kicking the first 5 goals, however we were not able to come to terms with the strength and tactics of the opposition and lost the Grand Final to Campbelltown. Our best three performing players in the finals series were Terry Donohoe, Michael Carey and Jason Clarke.

Making the Grand Final was a tremendous effort from the players, particularly those who have endured many seasons in the First Grade with little success. I would like to thank all the players for their efforts during 1995 - you certainly gave your coach a great deal of pleasure and left some terrific memories.

Special note to those players who achieved significant milestones in 1995. 100 games to Randal Green, John Rae, Paul Gooley, David Thomas and Ged Mimmo, and 150 to Terry Donohoe.

Special thanks to Tony Burnett, Steve Paterson and Gary Spillane who gave me terrific assistance during 1995. This year we also had a very inexperienced coaching panel, so thanks to Ken Couchman and Tony Regan who supported me in a big way. To David Brown, Don Ballantyne and Trevor Daykin, I very much appreciated your time in preparing the players at training and games. I would also like to thank the committee for giving me the opportunity to be the Senior coach of a club that has something very special about it; never more evident by the support the players and I received after losing the Grand Final.

Finally, coming second is not a Premiership so it is very important that each player develops a plan to improve their performance in 1996 so that next year is more successful than 1995. There are many occurrences in history where a Premiership is born by a side making a Grand Final the previous year, but there are also instances where it hasn't happened. By the right dedication to the job we must ensure that we are a club that does make it happen.

STEPHEN BARRATT
COACH 1995

SCOTT DIDIER**

It is with a certain amount of satisfaction that I sit down and write this report. Over the course of the year, many memorable events have occurred, the culmination being the Clubs winning of the S.F.L Club Championship for the first time. Also the Senior team's reaching of the Grand Final for the first time since the early 80's, and the continuation of the under 19's grand Finals appearances. Congratulations must go to both Steve Barratt and Tony Regan for their outstanding efforts.

The Reserve grade team started the season with a player base of around 40. It was especially pleasing to see the large contingent of under 19's players from 1994 following on to this years reserve grade team, together with the few new faces coming to the Club, there became quite a few headaches come selection time. It was a pleasing problem to have. As the year progressed, this problem never really abated, most selection nights saw much debate, right down to who and how many emergencies should be selected.

Each year, generally, by Round 6 to 8, the Club had its fair share of injury problems and the over supply of players seems to come to an end. This was not the case this year and I truly believe this was a credit to those players who put in the hard work during the pre-season, that we never experienced the problems of niggling injuries keeping players out.

From the first game against Parramatta, which was later cancelled by the League, I was quietly confident of having a very good season.

During the season, many players showed and proved that they have what it takes to play very good football, and, on promotion, play the same way in the Seniors.

As a coach for the first time, it was indeed a pleasure to have a group of players who, when asked, would carry out any task to the best of their ability.

We had many good players, right through the year and this was qualified, by finishing 3rd at the end of the "home and away" games, with 12 wins and 6 losses. It was very disappointing indeed to lose the first Semi Final by one point to finish fourth.

Individually, it was very satisfying to see players like Ian Wheatley and Cameron Colville play their first Senior games this year. Other players to be promoted after starting in Reserve Grade include, Craig Hartley (our B&F winner), Daryl Vella, Justin Kerley, Danny Ryan, Scott Didier and John Bohner.

In any team that doesn't finish first, there must be some room for improvement and I believe we must be physically stronger and tougher to do better next year. I also feel our skill level must improve, with both hand and foot, and the ability to talk effectively, must become an integral part of our game. Having said that, the desire that each player showed, and the commitment to each other and the ball was very, very good this year and as a coach, I must congratulate each player for all their efforts this year.

In finishing, there are a few people I must thank for the 1995 season. First and foremost is my team manager, Terry James, who has been a tower of strength behind me this year.

A special thank you to the rest of the coaching and selection committee who helped me immensely, in offering sound advice when needed. I must also thank John Rouvray, whose back up support as manager when Terry James was unable to attend due to work commitments, was invaluable. To Mick Coen, my runner and confidant throughout the year, thanks heaps mate. I really appreciate your soundness of mind. To the Club's medical support crew, headed by David Brown and Don Ballantyne, a very difficult job, well done.

Finally to Trevor Daykin, I must say a very big thank you. Trevor has given me tremendous support and valuable advice this year and filled my shoes when I myself was unable to attend matches. A big thank you from myself and all the players who played Reserves this season.

Best and Fairest.

Craig Hartley

Craig is one player who is an inspiration to the team by the way he goes and gets the ball and by the way he tackles. In my opinion he is the Club's hardest tackler. It is indeed a credit to him that he was selected in the Senior Grade finals team. He truly deserves this award as I believe he was by far our best player this year.

Runner Up Best and Fairest. Cameron Colville

Cameron is a player every coach would love to have positioned on the back line. He goes hard at the ball and never sidesteps an issue. For a player who was hoping to play a few games in Reserves this year, playing many games in the Senior team was truly a credit to him. I honestly believe that if he improves his kicking skills he will be a regular First Grader next year.

Most Consistent

Daryl Vella

I think this award could have gone to many players, but the player who won it was truly a deserved winner. Just about every game "Dasher" played, he polled votes. His number "9" guernsey being a very familiar sight disposing of the ball this year. It was also pleasing to see Daryl promoted to play 2 Senior games this year before an unfortunate hamstring injury forced him out. I am quietly confident he will play many more Senior games next year.

Most Improved***Ian Wheatley***

Ian, honestly, was the surprise player this year. Going from a player who the coaching staff was unsure where to play in Reserve Grade, to starting in the Senior sides Grand Final team, shows he is undoubtedly, deserving of this award. I am sure he will continue this improvement and become a great player for our Club.

Best Team Man***Blair Hatherley***

Blair is one young man this Club can be thankful it has. He is a player whose desire to win and at the same time, do all the team things, is a credit to him. When asked to play on the forward line due to an oversupply of backmen, he did. When going back to centre half back, he excelled, his team play, marking and constructive talk, was indeed a bonus to the team. When asked to be Captain for the last 2 games, he did so with pride and a 100% success rate. Simply a superb effort for the whole season.

Coach's Award***Scott Didier***

There are many players, once again, who I believe could have won this award. Obviously, I could not give it to all of them. I gave this award to Scott because he was one player I could rely on to do the right thing both on and off the field, right throughout the season. Congratulations Scott and thank you for everything you have done for the Club this year.

With a loss of 15 players from last years premiership team, season 1995 was looking to be a tough year. Numbers at training were low during pre season and at the beginning of the year. Unfortunately numbers continued to be poor during the season, with many players juggling HSC commitments and playing in both U-17 and U-19 throughout the year.

The year began on a low note with Parramatta not offering any competition for the first game of the season. I felt it took some time for our guys to get together as a team. It wasn't until round 4 against Balmain where we won a hard fought victory in difficult conditions for the U 19's to gain confidence in themselves and their team mates. From there the U-19's really did turn it around with ten wins from thirteen games. There is no doubt the influx of U-17 and U-15 players from Westbrook and Pennant Hills Juniors made the U-19's very strong. With the talent and dedication the U-17/15 players have shown, Pennant Hills U-19 sides in the future will be very tough to beat. I must pay a special thanks to Bob Barnetson and Peter Parish for allowing their players to play up at a higher level.

Throughout the middle of the season there were many highlights, with none greater than our victory by 2 points against Baulkham Hills. Both sides played great footy throughout the day, with our guys kicking straighter in front of goal. Another highlight was Daniel Kenny's 10 goals against Campbelltown, a great effort for a guy who spent last year on the back line.

As the finals grew near, players and coach were looking forward to the opportunity for the U-19's to be at full strength. The U-19's posted two great victories over the finals, with wins against Campbelltown (first semi) and Baulkham Hills (preliminary final). Best players in our fist semi were Barnaby Howarth, Mark Thomas and Phil Plats, with Chris Mahar, Grant Broderick and Simon Harrison all performing well against Baulkham Hills.

Grand Final - Pennant Hills vs St George. St George were favourites, having lost one game for the whole season. No doubt our guys had to play at their best to record a victory. We got off to a great start with Nick Hilton kicking the first goal. At half time St George were leading by ten points, with the game being tough and hard. After half time, St George showed why they finished on top, playing great run on free flowing football, a style the U-19's can look to be playing next year. The final score being St George 15-9-99 to Pennant Hills 2-1-13. Best players on Grand Final Day - Glenn Scarsbrook, Alan Jones, Nick Hilton and Mark Thomas.

The SFL U-19 Competition proved to be a lot more competitive this year, with all sides fielding teams. No doubt, Australian Rules can only gain popularity and momentum in Sydney, with this age group playing week in week out. Congratulations to the NSWAFU and everybody in the SFL for promoting our code through their juniors.

Congratulations to all trophy winners this year, you were all deserving of our awards. With a special mention to our Captain Grant Broderick winning the U-19 "Best and Fairest" and also taking out the Kealy Medal for best player in the U-19 competition.

Thank you's must extend to all supporters of the U-19's this year, ranging from our medical staff Don Ballantyne and David Brown. To our match day support staff and to all parents and supporters who either acted as goal umpires, boundary umpires, time keepers or waterboys.

Special thank you to Steve Barratt and Ken Couchman for their encouragement and support throughout the year. To Trevor Daykin who loves being around footy and Pennant Hills, thank you. To John Mahar who proved to be a diligent and tireless worker throughout the year, thanks.

Finally to the players who gave us great pleasure watching them play, I hope you have all enjoyed your year, and hopefully learnt from my coaching. I look forward to watching your football development over the next few seasons.

TREASURER'S REPORT 1995

It is with a great deal of pleasure that I present our financial results for the 1995 season. These accounts are yet to be audited.

1995 has been a very positive year for our Club and a profit of \$ 11,913.56 was achieved. Our good result was mainly due to our 25 Year Dinner which contributed \$2,708.00 to our result and the finals series canteen and raffle which resulted in \$5,764.00 being added to our profit. Our expenditure was again held in check apart from playing costs which increased by 42% due to the success of our Senior side.

I would like to take this opportunity to thank everyone who helped in the collection of monies and assisted me during the year on the "gate" especially Graham Davis for his consistent support throughout the season.

RICHARD VELLA

JUNIOR DEVELOPMENT

The Season 1995 has been a very successful year for the junior Clubs feeding into Pennant Hills. Westbrook and Pennant Hills Juniors featured in all the finals of the North West Region. The Hornsby Club restructured during the year and now have a very sound administration which means that providing they recruit well in the off-season they can look forward to a bright future.

During the year the newly formed N.S.W./A.C.T Junior Development Foundation was formed and a development officer, John Fraante, appointed to the Hills region. John has already had a big impact in conducting clinics and gala days for both Primary and High Schools throughout the area.

These clinics have been held throughout the year and John has then scheduled for the remainder of 1995 and early 1996.

Whilst our 1996 playing numbers (Westbrook and Pennant Hills) for the next season indicate that both Clubs will be very strong in all age groups, there is a need for a concentrated effort to recruit in the Auskick and under 9 ages.

Junior football in The Hills District will continue to grow especially with the renewed forces by the A.F.L. through the N.S.W./A.C.T. Development Foundation.

The Senior and Junior Clubs need to continue to work together for the betterment of Australian Rules Football and the development of youth.

Mike Kenny
Junior Development.
