

Welcome - General Manager's Report

The 1999 season was the 'Year of Change' for the Demons in a variety of ways. As the President noted, a General Manager was employed, and the AFL (NSW/ACT) instigated a number of changes to the game. But it was also a year that many within our club realised, would show the way in which we would continue to advance within the Sydney AFL.

Our players responded wonderfully to the additional effort that we asked of them off the field - to assist in promoting, not just the code, but most importantly our Club. Numbers of players who were involved in a major promotional event at the Westfield Shopping Centres Handball Competition, the winner of which won a trip to Disneyland. Our players acquitted themselves alongside Swans and Kangaroos players and not only heightened awareness of the Pennant Hills Demons, but also gave a wonderful promotional boost to our Major Sponsor - ADT Security.

Our Junior AFL Clinic at Ern Holmes Oval on 1st August, was a great success. Past players, Stefan Carey and Mark McVeigh donated their time to attend and the kids (and parents) who attended were thrilled. We are extremely proud, that we had a number of our players attend a Level 0 Coaching Course, in order for them to run this clinic. This was a first for any SFL Club - to have their players prepared to give that 'extra' for the Club. This clinic, although only advertised through flyers at the local primary schools, and shopping centres, was very well attended with approx 40-45 children participating.

The players involved did a fantastic job. Players have also assisted with Junior Clinics run by the AFL (NSW/ACT) Development team, and this has again raised awareness of the Club with the local kids.

The Pennant Hills Demons have had the pleasure of having kids from the local junior clubs participating in Little League during half time of the Seniors at our home games. The AFL (NSW/ACT) this year, supplied each Club with a set of junior jumpers, so we have been seeing a 'mini' game of Demons vs the opposition. There is no doubt that each junior club is vying for the chance to wear the Demons jumpers!

Again, there has been no shortage of volunteers amongst the players to assist with the organisation of these Little League games, whether it is setting up the equipment, or acting as Umpires. We had the Penrith Under 12's as our guests at our Past Players Day, and they played the Little League game against Hornsby.

Both sides, and their parents, had a great time, and Penrith have expressed their keenness to participate in Year2000.

The Club issued invitations to our local junior clubs for their senior side to train with the Under 18's prior to the Junior Finals. This was greeted with great enthusiasm, and all the junior players who came along returned to their junior clubs with a lot more understanding of what is involved with moving up to a senior club - it was not the tortuous training trap that some of them imagined. In fact, they thought it was hard, but loads of fun as well.

Past Players day was, as usual a resounding success, due not least, to the effort of Stephen Barratt. The number of past players, officials, and supporters who supported the day was fantastic! Beer and wine sales for the area must have shown a large lift in their consumption figures (let's not forget the odd lovely glass of Chardonnay!). The last game at home during the home and away series was, although not officially a Past Players day, given a huge boost by the numbers that turned up to support the Demons on the day against St. George. The crowd was considered to be one of the largest at any SFL match, and an Official from the AFL (NSW/ACT) actually commented that we probably had more at this game than they would get to the First Semi-Final!

The Year 2000 will give us the opportunity to build on these events. It is vital to our continued growth as a progressive, pro-active Australian Football Club to ensure that we grasp every opportunity that comes our way to promote, not just the game, but our Club. For those kids who play Aussie rules within our logical geographical boundaries, we want them to aspire to play First grade with the mighty 'Dees'.

Thanks must go to all those who participated so willingly during this season to raise our Club profile. We know we will get the same support in the Year 2000.

Presidents Report

Behind the disappointment of the first Grade side missing out on the Grand Final, was a highly successful season for the Pennant Hills Club.

Having all three sides in the finals and to miss out on the club Championship award by a very narrow margin (2pts) was a tremendous achievement.

Congratulations to the U/18s on their success, a well deserved premiership from clearly the best team in the competition.

This Club continues to develop outstanding junior footballers and there is no doubt that this group will contribute significantly to the senior success of the Club in the near future.

Congratulations to Terry Donohoe on playing his 200th game for the Club during the season. An outstanding effort by a person totally committed to the Pennant Hills Football Club. Terry is now second on the list of most games played for the Club and there is no doubt the record is within his sights. Well done also, to John Murray on his 150th game and Life Membership and Jason Clarke, Mark Collings and Blair Hatherley on their 100th games.

This year was difficult financially, with the introduction of a General Manager, the administrative costs were significantly higher than in previous years. However, this appointment had a positive impact on the Club's development and growth in the Sydney Australian Football League.

We received strong support from all of our sponsors and supporters and I thank them all on behalf of the Club.

A special thanks to our major sponsors ADT Security and the Pennant Hills Bowling Club.

The facilities at the Bowling Club for post training and match functions are excellent and the comfort and attitude of the staff is appreciated by everyone.

To all of the Committee, Coaching Staff and Players, thank you for your support in what was a very successful 1999 for the Pennant Hills Football Club.

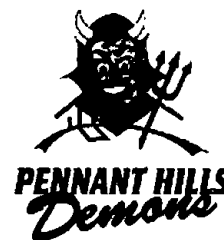

PETER CLARKE

Senior Coaches Report

1999 was again a year of change, both on and off the field. The Sydney AFL has introduced new ideas for the competition for which we as a Club will benefit from in the future as long as we can learn to identify weaknesses and capitalise on our strengths. The introduction of the U/23 players' rule enforces the strategy that we have taken during the last few years. That being to develop juniors into the Reserves and First Grade sides. The Reserves saw considerable changes this year, with improved standards of play, greater demands on the players and a change in attitude, where this team is no longer a social event but a breeding ground for younger players on their way to the First Grade. The Senior players will play a very important role in this team, educating and protecting the rookies.

To the Senior players, we all have a role to play in this Club, both playing and off the field. We must set standards that challenge and assist the next generation of Pennant Hills' footballers, as we were assisted by those before us.

I do not need to reflect on the finals series because if you need to hear it from me, then I am not sending the right messages about acceptable performance. The season, however, was filled with highlights during very difficult times. The long season saw demands on players physically and mentally that would normally be required of semi-professional football states. However, the standard of the competition continues to improve with Pennant Hills a forerunner on the field.

This year we developed a flexible side through plan and default. During the year we saw changes to the First Grade side each week of two or three positions due mainly to injury. To the team's credit they were able to maintain the same style and team play that reinforces the Club's playing pattern that is reflected in all three grades.

I would like to thank Danny Ryan, Bruce Reidy, Matthew Gray, Sandeep Gupta and the committee for your assistance, but especially Kim Beasland and Gary Brown for their support and ideas this year. Next year will see further change with the possible introduction of a third senior side to play in the SFA.

This is a commitment from the Club to ensure that we provide opportunities for all of our players. The standard of competition will rise again with the introduction of the Sydney Swans reserves and we all, as a Club, must rise to the occasion on field and off.

I finished last year's report saying that 1999 would be tougher and harder than the previous year and it will be no different for the year 2000. The first football meeting has occurred to plan for next season and the first training session will be on the 28th November.

Opportunities will be available; it is up to you to take up the challenge.

Reserve Coaches Report

This season saw the introduction of the sixteen a side rule. Our first game was against North Shore, in temperatures hovering around 30c, and we got belted! This made me think long and hard about tactics for sixteen a side and also seek heaps of advice from Kim Beasland, Peter Bennett and Gary Brown.

Round 2 saw us beat Balmain at Drummoyn Oval (the team that proved our nemesis in 1998). This win proved to ourselves that we were capable of playing the style of game required and also win against teams that were supposedly better than us.

Season 1999 saw us acquire some very good players, though also lose some very handy players as Steve Monahan, Steve Fitzpatrick, Andrew Clarke and Adam Teitz either retired or just did not play this season. Alan Jones and Murray Best 'retired' mid-season but hopefully they will be back. Injury claimed Andrew Ballantyne and Matt Gray early in the season.

Our acquisitions included Adam Howarth, Dion Burke, Michael Hoareau, James Sandy and Adrian Apostolatos. Adam, Dion and James were experienced players and proved to be more than useful. Michael and Adrian were 1st year Aussie Rules players, with Michael playing every game bar one, (relatives wedding) and Adrian kicked a spectacular '70 metre' goal.

Many thanks to the U/18 players who played for the Reserve Grade this year: Tim Potter, Seb Parker, Matt McCamey, Dave Marscham, Alistair Richardson, Martin Brewster, Ryan Talbot, Michael Sullivan and Paul Folkard. These guys all played exceptionally well in Reserves, with Seb, Matt, Alistair, Martin and Paul all playing First Grade and Representative Football. Tim Potter went back to the U/18s after kicking 5 goals from a half-forward flank, because of finals qualifications and not because I thought he should have got 6 or 7 goals. Paul played two exceptional games in our finals campaign.

I must thank our many Managers who performed the task this year. Craig Tate started out in this role although he had to retire after being accepted into the Police Force. Injured players including Darren Freidrich and John Rakic then filled the role. Frank Piccolo took on the position before succumbing to my pleas to play. Craig Hartley then did the job for the rest of the season. I would have much preferred Craig on the field but unfortunately after he injured his knee (again) against East Sydney at Trumper

Park in May. Hopefully Craig's knee will recover and we'll see him back on the field in 2000.

I would also like to thank Kim Beasland, Peter Bennett and Gary Brown for selection night solutions, running training and helping out on game days. KB ran the show from the sideline all year except for one or two games. Benno convinced me that my days of playing on the ball were behind me and I had a new lease of life in the backline. Also, having Benno play in our side was something special to all of the players. Gary was always cool, calm and wise at selections and training.

Many thanks to the committee, especially Moya Paris who always answered my queries no matter how trivial. Again this year we were blessed with an abundance of players that made for some difficult decisions at times. I would like to say a huge 'thank you' to every player who pulled on a Penno Reserves jumper this year! The highlight for the year was our 'team performance' over the last 7-8 games, inclusive of the final series. The way the boys worked together, played for a full 4 quarters and believed in themselves and each other, was inspirational to an old player like me.

A sensational last 5-6 weeks from everyone, especially Ben Rouvray, James Fulton, Christian Driver, Justin Kerley, Adam Howarth, Dion Burke and James Sandy. A special mention to our Captain, John (Hound) Rakic, who, despite a huge job and living on the northern beaches, always trained when in Sydney and accepted some difficult selection decisions during and at the end of the season.

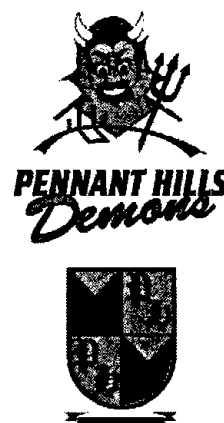

Thanks to Frank Piccolo, Scott Didier and Russell Dickson who all pulled on the boots for Reserve Grade during the season, ensuring that I was not the oldest player! (Even if I looked the part).

One last thank you to Total Constructions for providing the 'Player of the Match' award each week.

Under18 Coaches Report

Well, what a great year!

We started the season off strongly, with a very large playing list of 32 players. This represented some big challenges with sixteen a side and a bench of six players. At times this was a nightmare to manage. Trying to convince the players that it is OK to come off and spend some time on the bench to re-charge the batteries and get ready to go again at full pace took most of the season, but I think the message finally got through.

We were lucky that quite a few of the team had the opportunity to play up, which gave the other players a chance to get some playing time and put into practice the skills they had been learning. While 4 or 5 players did drop off due to lack of opportunity, the remaining players started to gel together as a very tight group.

Their performances on the hill, supporting their club mates, and at the coaches house for a team get together or sing-a-long (do da do da), I am still not sure which it was, showed just how well the entire team got on together. This spirit was also shown on the field with a couple of come from behind wins, especially at North Sydney Oval.

Congratulations to the players who played at a higher level during the season. It is no wonder the team was as strong as it was given we had 6 players, Paul Folkard, Sebastian Parker, Daniel DeLooze, Martin Brewster, Dale Ellis and Anthony Hillier represent the RAMS during the season. All bar Dale and Anthony also played games in our First Grade side. Dale and Anthony, who are still eligible for U/16, went on to represent NSW in the U/16 national carnival. Congratulations also to Matt McCamey, Tim Potter, Ryan Talbot, Martin Brewster, Alistair Richardson and Daniel DeLooze for representing Sydney in the U/18 Representative side. It was also great to see Alistair Richardson, Dave Marscham, Matt McCamey, Leigh Mortimer, Tim Potter and Michael Sullivan play in our Reserve Grade side. Sully is the only player that I can remember who has played in two senior grand finals on the same day!

While I am mentioning players who played up, I would like to congratulate Cameron Beasland and Jarrod Myers who are U/16 players and were great contributors during the season. And to U/15 players, Brant Jack and Chris Clarke, well done and I look forward to the next couple of seasons and their continued development.

The team developed each week and was very consistent all season except when we travelled to Olds Park by bus (never again) and when we went to Newcastle and the Central Coast where St George and Hunter beat us. I think it would be fair to say we do not travel well!

Our form going into the finals was pretty good and with all players back from the RAMS, it further strengthened the team. We met Hunter in the second semi and in what was a typical finals game, our boys were great, particularly in defence. There was no doubt that throughout the season our half back and half forward lines were outstanding and this was evident on the day. Particularly the defence in that they only let the second placed side kick two goals.

The Grand Final was all I expected it to be.

It was not a pretty game to watch as our opposition set up very negatively on us, but we kept at it all day and finally broke the shackles in the last quarter to run away deserved Premiers.

As I mentioned before, with such a large playing list it was difficult when some players missed out, especially when they had performed all year, but only 22 players could play on the day. I want to recognise those guys and congratulate them on how they handled themselves and their disappointment in missing out. From a coaches point of view I was pleased with the maturity that these young men showed.

Players Rep Council Report

At the commencement of the 1999 season the President approached the players with the idea of forming a players committee, with a view to providing a valuable link between the players and the committee of the Club. In providing such a link it was envisaged that both ideas and concerns, raised by players could be presented to the players committee, who would then in turn voice these issues to the committee.

The result was the formation of the Players' Committee, made up of Paul Gooley, Tim Hall, Tim Kenny, Blair Hatherley, Craig Telfer and Matt McCamey. It was felt that this group was representative of players in all three grades and would provide a balanced view in breaking down the players vs the committee mentality that had existed in previous years. This was seen as an important part of our activities, enabling interactions between two previously separated groups, often with conflicting views, to help the club move forward together.

In our inaugural year we believe that many advances were made in this area.

Fortnightly meetings were held where concerns of players were raised in an open forum. These concerns were discussed by us and if thought appropriate were raised at committee meetings, which were regularly attended by a representative of the players committee. By having a voice at the committee meetings we were able to raise issues and discuss them, finding out reasons why things were handled a particular as opposed to relying on third hand information. This was constructive as we could then give players correct answers to their concerns, enabling a better understanding between players and committee members.

Players' Committee members were also assigned tasks in the areas of social events, organisation of help on match days and football trip coordination. These tasks were all performed well by the various members.

The Players' Committee would like to encourage further participation by all players over the coming seasons, not only continually raising issues and providing ideas for improvement around the club, but also looking to the future and new blood for the committee itself.

TIM HALL

Players Rep Council

Westfield Nth Rocks AFL Promotion

A number of players were involved in the AFL's major promotional event at Westfield Nth Rocks. Many thanks go to Mike Kenry for this opportunity. Our players acquitted themselves impressively alongside both Swans and Kangaroos players and not only raised public awareness of our club, the Pennant Hills Demons, but also great exposure for one of our major Sponsors - ADT Security.

Sydney Swans Matthew Nicks takes the microphone.

Running the 'Gauntlet' of Swans and Penno stars!

A great promotion for PHAFC and our major sponsor.

Adam Howarth explains the Handball target drill.

Adam Howarth, talking to fans at the AFL promotion.

Plenty of fans for the AFL promotion at Nth Rocks.

Best and Fairest Winners

SENIORS BEST AND FAIREST

Anthony Brawn

Brawny capped off a strong pre-season that commenced in Oct '98 with his appointment as the PHAFC Club Captain. After a slow start to the season Anthony started to display the form that makes him stand out as one of our most dynamic players. We played Brawny in many positions over the year in a effort to capitalise on his abilities and his consistency throughout the season makes him a worthy winner of this prestigious award - Congratulations!

RESERVES BEST AND FAIREST

Andrew Yates

Yatesy was well in front on points when he did his AC joint and missed 6 matches. His form up to his injury was outstanding and I am sure he would have won by a lot more had he not missed these games. After being the Runner Up in this award last year, Andrews solid contributions at Centre-Half Forward in the Reserve grade has seen him win the trophy this year.

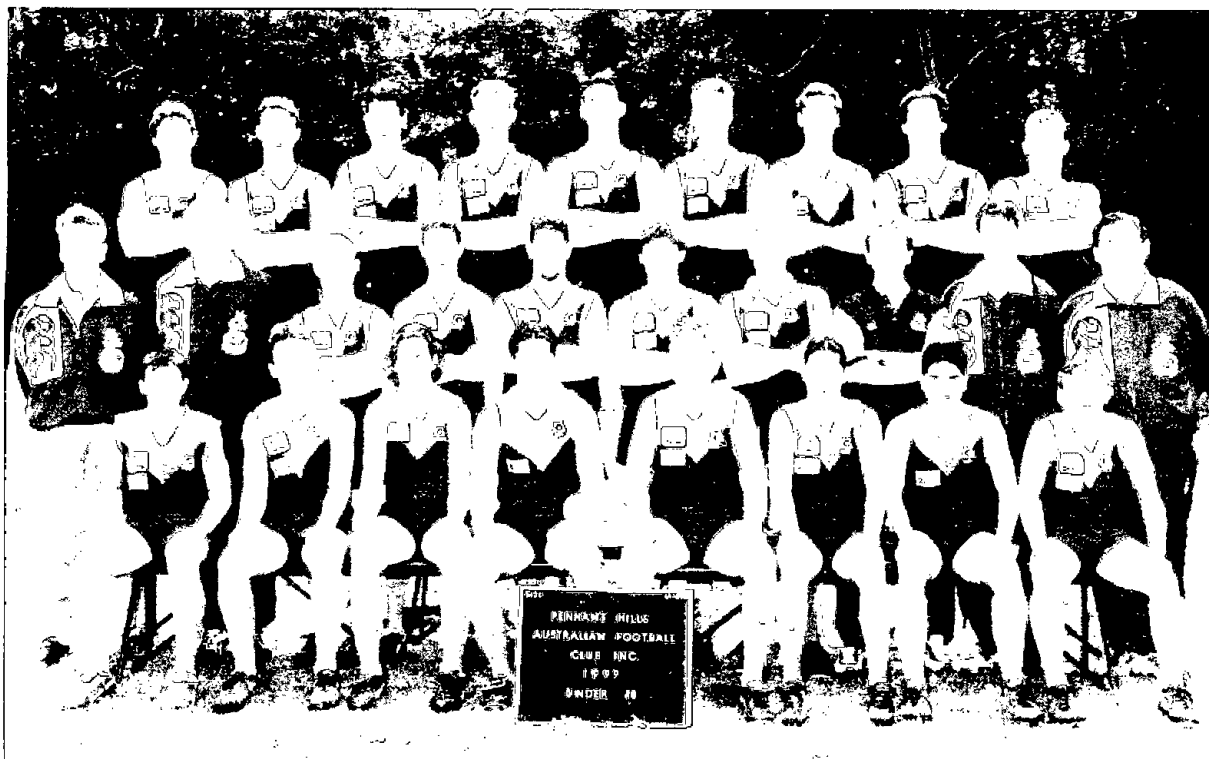

UNDER 18 BEST AND FAIREST

Sebastian Parker

Seb was clearly the outstanding player in the under 18 competition. After the experience of playing at higher levels he used his excellent skills and his ability to set up play to dominate the second half of the year, so that he won the 1999 Best an Fairest by only playing half a season. Still the voting was tight and came down to the last game, although Seb was not best on ground that day he was again amongst the best and secured enough votes to win this award for the second year in a row.

Junior Clinic Day

The PHAFC Junior AFL Clinic at Ern Holmes Oval on 1st August, was a great success. Former Demons players, Stefan Carey and Mark McVeigh attended and the kids were thrilled to see these AFL stars. A number of our Senior players attended a Level 0 Coaching Course, in order for them to run this clinic. This was a first for any Sydney FL Club. The clinic, was advertised through flyers at local primary schools and shopping centres, and was well attended with approx 40-45 children enjoying a wonderful day.

Stefan Carey and Stephen Brown.

Peter Carey and Mark McVeigh.

Dave Dunning keeps an eye on the troops...

Having fun with the Handball game!

AFL stars watch over a couple of future stars.

Glad to be helping our next generation out!

Treasurers Report

YEAR ENDED 30 SEPTEMBER 1999

The Club had another sound year financially, with a small loss of \$4,838. Accumulated funds remain around the \$50,000 figure.

The appointment of a General Manager, whose salary is currently paid by the AFL (NSW/ACT), has greatly enhanced the administration and provided a level of professionalism previously unseen at this Club. This brought with it additional administration costs, with increased telephone, office supplies, stationery etc.

This has also resulted in the upgrading of our Image/Corporate Identity and increases in costs associated with the YearBook/Annual Report and the 'Demonic' magazine.

Player Awards continue to increase as the Club rewards the Senior Players from surplus revenues.

We need to substantially increase our revenue base in the future years to ensure that we maintain the level of professionalism the AFL (NSW/ACT) is seeking and to remain competitive both on and off the field.

ROSS SCOTT
Treasurer - PHAFC

PHAFC stalwarts Tony Yard and Don Ballantyne.

Junior Clubs - Pennant Hills

The 1999 season has again been most successful for the club both on and off the field. The season commenced with the news that 2 of our former junior players were drafted to two Victorian AFL clubs in the 1998 draft. Mark McVeigh to Essendon and Lenny Hayes to St. Kilda. We were again successful in the pre season carnivals with our Under 16's winning and continued their success by winning the mid year Vili's Cup carnival. Finally the year was capped off with a Premiership win by our Under 11's who remained undefeated all season.

This season the Juniors fielded 7 teams in the Northside competition. We registered well over 120 players with Northside, fielding teams in the Under 9's 10's, 11's, 12's, 14's and 16's and not forgetting our young Auskickers.

The season proper again showed the strength of the club with all teams making the finals. Our Under 14's and 16's were both eliminated after the first week. The Under 10's and 12's were eliminated in the semi finals with the Under 11's going all the way in winning their Grand Final in fine style against Baulkham Hills.

We continue to be a major source of quality players for representative teams with players being chosen in age groups from Under 10's to 16's. Many of them going on to be chosen to represent Sydney in the Under 14's, 15's and 16's sides. Two of our most talented boys, Brant Jack and Jarrad McVeigh, were picked for the NSW Under 15's C.H.S. state side that played in a national carnival in Canberra.

Behind these scenes the club in 1999 has once again been well managed by a hard working committee and supported by dedicated parents. We enjoyed another wonderful Trivia night, a fantastic Club Dinner and a fun Family Fun Day. Our coaches and managers throughout the year continued again to set high standards both on and off the field. Thanks must go to all our parents who assisted throughout the year in the many jobs that were associated with hosting our home games.

Finally in my last year as President I would like to thank all my fellow committee members who have assisted me this year and over the past 3 seasons. We have created a wonderful club with a most fantastic atmosphere that encourages all members of all families to have fun and enjoy this great game that we know and love.

PRESIDENT

Peter Jack

AFL Commissioner Ross Howarth and Ken Couchman.

Junior Clubs - Westbrook

In 1999 Westbrook fielded 2 Under 9 teams, 2 Under 10's, 2 Under 11's, 2 Under 12's, 2 Under 13's, and 1 team in each of the Under 14, 15 and 16 age groups. There was also a large group of Auskickers who enjoyed Friday nights immensely, developing their skills. A total of 253 registered players participated in these teams. Once again a substantial growth in numbers from the previous year. The rapidly developing profile of AFL in NSW and, in particular, in our area will see this expansion of player numbers again in 2000

Westbrook had seven teams in the semi finals with six of these progressing to the preliminary finals and five teams then moving on to the Grand Finals. A truly outstanding effort. Two teams, the Under 10's and Under 14's winning their matches and the Under 13's, 15's and 16's being runners-up. Congratulations to them and well done to all teams for their fine efforts during the season.

As has been the case in past years, continued skill development and the enjoyment of the game continues to be paramount in the Westbrook philosophy. One outstanding feature of games this year has been the quality of teamwork exhibited by all players

There were plenty of other activities from both parents and children to be involved in. I am sure that those who participated in these had a wonderful time.

ACTIVITIES SUPPORTED BY OUR CLUB INCLUDED:

Local primary and high school teams in PSSA,
Paul Kelly Cup, Greg Stafford Shield
and the AFL Spring Cup
Training camps at Greenway Oval
McDonald Presentations
Brisbane tour by Cherrybrook High School
Representative teams
Development squads
Social functions - Trivia night, raffles and wine drive
Swans/Kangaroos clinics and games

For these and our weekly games to take place many dedicated people gave unselfishly of their time. They certainly have made this an enjoyable and successful season for all teams. Firstly, we must thank the committee for their untiring efforts in guiding the club during the season, and also all those parents who took on major roles in a variety of areas helping to ensure that the season progressed smoothly. The club is most appreciative of your voluntary contributions.

The coaches and managers, also, deserve many thanks for their dedication to their teams throughout 1999, installing in our children the value of doing their best and to perform as a team member. Your efforts have been greatly appreciated by all.

We thank also the AFL (NSW/ACT) Development team for their wonderful work in the schools and in organising training camps and knockout competitions. Your excellent work has been well received and will no doubt lead to more player registrations. It has definitely added to the profile of AFL in this area.

Overall, 1999 has been a very successful season for our club and with increased parental support, 2000 will be even more successful. Thank you again to all who added to the club's success this year and don't forget to register early for next year, as there will be a cut off point in mid February Year 2000

Have a great summer everyone and I look forward to seeing you all in 2000

MIKE BARRINGTON

President

Westbrook Junior Australian Football Club 1999

Junior Clubs - Hornsby

The 1999 season for the Hornsby Eagles was one of mixed fortunes. During the year we increased our playing numbers to approximately 100 children in the age groups of Under 10, 11, 12 14 and 16.

While none of the teams actually made the finals, the experience gained, especially in the Under 12 and 16 age groups, will I believe place these teams in a good position for a finals berth next year. The Club greatly benefited when former Pennant Hills First Grader, Trevor Daykin, assumed the role of coaching the Under 12 side. From the time Trevor took control, a great improvement in the sides skills and ability was evident.

For clubs of our size to continue to grow and provide the best possible coaching for children, a commitment such as that made by Trevor must be made by experienced players, past players, etc from our senior Club.

Our home ground at Rofe Park is continuing to be upgraded, and with a better relationship with our baseball co-tenants, greater use of the facility during the football season is a possibility.

On behalf of the Club and its committee I would like to thank the Pennant Hills Australian Football Club for their ongoing support and assistance throughout the year, especially Moya Paris and Peter Clarke. Hopefully we will be able to repay the Club, in the future, by providing a continual stream of talented footballers.

ALAN FITZGERALD
