

Welcome - General Manager's Report

At the time of writing, I am in the same position as every General Manager within the Sydney AFL - unsure as to whether this will be my last report as General Manager. The funding to enable Sydney AFL Clubs to utilise the services of a General Manager ceases from December as the AFL (NSW/ACT) Commission will not, at this stage, commit to continue this funding. The majority of Sydney AFL Clubs are not in a position whereby they can fund this position without the assistance of the AFL (NSW/ACT)

The General Manager's report therefore, will be given on the presumption that it will be my last. I have been with Pennant Hills AFC in the capacity of General Manager since April 1999, and I believe this Club has become, in many ways, the 'benchmark' for most other Sydney AFL Clubs.

The season 2000 has been a phenomenal success. We have won our first First Grade Premiership, and been Runners-up in the three other contested Grand Finals. The euphoria that went with that win against North Shore was incredible! The first win is always something special, and even when Pennant Hills goes on to win many, many more in the years to come, people will still talk about that day on 27th August 2000.

This fantastic win capped off what has been a truly groundbreaking year for the Demons. We went into the start of the 2000 season with the formation of a new team, playing in the newly formed SFA Division 2 competition. This competition commenced because of the increasing numbers of players who were either returning to the game, or trying the code for the first time at a senior level. There was an expectation that a number of SFL clubs would be fielding teams in this division, however Pennant Hills Demons were the only SFL club to be able to field a side in this competition. To play in a Grand Final in their first year, and to also have the inaugural Armstrong medal winner, Frank Piccolo, amongst our numbers, was a tribute to the determination and professionalism of this team.

The creation of our Demon Development Team, headed by James Dawson, and funded by the Pennant Hills Bowling Club added a much-needed resource in the junior area. We had members of our Development Team assisting in many areas. Continuing on with our initiative last season, we arranged for members of the Development Team to undertake Level 0 Coaching courses. They were actively

involved with the Development Officers of the AFL (NSW/ACT) in organising and assisting at junior clinics held at many schools throughout the area. We had members of the Team training and coaching at schools such as Cheltenham Girls High School, Barker and Masuda Colleges. One member of the Team, Cameron Beasland, took on the added responsibility of Auskick Co-ordinator at Pennant Hills JAFC for which the kids and the Club were very grateful. We anticipate that this Development Team will continue to grow and become even more actively involved with the junior clubs, and local schools in the future.

The Club formed a formal alliance with the Macquarie University Football Club, a club that has now won a remarkable three Premierships (1998, 1999, and 2000) in the Sydney Football Association. Our Club, with the assistance of the Macquarie Uni AFC, intend to make it possible for young men who graduate from the junior Under 16 ranks, and do not have the desire to play football at the level required for a SAFL Club, the opportunity to play in the Macquarie University AFC Under 18 Second Division team. It is anticipated that these young men may continue to train at Ern Holmes Oval, or perhaps Mike Kenny Oval (formerly Greenway Park), and play under the banner of the Macquarie Uni 'Kookaburras' but continue to have a strong link with the Pennant Hills Under 18 team. The alliance with the Macquarie Uni AFC also brings us a link with the Macquarie University Sports Association. This link will enable us, in the future, to play a number of 'home' games at Roger Sheeran Oval. With the possibility of up-grading works being discussed at Roger Sheeran Oval, it will ensure that the Demons will have access to a 'premier' sporting ground in the future. Both the 'Kookaburras' and the 'Demons' will work together to assist in the development and growth of local junior clubs, and allow both clubs to gain considerably higher supporter and media awareness.

This year we announced an informal relationship with the Kangaroos FC. Our coaches were invited to spend time with Dennis Pagan and his assistants, at the Kangaroos expense. We had Wayne Carey and Glenn Archer pay a 'flying visit' to a junior clinic held at Ern Holmes Oval. A resounding success with the kids and their parents!

Presidents Report

Well the monkey is now off our back! To win our first First Grade premiership was a tremendous effort and something that every one involved with the Club can justifiably be proud of. In addition, the success of the other three sides in making the Grand Finals and bringing home, once again, the Sydney Australian Football League's Club Championship shows that the Pennant Hills Football Club is clearly the strongest in Sydney.

The year in itself, has again been one of change and growth. The introduction of the Third Grade side was an unqualified success and gave more opportunities to people to play senior Australian football. The strengthening of the relationships with the local junior clubs continued and this again was reflected in the success of the U/18 side. The establishment of a relationship with the Macquarie University Australian Football Club was another significant step in the development of the code in our area. This relationship, together with those of the junior clubs, will give us opportunities across a range of areas such as coaching, administration and even fund raising. We congratulate Macquarie on their third consecutive premiership in the Sydney Football Association. This formal relationship between the two premier sides in the Sydney football competitions, together with the strong junior clubs, augurs well for the ongoing success of all the clubs and the strength of Australian football in the region.

The development of a link with the Kangaroos also saw initial benefits to the coaching staff and junior development. This proposed arrangement was not supported by the AFL (NSW/ACT), however, it has always been our view that it would be of significant benefit to both clubs and to the development of football generally. It is disappointing that the attitude of the AFL (NSW/ACT) Commission was perceived to be a protectionist approach to the Swans and did not focus on the bigger picture. This Club has always taken the attitude that we will fight for what we believe is right and we did so in this situation.

No one person can be singularly responsible for the success that Pennant Hills achieved this season. I therefore will not name any individual specifically. However, the contribution by many was great. From the coaching staff, those responsible for the canteen, the medical staff – everyone contributed to what is a watershed season for us. To the committee, well done, the efforts of each member was above and beyond the call of duty.

We again, received strong support from all of our sponsors and supporters and I thank them all on behalf of the Club. A special thanks to our major sponsors ADT and the Pennant Hills Bowling Club. I congratulate each of you on being involved with a successful organisation.

This Club is now on the verge of what should be further success in all grades. The hard part is to stay focussed and ensure that success comes. With hard work it will. Again, to everyone involved congratulations on the most successful season in the Club's history.

Senior Coaches Report

At the start of the year we held a team meeting, with all Players from all grades - including our newly formed Thirds side, the Coaches listed their goals, with the most important being one that all Coaches and Players unanimously supported, that we would set a standard in the Football Department of the club that should read - "We expect to play in at least one if not two grand finals out of the four sides and must win one", with the emphasis from the entire playing and coaching staff being the GF that counts the most, 1st Grade. Anthony Brawn epitomized this most - after last years great effort by the U18 to win their GF and as the club celebrated, he told us all that even though this was a great win, the club will not and should not rest until we secure the one title that eludes us.

Well not only has Brawny's passion been rewarded but the efforts of all people involved with the club over the past 27 years have now been fulfilled. If it takes us to have 4 sides in the GF every year to win the 1st grade, we as a club cannot be disappointed. However when you show so much strength and commitment as a group of footballers and coaching staff you cannot do any thing else but to achieve your goals and be successful. I feel our Football Department is coming of age, a vision that Mike Kenny and myself had some 3 years ago and I am sure he would be proud of. A vision that has been taken up by Danny Ryan, who has been a leader in this club for many years and this year has shown his dedication to all of the players in all grades and coaches alike, in his role of Football Director. Danny has helped the coaching staff push the limited resources we have to gain the maximum return.

Some People to THANK -

Kim Beasland, as Assistant Coach to Terry Donohoe and myself, along with support of the Thirds and liason with the team managers. His effort on GF day shows his commitment to both his own family and his football family. In between watching his son in the U18s, assisting the A & B grades, he also managed to assist Lyn in the birth of their son, a special day to be remembered. Kim is a braver man than I, thanks to Lyn for allowing him out of the hospital.

Danny Ryan, as I said above has become a great leader in the club and we always need that artistic side of his to add some flare to the decision making. Fund raising, Runner, committee member, player, etc, etc, etc.

Gary Brown, the best U18 coach I have seen in Sydney, his judgment and level head has been of great assistance to myself; of all the people I have been involved with in football we have very similar views and was always a great sounding board.

Ross Scott, Team Manager for the first grade, a new role in the club and was always quietly working behind the scenes, but there when we needed him and fitted in to the group so easily.

Terry Donohoe, Bruce Reidy, Craig Hartly, Seb Parker, Ian Parker, Craig Telfer, John Rakic, Jason Scott - thanks along with all others that assisted.

The players are the people who deserve the rewards and pats on the back for the efforts but so should all the people involved in the Football Department this year. There were other efforts that need to be mentioned; Seb as Runner, recovering from a car accident; the trip to Melb by the coaching crew and the painting of the Change Rooms. These all show the commitment we all had to each other and the players.

For 3 years we have taken a style at Pennant Hills that has been sound, and now developed it to it's current potential, we are now in a position where we can set the standard for SydneyAFL teams on the field for the coming decade. However it is up to us all to recognize this and not be satisfied with achieving that level but to push and strive to always raise the bar both on and off the field. We cannot let anyone stand in the way of the Pennant Hills Football Club. We had a saying through the finals "No One" this meant that not one person, thought or influence would stand in our way from either outside or within the club in stopping us reaching our goal - winning the Grand Final. This saying should take us further into the future and with success comes opportunities - if we are brave enough to take to challenge both on and off the field.

Four players need a mention who were casualties of GF selections - Paul Gooley, Adam Grossmann, Adam Roxburgh and Luke Driver, I appreciate your commitment and support.

I have been extremely focused on one task this year and at times have been blunt and difficult, but please understand that we as a club needed to ensure we did not let this opportunity slip. If you did not understand my approach speak to 'Gus' - we had a good discussion about this.

Our plans fell into place well, even though a few might have doubted our start to the season, but there was no panic, we had a job to do and that job was to win the entire season not just the opening rounds. Our depth on the field is second to none in this competition and must continue to be developed, this can only come if we set the rules that will allow us to provide opportunities for kids that want to play at the highest level and allow the mature players a chance to pass on their skills. We need to set our own rules for the coming season and it must start with the U18 and B grade, we should impose on ourselves that at least two U18 players should play in our B grade side every week. This will help us to develop players and continue to provide the needs of the club with talented youth in the coming years.

Thanks to all the Players in all grades, we as a group rightly deserved this victory.

Reserve Coaches Report

After we started the season with a loss to North Shore at home, I reminded the players that our side was a mixture of older players, graduates from the previous years U/18's and new players either returning to football, or brand new to the club. We went on to win the next 12 games in a row, to set up the minor premiership. Players who made a welcome return to the playing ranks were Andrew Clarke, Damien Clarke, Luke Kenny and Michael Ghobrial. AB returned after breaking an arm last year and when he wasn't playing 1st grade he was always our most dependable player no matter what position he was asked to play.

Tim Potter, Matt McCamey and Julian Raffel all graduated from the 1999 Under 18 Premiership side. Luke Driver played his 1st full year of open age football after he missed the previous U/18 season through injury.

New players to the team (Et Club) were Rob Mayak and Damien Clarke (although Damien played juniors in our area)

Rob Mayak is an outstanding acquisition and an exciting young player plus a worthy winner of our B & F.

Damien Clarke is one of the best '2nd, 3rd & 4th effort' players (for a big bloke) that I have seen at our Club. I believe Damien will play a lot more 1st grade in the future.

Andrew Clarke returned after a year's absence and his form was excellent this year, he was rewarded with the trophy for runner up B & F.

Also returning was Luke Kenny, who after 1 or 2 3rd grade games played 12 reserve grade games and was a valued member of our frugal backline. Michael Ghobrial also made a welcome return after a couple of years absence. After starting the year in 1st grade, he found good form in reserve grade and polled votes in every game he played eventually winning our Most Consistent.

Trent Whalan, Lachlan Howarth and Cameron Beasland came up from the U/18's playing 2, 5 and 3 games respectively. Cameron also ended up getting an invite to the Sanders Medal count. Mark Secivanovic (5 games) and Steve Cherrie (7 games) were both 1st year Aussie Rules players who played well enough in 3rd grade to be promoted to Reserves.

All up, 52 different players played Reserve grade football this year.

Our 'Players Player' award this year went to Ben Rouvray, a very deserved winner. Ben had one of his best years at the Club. His tackling and desire to win the ball improved greatly on past years. This award shows how highly he is respected by his teammates.

The introduction of the 'thirsty' thirds meant that nearly every player at the club got a game each week. It also put pressure on our regular reserve graders to perform - and perform they did. Our percentage was the highest of any team in the 1st and Reserve grade (including the Sydney Swans) - the thirds also provided a springboard for guys returning from injury. Many thanks to Craig Telfer for putting guys into his team whenever asked.

Unfortunately, for the 2nd year in a row, we lost the game that every team plays all year to be in! This year's result was especially hard to swallow for 2 main reasons:
North Shore won
North Shore won.
Anyway enough of my bleeding heart.

Many thanks to Craig Hartley who was brilliant as Team Manager. Craig eased my load by providing all match reports and providing answers to players' requests on Match Day. Thanks also to the Coaching Panel and Committee. I would also like to sincerely thank all 52 players who put up with my coaching on match days.

Again this year Total Constructions provided our 'Player of the Match' award each week and we all hope they will continue next year.

Third Grade Coaches Report

Season 2000 saw the introduction of the Sydney Football Association Division 2 competition, with Pennant Hills forming one of the five competing sides. The formation of this side was a positive step forward for the club, as it kept many players in the game, as well as introducing many new faces.

At the start of pre-season, Danny Ryan asked me if I would like to help out with coaching of the "Thirsty Thirds" - little did I realise what was in store over the course of the season! Word of the concept obviously found its way around, as many new faces appeared during pre-season. All of the new players constantly asked about when our first game was to be played, which indicated how keen they all were.

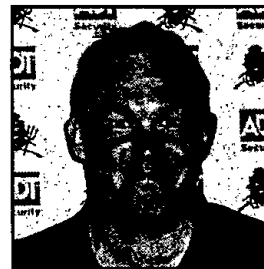

The first round saw us taking on the University of Technology first side. Out of a side of 22, there were 14 players who had not played for Pennant Hills last year, eight of whom were new to the club or football. This formed the pattern for the side with a total of 53 guys pulling on the boots for throughout the season - of these, 18 played two games or less.

For a debut season, I felt we were the most professional and committed side throughout the entire year. We ended up winning 10 out of the 12 home and away games which was a tremendous effort, considering that up to half of our side had not played football before. Of the guys that played more than half of the games, only Frank Piccolo, John Rakic, John Murray, and myself have played more than 50 games of senior football. Even when we were playing short, as happened a few times, the guys showed tremendous endeavour to win.

Congratulations must go to Frank Piccolo for an outstanding season. Not only did he win the club Best and Fairest, he also won the Armstrong Medal for the best player in the league by a hefty margin. He even managed to poll three votes in a game we lost by five goals! Frank was fantastic for the team throughout the year, always at the bottom of the pack winning the ball from the centre. This was also recognised by his teammates who unanimously awarded him the Players' Player.

Tim Shields and Mark Secivanovic, both new to the game of Australian Football, had great seasons. They were given the opportunity of playing a number of games with the Reserves during the course of the year where they performed well. Sec showed how far he has come by being our best player in the finals series.

Another debutant to perform well was Hamish McGowan. Hamish started the season slowly before finding his niche in the fullback position. He was one of the best attendees at training, even after he had broken his finger in 15 places.

Returning to the club after 10 years out of the game was Richard Harden. Big Rich worked tirelessly throughout the season as our ruckman, playing most games without changing. He also was rewarded for his good form with a number of games in the reserves during the year. These guys, together with Simon Paris, Simon Doak, Hamish Burnet, Tim Young, David Murray, Steve Cherrie, Mark Brown, Brendan Courts, Matt Courts, Hound, Fridge, Julian Raffel & Mick Hoareau formed the core of the side.

I believe that the efforts from all players in the team this year played a part in the Senior side winning their first Premiership. The guys put the pressure to perform on the higher grades each week, something that has not been evident in the past. This was shown by the fact that almost half of the guys to play thirds ended up playing in higher grades at various time during the season.

I would like to thank Peter Bennett and Danny Ryan for giving me the opportunity of coaching the side this year. It has been a challenging and enjoyable experience. Also big thanks to Moya Paris for assistance with the administrative side.

Most importantly, I would like to thank my wife Donna, who assisted as the team manager this season. Donna encouraged me to take an active role in coaching the side, as well as giving constant support throughout the season. I do not think the side would have functioned as well as it did without her assistance.

Finally, to all the guys that formed a part of the side this year, you must look past the disappointment of Grand Final day and look forward to next year. We have made some huge steps this year, so make sure you come back for season 2001 where we will attempt to go one step further and win the SFA Division 2 Premiership.

Under18 Coaches Report

If you had asked me 2 weeks prior to the start of the season if we would play off in the Grand Final I would have been very diplomatic and said we would give it our best shot while understanding the task was probably well out of our reach. I had really set myself to just develop the players as best as I could and hope to be competitive. This was due to some big changes to the competition that I new would have a big affect on the availability of some very talented players who were now being 'drafted' to the Sydney Under 16 team. This initiative was developed to fast track some of the more talented U/16 players and allow them to compete as a team in the under 18 competition and get them ready for the representative sides.

Unfortunately we were to lose 10 players to their list of which 6 or 7 would have played in our team. The runner up in the competition U18 vote count this year was a Penno junior in Jarred McVeigh. If you add Nick Potter the under 15 State Captain and Brant Jack who played in the 1999 premiership side then you can start to see the level of player we were going to miss. This along with a lot of players not wanting to play this season due to the HSC timetable being shortened due to the Olympics really had us looking short on playing numbers. We managed to get the 20 players needed to play the first game with a couple of late starters but except for the core key players most had only done 2 weeks pre season. So to say we were a bit under done was an understatement and it showed on the ground when we went up against North Shore on the first game and were beaten.

Over the first five rounds we were to play the top 4 sides playing North Shore twice. While winning the other games we were again beaten by them. We also started to pick up a couple more players and started to get a better balance to the side and it started to show. The boys were starting to develop into a pretty tight unit and the improvement each week both in skill level and team play made me start to think that we might be a bit of a chance. Our forward line started to really gel together with James Leggett starting to give us a consistent focal point at Full Forward. Big Luke Bilbe showed us how strong he could be in the air and started to kick with accuracy. We ran a tall half-forward line with Lucas Paris and Ryan Talbot playing tall with the resting rover to run off them. Our wings were good for us all year with Michael Brown the only regular under 16 player along with George Aitken and Tristin Liles who rotated and gave us good drive and delivery into the forwards.

Michael Sullivan was given the chance in the forward line early in the season and made this position his own and just got better as the year went on and along with Scott Howell, Cameron Beasland and Ben Hooper they dominated the centre for most of the year. The real strength was that when we made the changes we lost little drive with Trent Whalan, Ben Young and Ben 'Fuzz' Howard when they went onto the ball. The back line was just fantastic all year and just never gave their opponents an easy opportunity. The halfback line of Captain Lachlan Howarth Angus Scotford and Michael Holgate dominated the competition and Simon 'Bud' Kenny unpassable at fullback and the tenacious Anthony 'Tiger' Milne in the back pocket they were a fine group of players who played as a unit for most of the season.

Our bench was always called on to do the difficult task as we rotated our wingers and ruck rovers and ruckmen they were often called on

to go into positions that they did not play well in. We had a solid year from Mustard who started the season on the wing until he got a bad shoulder injury and struggled to force his way back in at the end of the season. John 'Poppa' Politis was as he always is a great team man and often did not get the time on the field he would have liked to but was always a very important part of the team make up. Nick Akmens came back this year after a break to his hand last year and was a great utility player anywhere in the back line. After a good start to the year at full forward injury let Jimmy Leggett in and he held that position for the rest of the year. It was good to have Jarrod Myers back for the finals after spending some time with the RAMS and Sydney reserves and he played well on the half forward flank. Special mentions to a couple of first year players in James Wighton and Alisdair Allen whom when given the opportunity played well and kept improving.

It was also good to see a couple of player take the step up and play at a higher level when given the opportunity. Lachlan Howarth, Cameron Beasland and Trent Whalan all played for our reserves side during the year and all players getting among the votes when they played. Also well done to Ryan Talbot for playing for the seniors against Sydney at the SCG. Cameron Beasland and Michael Brown represented Sydney in a rep match in Canberra against Victoria Country. Congratulations to Ryan Talbot, Cameron Beasland and Jarrod Myers for playing for the Sydney reserves. And also to Jarrod for playing several games for the RAMS. The steady run of quality junior players continue to present themselves for consideration to play for our senior team in the coming years. On a personal note I would like to thank Peter Paris who assisted me during the year and Kevin Talbot who was the manager and did a fantastic job all year. To Robby Riddell who did the goal umpiring each week and the other parents who stepped in to help out when asked. To Seb Parker and Marty Brewster for helping with the running at the business end of the season thanks guys.

To the other coaches Peter Bennett, Kim Beasland, Terry Donohoe and Big Dan thanks for your help and support during the season.

To the players who I have the highest regard for, not because of any individual talent but because as a collective bunch of guys they really demonstrated what being a team is all about. It has been a great pleasure to have been associated with them and hope they all go on to achieve what it is they want out of football and life. And finally thanks to Lachlan Howarth who as Captain this year did an outstanding job. He confirmed what I have thought for the last season or so that he has great leadership qualities and the ability to not only lead from the front on the field but also be able to deliver a message to his team mates with maturity beyond his years.

GARY BROWN

Under18 Coach - PHAFC

General Manager's Report - cont

Although there continues to be discussions between the AFL, the Kangaroos, and the AFL (NSW/ACT), as to the level of the Kangaroos exposure to the Sydney market, we are assured of the Kangaroos commitment to the Pennant Hills AFC.

There has been approaches made during the course of 2000 (and 1999) to two AFL Clubs with a view to forming an alliance. The formation of these alliances is perceived by the AFL(NSW/ACT) Commission as being crucial to the ongoing growth of Sydney AFL Clubs. The Pennant Hills Demons has, as yet, formed no formal alliance with any AFL Club, and although there are many differing views as to the 'real' benefit of such an alliance, we have certainly not closed the door on these approaches. Many of our initiatives mentioned above, have been taken up by the AFL (NSW/ACT) Working Party and have been incorporated into their recommendations for the future of Sydney AFL.

We have introduced some new sponsors into the Club this year, and it is hoped that these will continue their relationship with the Club in the future. Our major sponsor, Pennant Hills Bowling Club, has provided us with a clubroom atmosphere that is the envy of many other SAFL Clubs, and we look forward to their ongoing sponsorship and support. Sponsorship is always hard to source, regardless of whether you are an AFL Club, a Sydney AFL, or a Junior AFL Club, however, there is no doubt that our sponsors can acknowledge that the Pennant Hills Demons have been a truly worthwhile Club to invest in.

There have been many involved in the success of the Club this year - the wonderful work put in by our Physio team, Greg Castle, Ellen Hawes and Shane Roenne, the professional approach that Blair Hatherley shows to the production of the Demonic has been a tremendous boost to the image of our Club. Who could forget the fantastic work put in by Greg Byrne and the others involved in the 'first ever' Demons Ball!! Definitely an event to be marked on everyone's calendar in the future! Chris Reidy and Barnaby Howarth have never been slow to put up their hands to help out, 'Poppa' is always willing to show off his skills at the BBQ, and the magnificent effort behind-the-scenes by people such as John Taylor, and Bruce Reidy must be acknowledged.

The assistance I have received in my time as General Manager by members of the Committee has been outstanding. I would strongly suggest that no other General Manager in the SAFL receives the amount of support that I have been fortunate enough to have. I am also, very much aware, that to some members of the Club I have not achieved what they believed was the intention of the role: namely to increase Club sponsorship by, hopefully, in excess of \$100k-\$200k per annum. This was an unreal expectation, and one that has not been achieved by any General Manager within the SAFL Clubs. The role of General Manager was to be determined by the needs of each Club, however it should be remembered that, like a player in a football team, one individual cannot fill every position required on the playing field. I have received criticism at times, some of which I feel was justified, some of which, I believe, was not. Many suggestions and advice given to me by members of the Club, supporters and players, has been in the main, very beneficial, and the Committee has taken a lot of it on board. However, like any organisation such as ours, everyone is free to express their thoughts and ideas, and their own perceptions on what may be needed by the Club to progress.

I would like to thank the members of the Committee, players and supporters, and especially the President, Peter Clarke, for their assistance, encouragement, and support during my time as General Manager. I hope, and believe, that I leave the Club in a stronger position in many ways than when I started.

I sincerely hope that the Pennant Hills Demons never take a backward step - that they will constantly strive to continue to break new ground - and will always stand up for what they believe is the right thing for the Club, the game, it's players and supporters, regardless of the opposition.

MOYA PARIS

General Manager - PHAFC.

SydneyAFL - Grand Final 'Magic Moments' 1

What a day! What an achievement. For many years the Pennant Hills club has waited for the moment that arrived on the 27th August 2000 - a Senior Premiership in the Sydney AFL. After a 7 goal blitz in the first quarter the game was all but over. To North Shores credit they rallied to be within striking distance at 3/4 time, but the polished unit that was the Yr2000 Demons steadied to run out comfortable winners in the end.

The DEMONS go through their warm-up paces.

The National Anthem - calm before a 7 goal storm!

Red & Blue fills the crowd - all anticipating the final siren.

'We've finally done it!' - Yardy is a happy man!

'Noodle' & 'KB' savour the 'winning feeling'.

Captain & Coach lift the Premiership cup aloft!

Best and Fairest Winners - 2000

SENIORS BEST AND FAIREST

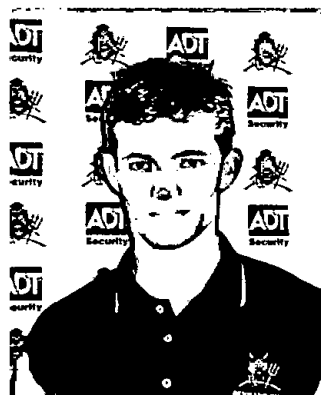

Barnaby Howarth

A worthy winner as Barnaby has achieved levels that could have taken him to other states but decided to play with a club that he enjoys, this loyalty has been rewarded with the best and fairest trophy and the Best on ground performance in the Grand Final. Barnaby is a great asset to the club and true leader. - Congratulations!

RESERVES BEST AND FAIREST

Robert Mayak

In Rob's first year at the club he has taken out this prestigious award. Rob played every game and was always one on the first players picked each week. Rob polled votes in more games than any other player and also ran 2nd in our 'Players Player' award. Well done Rob!!

THIRD GRADE BEST AND FAIREST

Frank Piccolo

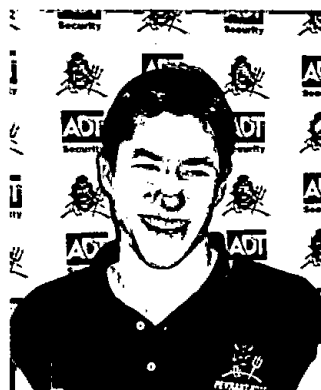

Congratulations must go to Frank Piccolo for an outstanding season. Not only did he win the club Best and Fairest, he also won the Armstrong Medal for the best player in the league by a hefty margin. He even managed to poll three votes in a game we lost by five goals! Frank was fantastic for the team throughout the year, always at the bottom of the pack winning the ball from the centre. His efforts were a large part in the way the side played during the season. Frankie managed to poll votes in every match he played.

UNDER 18 BEST AND FAIREST

Lachlan Howarth

Lachlan was given the Captaincy of the team because of his on field leadership and the respect he has from his teammates. His ability to continually run the ball off the half back and through the lines was instrumental in the effectiveness of our forward line, as they were able to get the ball quickly. Lachlan's high level of skill and consistency has resulted in a well deserved Best and Fairest winner for season 2000 and on behalf of myself and his team mates congratulate him on an outstanding year.

Senior's - Sydney AFL Premiers in 2000

Back: Chris Yard, Ashley Bell, Greg Byrne, Jason Clarke, Richard Gerke, Tim Kenney & Kris Williams

Kristen Williams	Sydney AFL

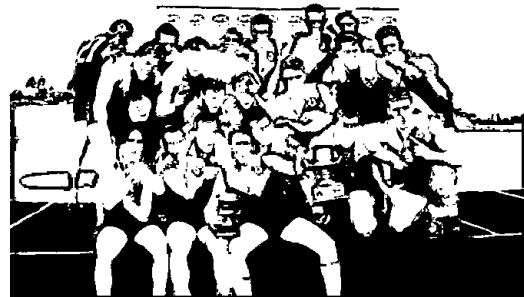

SydneyAFL - Grand Final 'Magic Moments' 2

An outpouring of emotion like you'd never seen! That is how the inaugural Pennant Hills DEMONS Sydney AFL Premiership will be remembered. Even club legend Gus McKernan was reduced to a blubbering wreck, so overcome with joy that he could hardly speak! Many people have worked so hard over the years to produce this fabulous result and the evidence was in the partying that accompanied this victory. Congratulations to the players who represented the Pennant Hills club on this day - you are now truly legends.

The Dance of the 'Mighty Moose'!

Our Victorious DEMONS take to the stage!

'Stacks On' - Everyone's in on the podium action.

Captain Brawn leads the rendition of 'It's a Grand 'ol Flag'!

To the victors - go the Spoils.

Aaaaghh - at long last! - It's ours!

Alliance Club - Macquarie University 'Kookas'

It certainly is my pleasure to report to you on our success in Season 2000.

It was with a fair degree of uncertainty with which we embarked on our preparations for Season 2000, a season which we expected to throw up many challenges not the least being to win our 3rd Senior Grade premiership in succession.

Our work began in earnest in late 1999 to retain the services of both our Senior and Reserve grade coaching staff and provide them with additional support in our aim of raising the standard both on and off the field. The involvement of both Gerard Dignan and Richard Mullins in assisting Bryan Dempsey and Michael Cockerton can not be underestimated.

Off the field, we have a number of achievements of which we can be very proud:-

- Giving all our players an opportunity to have kick, even if they miss out on regular selection. This has seen a number of new guys to the club get some valuable match practice, which will see them play Reserve and Senior grade footy in the near future.
- Establishing a relationship with The Pennant Hills Australian Football Club. This will provide both our clubs with a larger buying group with which we can attract greater value from our sponsors.

In addition, the relationship with the Demons will see both clubs maximise our efforts when it comes to day to day operations, administration, ground usage, Junior development, coaching development and hopefully allow us to better use our limited resources.

I would like to take this opportunity to thank Michael Cockerton, our senior grade coach for the past 3 years, for his tireless efforts in his time as Senior Coach at the club. Unfortunately, Michael will not continue as our Senior Coach next season, but our on-field success is largely attributable to his professional and disciplined approach to the task at hand.

As somewhat of a perfectionist, Mick was never happy with half hearted approaches and it is a tribute to his attitude that he has earned the respect of not only his players, but also the respect of his on-field opponents.

Many thanks also to Jim Granger and the Epping Hotel, who have been our major sponsor over the past 4 years. It is no act of co-incidence that our success both on and off the field and our association with 'The Ping' since 1996.

Thank you to Peter Clarke and Moya Paris and others that I have met with at the Demons. It is a pleasure to meet some like minded individuals who are involved with a Football Club with similar values to ours when it comes to Football Development in what is still a rather fragmented competition in Sydney.

Finally, thank you to the committee and all those people who, out of the blue made significant contributions to the club. Will "Buckets" Ley - our chief editor of the Mac Mail, Damian "Mappa" Hannam - Our Web site designer and editor, Cameron "Inches" Inchley - Mac Mail publisher,

Ian "Wrighty" Wright - for doing all the things that I didn't know needed to be done, Stuart "Worker" Matthewman - for organising those one off things that were great for team morale, Kieren "Kizza" Purnell - Our social director, he rocks.

Our challenge is to stay focussed and continue to set ourselves new targets so as to build on this era of success.

GEORGE 'ZORBA' PAPANIKOLOPOULOS
President - Macquarie University AFC

Junior Clubs - Pennant Hills 'Demons'

The year 2000 was a very successful season for the club. We fielded a group of young Auskickers and 8 other teams from Under 9's through to Under 16's. A total of over 120 junior players registered and played during the 2000 season.

All of our teams in the Northside Association were competitive which was indicative of 5 teams making the finals. Of the 5 teams, the Under 12's and Under 13's made it through to the Grand Final with the Under 12's capping off the season with a fine win against Forest to win back to back premierships. Members of the Under 12's have only lost one game in the past two seasons of football and they are shaping up to be a very strong and talented squad of players for future years. Well done to their coach Jon Simpson and the boys on a great season as they were the best team in the competition and deserved to win the flag.

The Under 13's were courageous in defeat and came up against a bigger and stronger team in the Grand Final being only narrowly defeated by two goals. It was a fine effort to make the Grand Final and Greg Barnes (coach), Dave Power (manager) and the boys are to be congratulated. However, success is not just about winning premierships or getting into Grand Finals; success can also be measured by the players having fun and coming back to Penno for another season of football.

Congratulations to all the teams for playing football in the right spirit and having a successful season. During the year a numerous boys played in representative teams and two boys, Nick Potter and Todd Bateman represented NSW in Darwin which was a fantastic achievement. One of our new recruits from Melbourne, Steve Hodgson won the best and fairest in the Northside Under 16's competition in only his first season with the club, so well done to Steve.

Many thanks to our sponsor Motorola who have been supporting the club and junior development for two years now. Your support and assistance has been very much appreciated. Thanks to North FM who has been fantastic promoting the club and junior football in the area on radio.

Also, to Peter Clarke, Moya Paris and the Pennant Hills Senior Club thanks you for your support during the season in assisting the juniors and congratulations on the club's first ever premiership win. Finally, a big thankyou to all the parents and players for their participation, help and assistance throughout the year.

PRESIDENT

Harry Ellison

Junior Clubs - Westbrook 'Bulldogs'

This year saw Westbrook field 13 teams each Saturday from under 9's to under 16's. All teams, once again, demonstrated excellent team skills and the attributes of committed but fair play. The concentration by the coaches on skill development, teamwork and enjoyment of the game has been most noticeable throughout the season. We thank most sincerely the coaches, assistant coaches, managers and all those who helped in the players' development for your untiring efforts and dedication to your teams.

A group of 30 plus Auskickers met each Friday evening and, under the superb guidance and instruction of Neil Brodie, enjoyed themselves immensely while developing their footy skills. Some even playing in the under 9's on Saturday as well. A very successful program. Well done Neil!

We also thank all parents who have assisted in making each Saturday as successful as it has been, considering the task was made extremely difficult by the Northside Association not having the draw completed until Week 8. Many, many thanks must go to the Committee who confronted many setbacks each week in organisation until that Draw was finally available – you came through with flying colours. The patience of the majority of parents was truly appreciated also during this trying period. Thank you!

Westbrook had 9 teams competing in the finals. 3 teams went onto the Grand Finals, where our under 11's and under 16's were successful. Truly outstanding results once again this season. Congratulate to all teams on their efforts this year, including those who did not make the play-offs. Your time will come in the future, I am sure.

Having the use of the oval full time each Saturday has been tremendous for everyone and allowed us all to further enjoy the games. This was a major development to begin this season, as was the upgrading of the lighting facilities.

Congratulations to Ben Jacob U/15's and Michael Twohig U/16's who received Northside association best and fairest awards, and also to the U/13's who received the association award for the most sportsmanlike team for the season.

The winning of the club award for the best-presented and most sportsmanlike club was again testament to the great work of coaches and parents who maintained a fantastic effort throughout the season.

Congratulations to Peter Allison who received the Mike Kenny Perpetual Award this year and also to Andy Smyth who was elected a Life Member of the Club. These men have contributed much to the club over the past twelve years. We also congratulate Greg Bell who was awarded the Jack Iredale award for his contributions to the club.

We thank our sponsors for their generous donations to our club and look forward to renewing our association with them next year. Our main fundraiser this year was the wine drive and once again it proved very successful. We thank Richard Varnish for ensuring its success.

The passing of Mike Kenny during the season was indeed a sad time – the renaming of Greenway No 1 to Mike Kenny Oval was a great tribute to remember him and his contribution to sport in our area and in NSW. The erection of a permanent electronic scoreboard beside the oval is a major focus of the club at present. We would like to see this in operation by next season.

Thank you to a wonderful committee for your commitment to the club this year. Your efforts are greatly appreciated by all. Sincere thanks and appreciation also goes to those committee members not continuing in 2001. Your efforts over the past years have helped make our club a strong one.

Good luck to everyone for a safe summer and we look forward to seeing you all next season.

MIKE BARRINGTON

President

Westbrook Junior Australian Football Club 1999

Junior Clubs - Hornsby 'Eagles'

Year 2000 ended up being quite successful for the Hornsby Eagles, even though there were a couple of disappointments throughout the year.

We commenced the year with a large number of registrations and had placed teams in Auskick and the Under 10, 11, 12, 13 and 16 age groups, the most teams ever entered by the club. All age groups except the Under 11 side had almost twenty players each, and the year was looking very promising.

We were also fortunate enough to retain two of the 1999 coaches, both who had developed a strong relationship with the boys in their respective teams. Trevor Daykin again gave an enormous amount of his time to ensure that players under his direction developed their skill level and their understanding of the game. As well as these coaches we gained the services of Bob Barnetson (an ex Pennant Hills coach) for our Under 16 team.

While only one of teams made the finals this year (Under 13), all sides were more than competitive each week and dramatic improvements were not only seen in the ability of individual players, but also in teamwork. The Under 13 side improved with every game they played and were looking strong to play in a Grand Final. Unfortunately in the Preliminary Final a better side beat them on the day.

With the reintroduction of representative Teams in the Under 12 and 13 age groups, the Club had over ten players selected to represent the North Shore area, more players than ever before. All played well and assisted their respective sides make the Grand Finals of the carnival.

Hornsby' Committee over the last two years has been working towards providing the area with a strong Club, both in playing numbers and financially to ensure that AFL becomes a more recognised sport within the Hornsby/Berowra area. A lot of work has gone into all local Primary Schools (coaching and training Paul Kelly Cup sides, etc) and the results have been fantastic. We have at least 16 of our current players in the Under 10 and 11 sides coming from one of these schools alone. With a new Committee recently appointed this work will continue and we believe that the Club will become stronger as the years go on.

Lastly, congratulations to both the Westbrook and Pennant Hills Junior Clubs for their successful years and hopefully the Hornsby Club will be at the top with you next year.
